**Who are the people who destroyed Tartaria?**

**Who are the people that came to power after the fall of Tartaria?**

**Many people around the world are asking questions about the important people they see in politics and the media. Many people now say that many of the female characters around the world seem to have male features.**

**Researchers decided to investigate these matters more carefully**

**The author David Ewing Jr has travelled to over 2500 cities and places worldwide and has done much historical research over 20 years and has great knowledge of world history**

**The book will show the facts that researchers point out - and photo evidence is provided to show you that proper research has been done by David Ewing Jr to check what researchers and historians say**

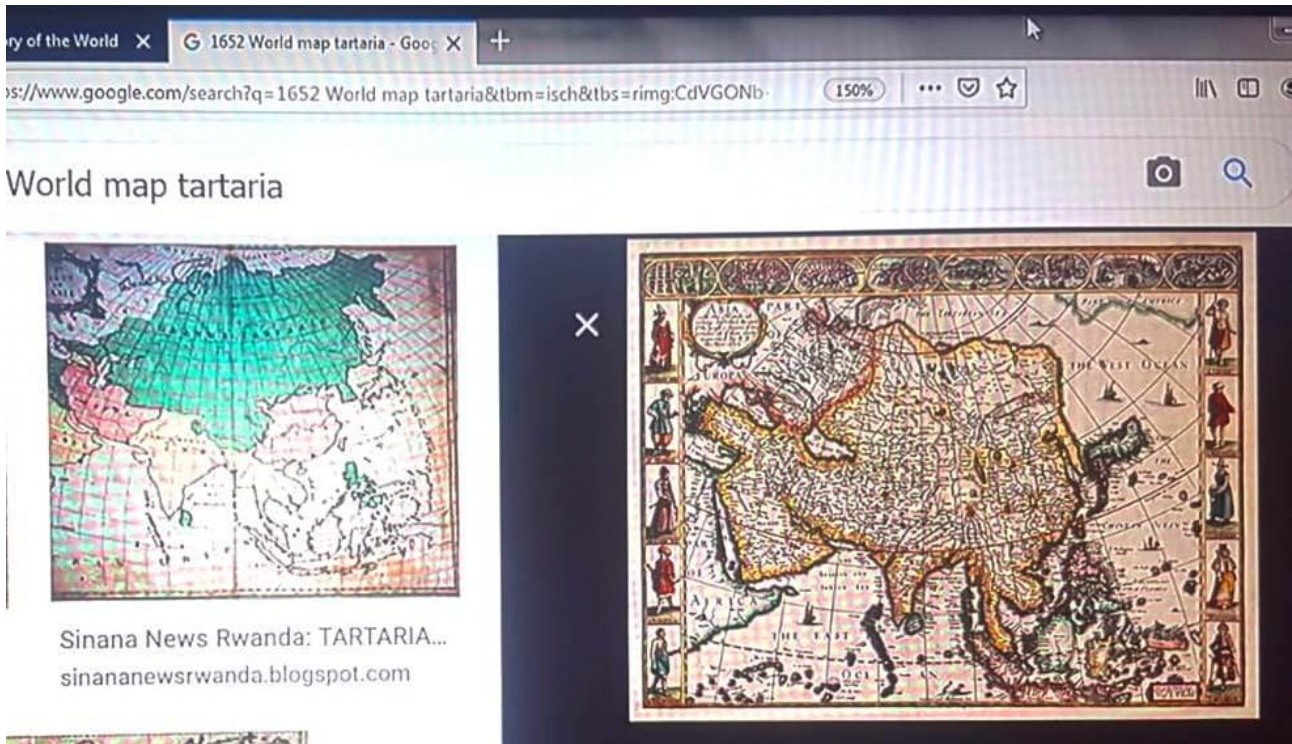

# Transvestigation

Many people around the world are asking questions about the important people they see in politics and the media. Many people now say that many of the female characters around the world seem to have male features

Researchers decided to investigate these matters more carefully

**Many historical maps show an empire or territory or global system known as Tartaria to many people. Many researchers state that Tartaria was the dominant global power or system a few centuries ago and it collapsed within the last 300 - 500 years**

