

Fra Jacob Balslev:

The document known now as ***The Protocols of the Learned Elders of Zion*** is one of the most important documents ever to come to light in the world. In fact, it can be described as the blueprint for the domination of the world by a secret brotherhood.

It is graphic in its contempt for those who will be its victims, in its profound understanding of the human condition and mind; and it is equally graphic in detailing the methodology it will use against, and with the complicity of, the world's population, in such a way as to go unrecognized by the vast majority of the participants.

The document has achieved fame and infamy in its time.

Fra Introduction:

Another interesting 'coincidence', President Franklin Roosevelt (from a Jewish family) had seventy-two advisors around him when he led the USA into World War II of whom fifty-two were known Jews. The Elders of Zion consist of the Sanhedrin, the highest Jewish authority since Biblical times, officially numbering 71, and the Judaic texts also reveal the existence of a king, making 72. Whilst in Britain in 1999, the Labour government admitted that it has 72 official 'advisors' or 'spin-doctors' (professional-liars). Both Roosevelt and Blair have implemented social 'reforms' called the 'New Deal', which in the USA was also known by those in the know as the 'Jew Deal'. Do we see here history repeating itself?

The Protocols of the Learned Elders of Zion is a document which should be read by all. No other single document provides us with such a clear understanding of why the world is gradually moving towards a One World Government, controlled by an irreproachable 'Hidden Hand'. In fact, in the Protocols, we are given clear insights as to why so many incomprehensible political decisions are made in both local, national and international politics, which seem to continually work against the favor of the masses and in favor of the vested interests of the banking / industrial cartel - the global power elite.

'Probably so much money and energy were never before in history expended on the effort to suppress a single document.' The period of 1920 'marks the end of the time when the Jewish question could be impartially openly discussed in public.'

(Reed - 'The Controversy of Zion')

The fact also remains that since their publication, world events have unfolded exactly according to their description. We are gradually being mobilized into a New World Order. The One World Government is being facilitated by the gradual movement of nation states into larger power blocks such as the European Union and NAFTA etc. The United Nations

has come into power as a global police force under the excuse of being a protector and benefactor of the world, exactly as outlined in the Protocols. The Jews have symbolically 'returned to Palestine', as the State of Israel now exists as the official universal 'homeland' of all Jews, despite the vast majority of Jews having no racial connection with Israel whatsoever.

P. 1.27: Our triumph has been rendered easier by the fact that in our relations with the men, whom we wanted, we have always worked upon the most sensitive chords of the human mind, upon the cash account, upon the cupidity, upon the insatiability for material needs of man; and each one of these human weaknesses, taken alone, is sufficient to paralyze initiative, for it hands over the will of men to the disposition of him who has bought their activities.