**Many researchers believe that the system of Tartaria was the old world order**

**Serious questions are: - How did the old world order fall? Who are the people that destroyed the old world order?**

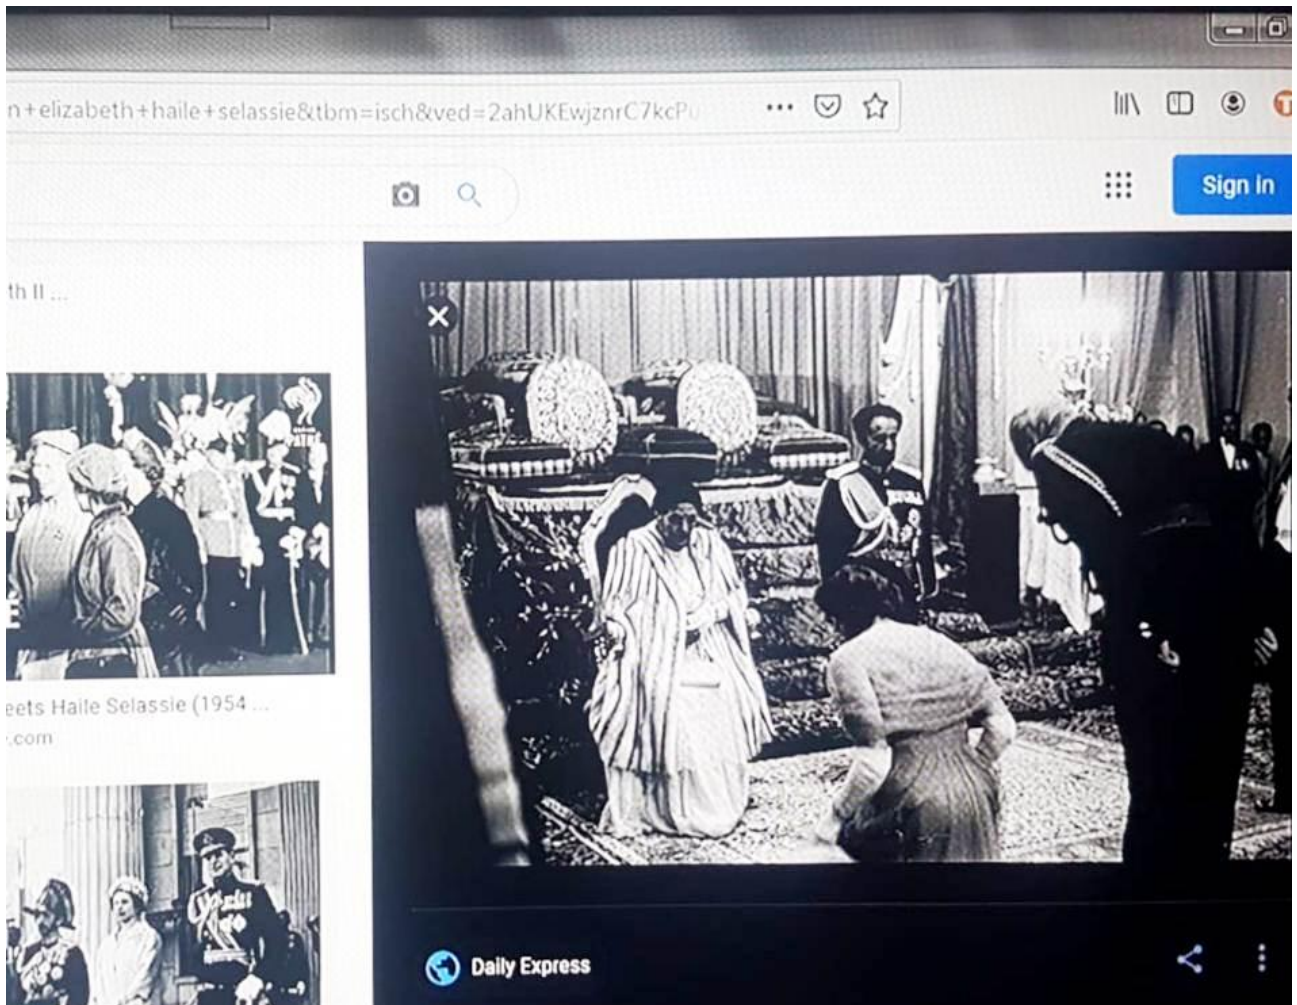

**The photo above shows Pope Francis kissing the feet of a political leader in Africa. Many people around the world found it strange and many people were even laughing. Many people saw it as a great gesture for peace**

**Researchers began to ask: - who are these people?**

**Why do they behave in such strange ways?**

**Many people are also asking: - why do many of these people look strange?**

**Photo above - Queen Elizabeth of England and Prince Phillip: - bowing to Haile Selassie, Emperor of Ethiopia and his wife**

**President George Bush and other politicians around the world have openly stated that they are trying to build a new world order**

**On September 11, 1990 - President George Bush spoke about the new world order in the United States Congress**

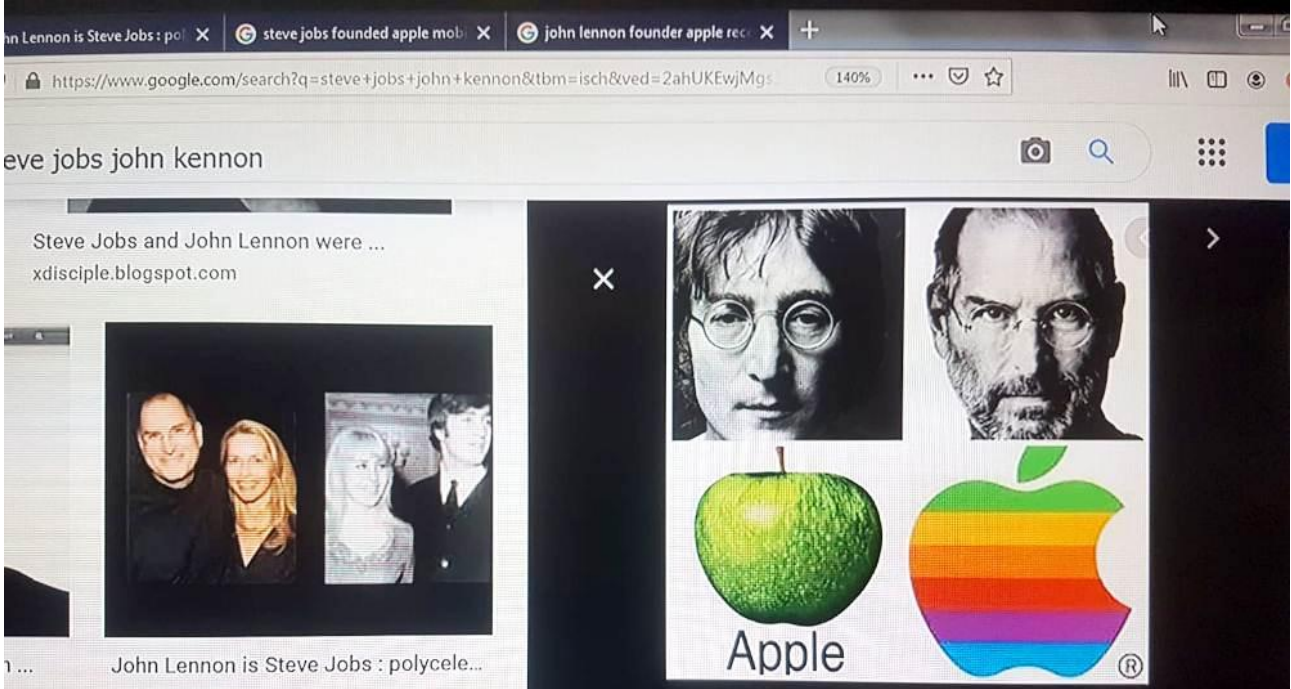

**There is much evidence to show that a group of people around the world are trying to create a new world order or new system, - to replace the old world order.**

**Researchers began to investigate famous people and important events around the world to see if they could find any important information regarding these people**

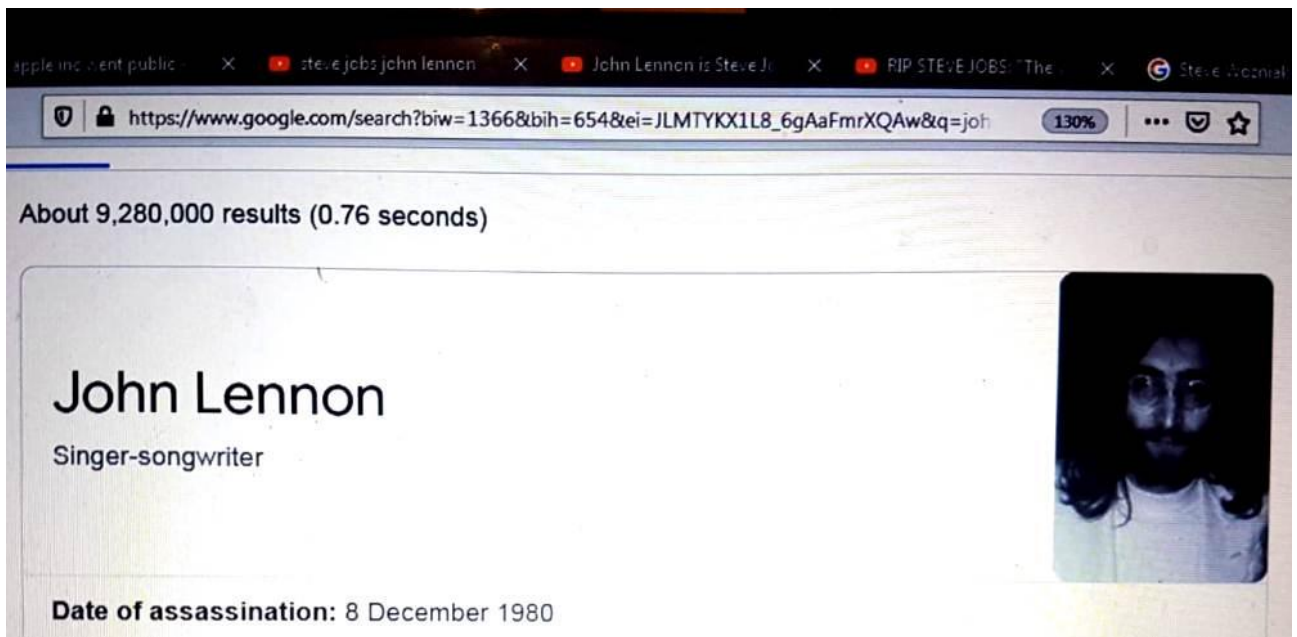

**Photo above - John Lennon and Steve Jobs. Both of these people looked very similar.**

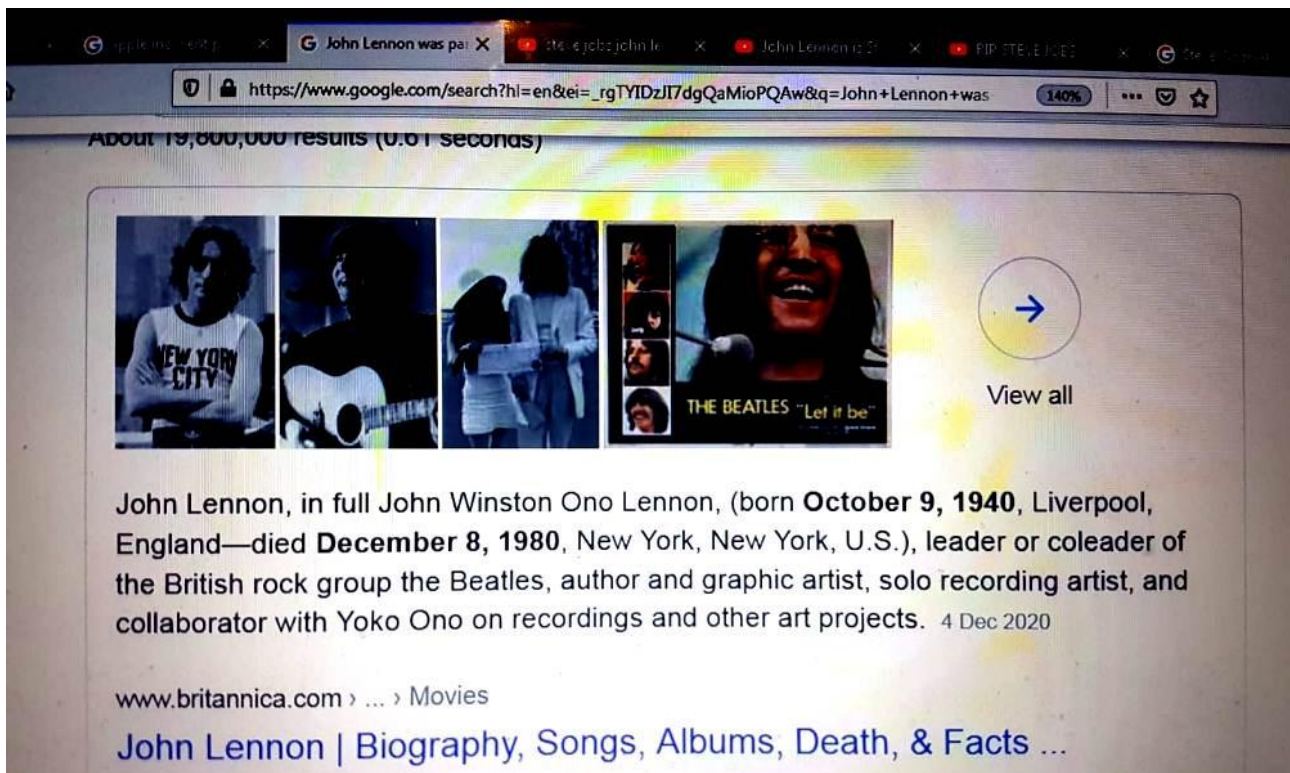

**John Lennon founded Apple records and Steve Jobs founded Apple company (mobiles and computers)**

**John Lennon died on the 8 December 1980**

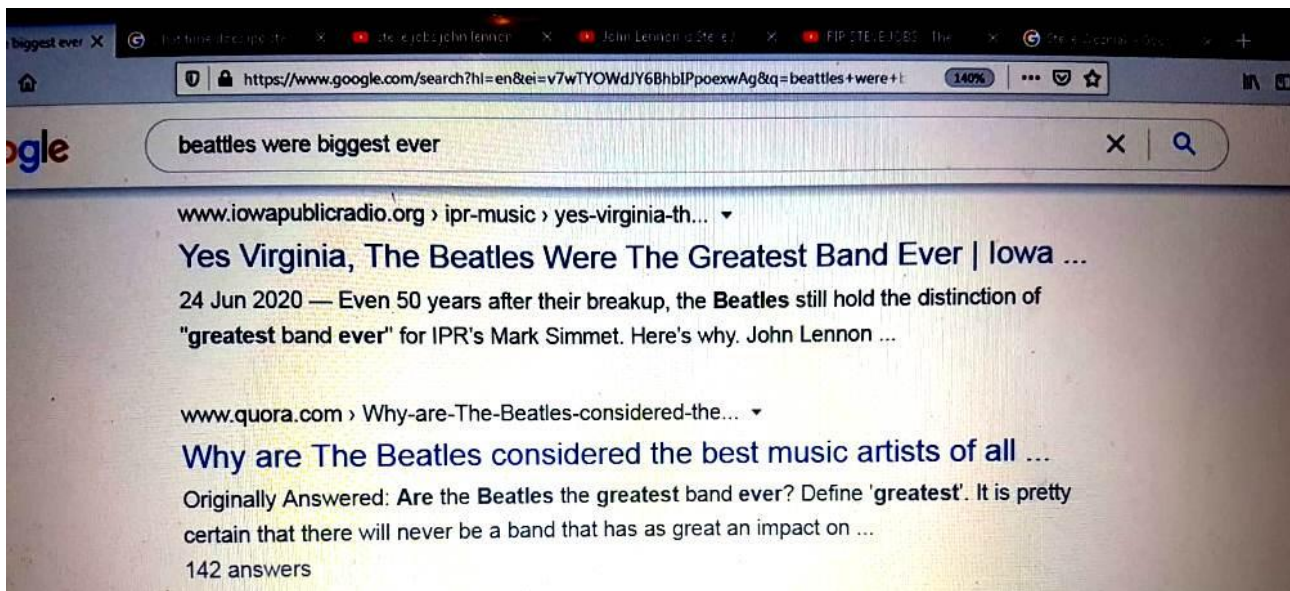

**Steve Jobs said that his model for business was the Beatles**

**John Lennon was the leader of the music group called the Beatles**

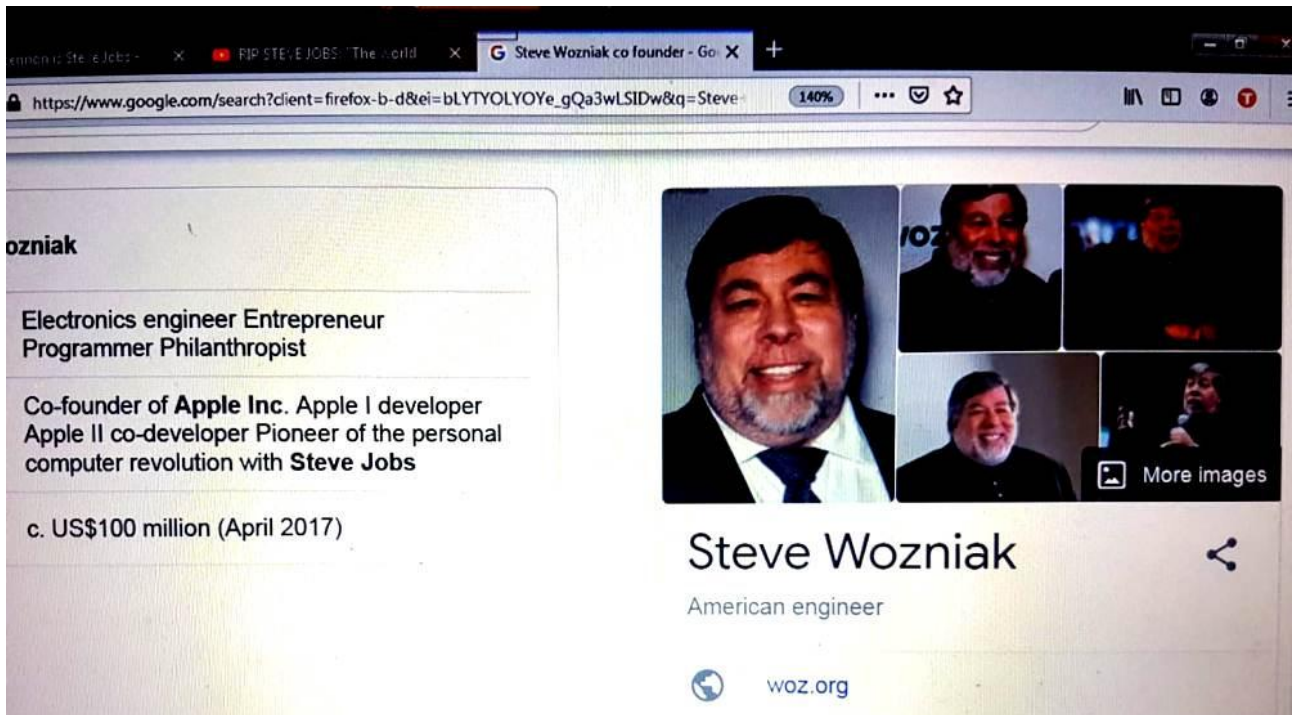

**4 days after John Lennon died (the founder of Apple records), Apple company went public in December 1980**

**According to historians and the world media, the Beatles were amongst the greatest music bands in the history of the world**

**According to historians and the media, the selling of Apple shares, was one of the greatest events of history and many people became millionaires**

**Steve Wozniak was a friend of Steve Jobs and he was a co-founder of the Apple company**

**When Steve Jobs died in October 2011: - Steve Wozniak said "the world lost a John Lennon"**

**Many researchers noticed the connection between John Lennon and Steve Jobs.**

**In June 1968, John Lennon at that time said: - *I think our society is run by insane people for insane***

***objectives. ---- I think we're being run by maniacs for  
maniacal ends.***

**Apple is a technology company. There was much evidence to show that technology was not new and was available in the civilisation known as Tartaria**

**There was also evidence to show that many big business companies were created by the world order, but that is another story too long to mention here.**

**There was much evidence to show that the global economic system was planned and controlled and was not really a free market economy. Much of global economic data was falsified, but that is another story too long to mention here.**

**Many researchers concluded that Steve Jobs and John Lennon were invented characters. An actor seemed to be playing these 2 people.**

**Evidence also showed that many other wealthy people did not exist as real people but were played by actors. It was almost as if the wealth of many rich people and technology in many companies: - was owned and controlled by one group of people hiding behind the scenes**

people looked very similar**

**King Felipe of Spain and his wife. Both these people and their wives looked similar**

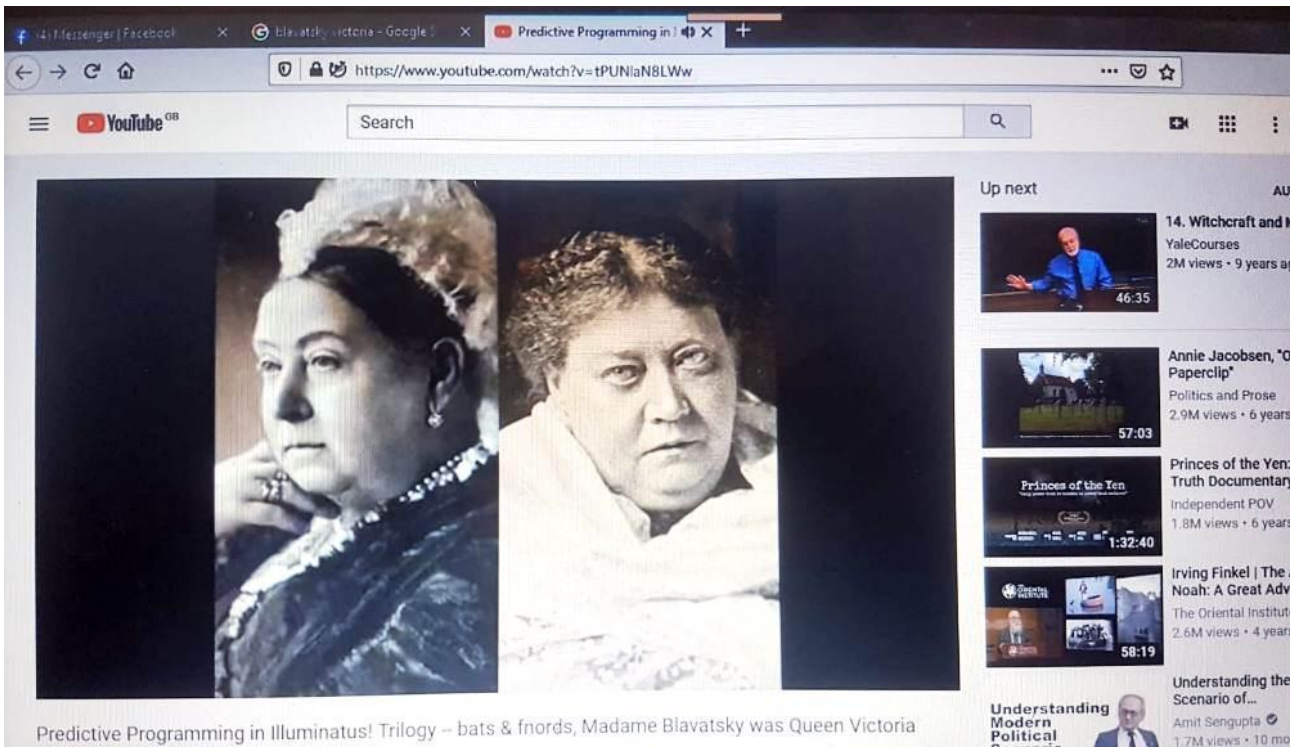

**Photo above - Morgan Freeman and Jimi Hendrix  
Both of these people looked very similar**

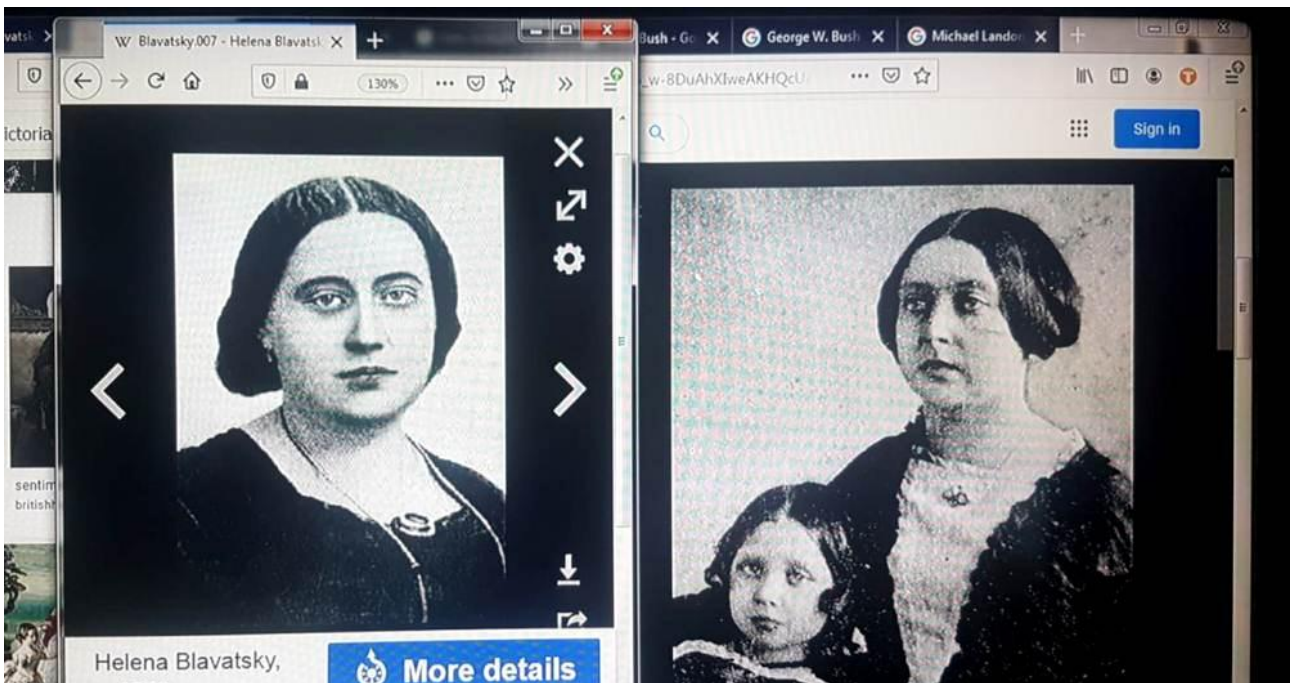

**Jimi Hendrix died in September 1970**

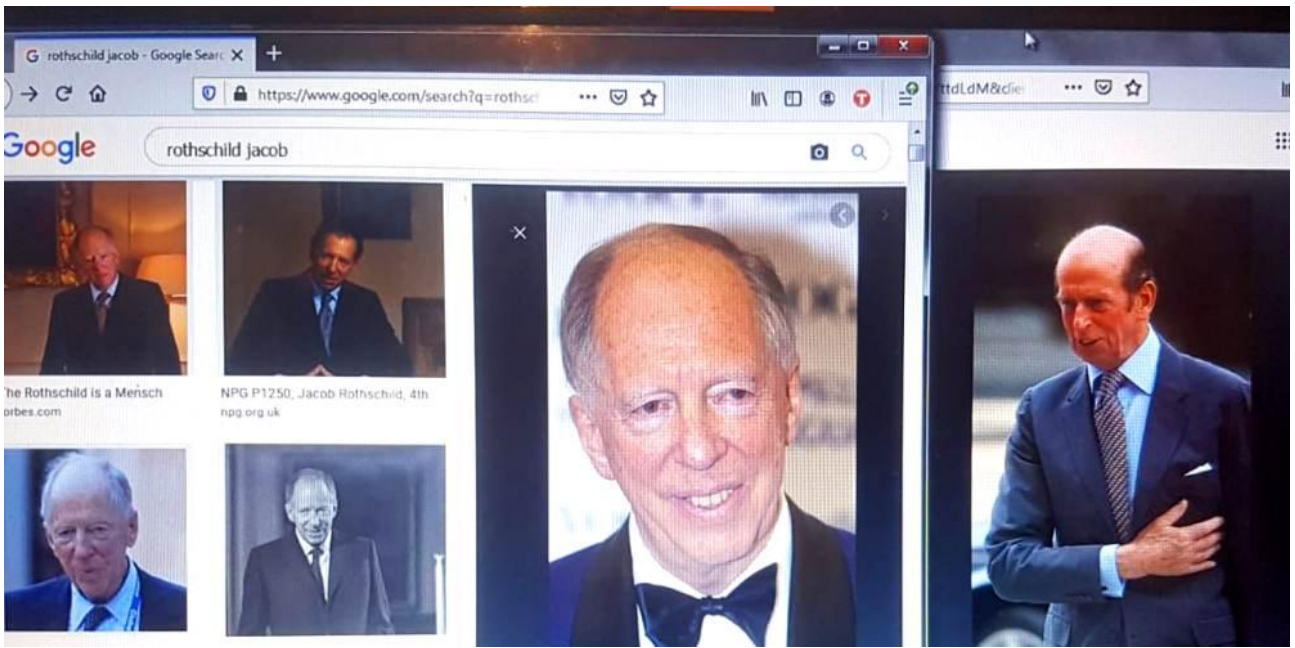

**Morgan Freeman rose to fame in the 1970's. This was because of his role in a children's television series that started in 1971, a year after Jimi Hendrix died**

**Queen Victoria and Madame Blavatsky (Theosophical Society). Both of these people looked very similar**

**Madame Blavatsky on the left and Queen Victoria on the right.**

**Photo above - Elisabeth + Philippe de Gaulle, - and - Queen Elizabeth and Prince Philip. These people looked very similar**

**Photo above - Richard Pryor and Steve Harvey. Both of these people looked very similar**

**Richard Pryor made his last film in 1997**

**Steve Harvey made it big in 1997. He performed on the Kings of Comedy show. This comedy show was the highest grossing comedy tour in history at the time**

**Photo above - Princess Diana and her step-mother  
Her step-mother is called - Countess Raine Spencer**

**Photo above - Ondine Rothschild and her mother  
Her mother is called - Ariane Dandois  
All of these people looked very similar**

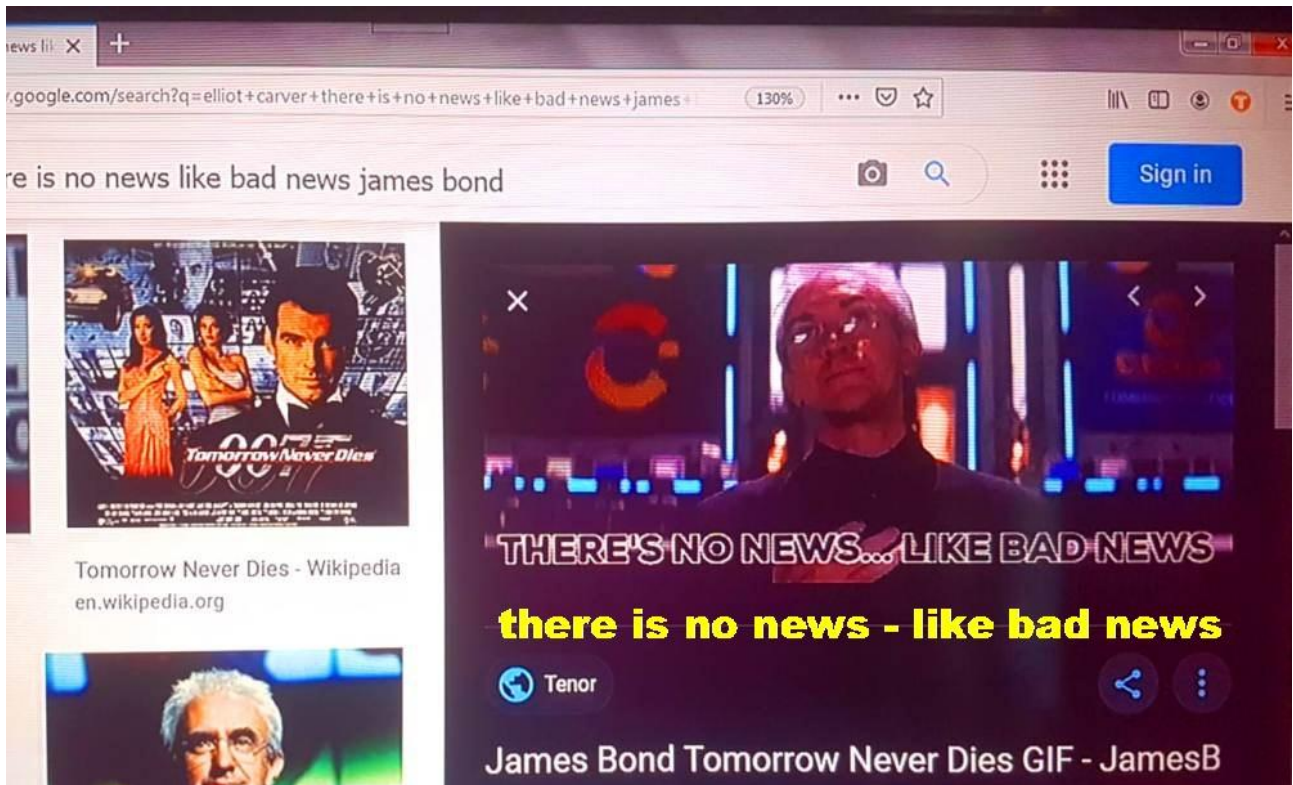

**750 million people watched Princess Diana's wedding**

**Around 2.5 billion people watched the funeral.**

**Many researchers concluded that these people were just actors. Their stories and deaths and scandals and conspiracies are created in order to keep the people of the world busy and to make people more attached to their televisions and computers**

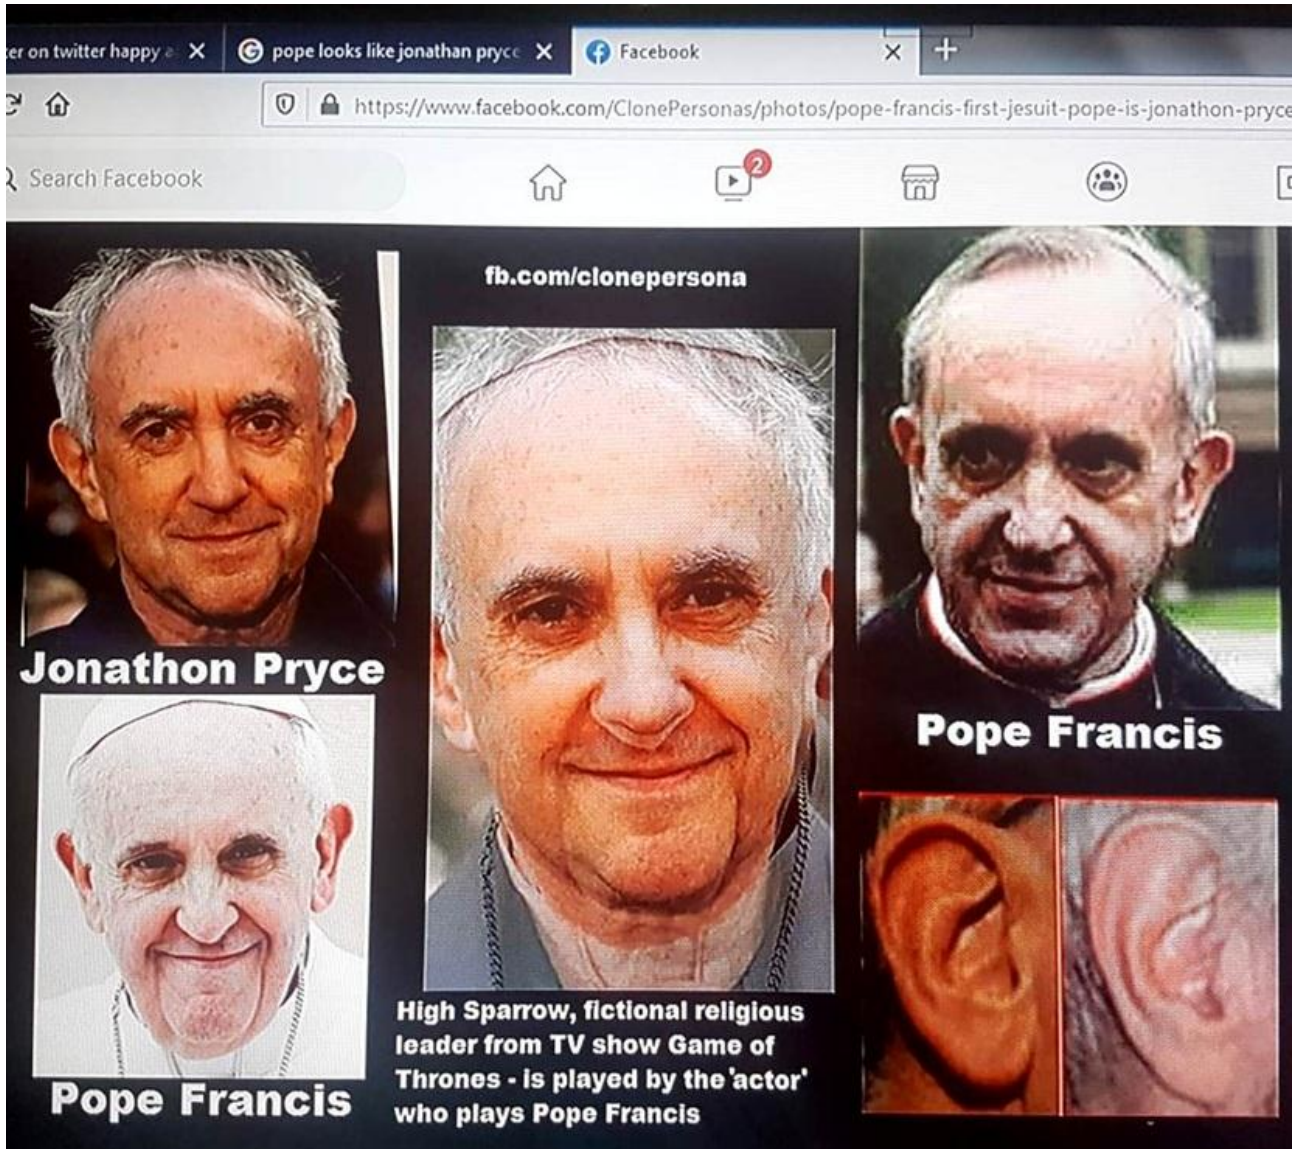

**Photo above - James Bond - Tomorrow Never Dies**

**This movie had a great message - there is no news like bad news. Bad news can unite people according to an agenda.**

**The global media and the global politicians have successfully made many people attached to their televisions and electronic devices. Many people have fallen in love with actors and politicians. They believe what they hear on these electronic devices**

**The people who control the media are aware that there will be opposition to what they do. So, global order creates actors and leaders. They prepare them many years in advance, and use them whenever necessary**

**Photo above - Pope Francis and Jonathan Pryce  
Both of these people looked very similar**

**Many people are around the world asked the question: -  
why do these people look similar? What does the Pope  
represent?**

**Many people around the world found strange  
similarities between many important and famous people**

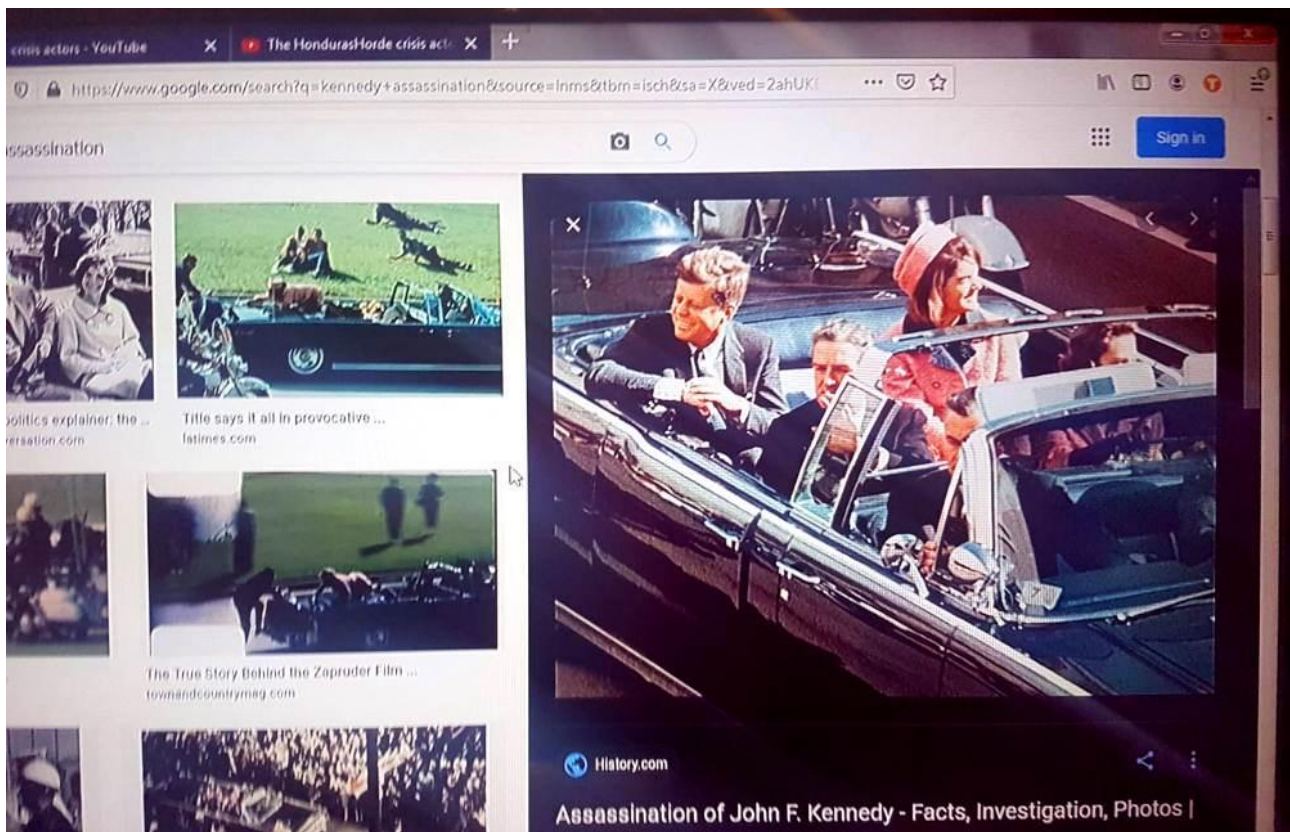

**around the world. Researchers noted that it could just be a coincidence, but there were too many similarities.**

**Princess Delphine of Belgium and Kate Adie reporter.  
Both of these people looked very similar**

**Many researchers found evidence which showed that  
many of these people were actors and invented  
characters and did not exist as real people.**

**Many researchers found evidence which showed that  
many of these people were wearing masks and  
disguises and some were probably full time actors.  
Everything seemed to be a big joke and a drama show.**

**A major event in the 1960's was the so-called assassination of President John F. Kennedy. People all over the world talked much about the Kennedy's at the time. It seemed to be part of a great show at that time. It was big news and it made much money for the media and it kept the people of the world busy at the time.**

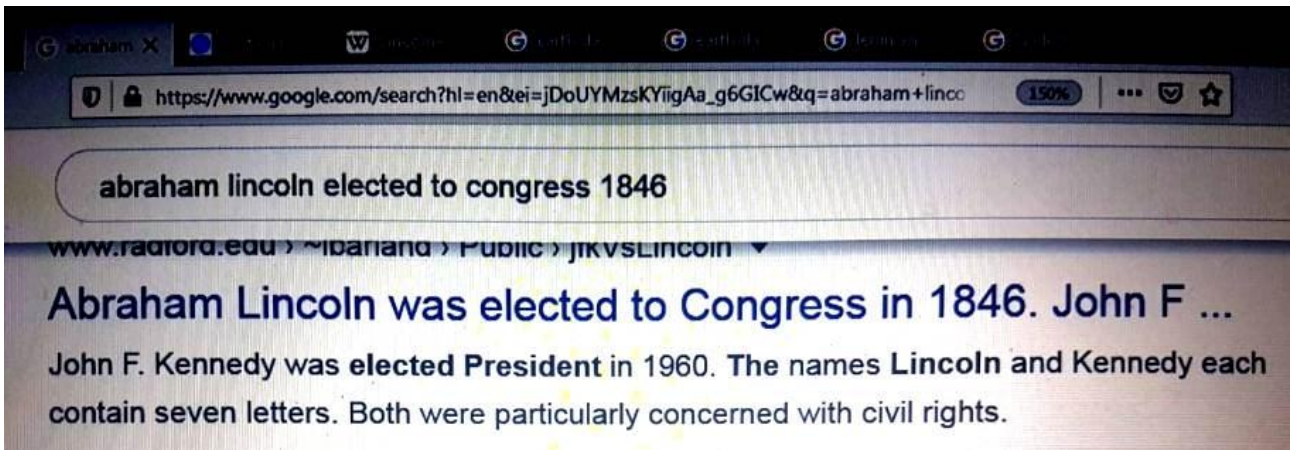

**Researchers examined the matter further and found that much of the world history at the time and before was created fraudulently and deliberately. Evidence showed that the people who organised everything were doing things according to plan.**

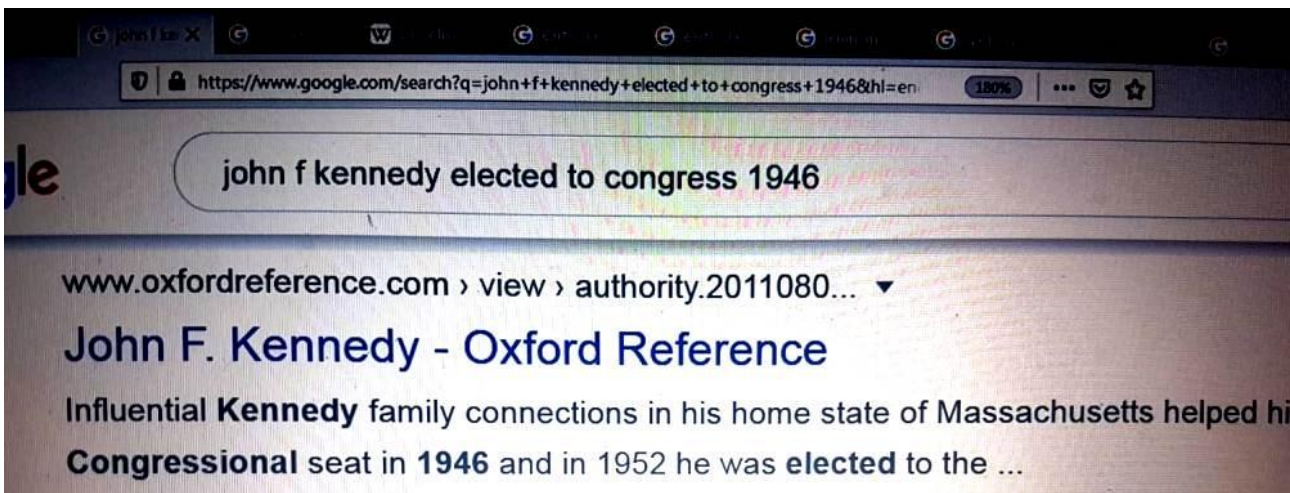

**Many researchers found great similarity in many events between President Abraham Lincoln and President John F. Kennedy.**

**Evidence showed that the story of President Abraham Lincoln was fraudulently created and then duplicated up to a certain extent. This was nothing new. A close examination of world history showed that much of world history was copied and duplicated and fraudulently created.**

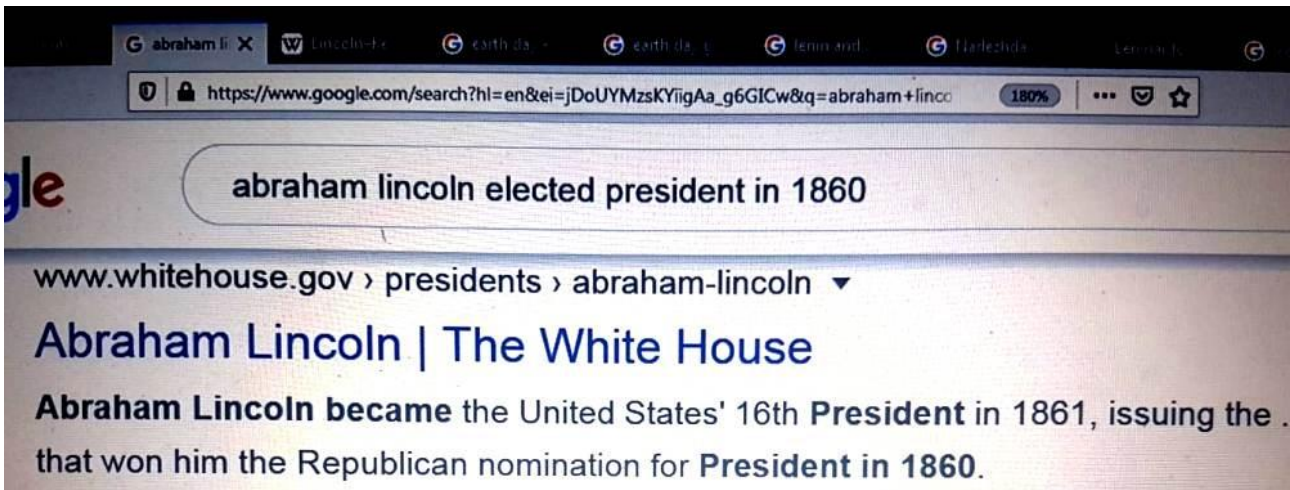

**Regarding President Kennedy, a lot of acting was done and false history was created with many staged events**

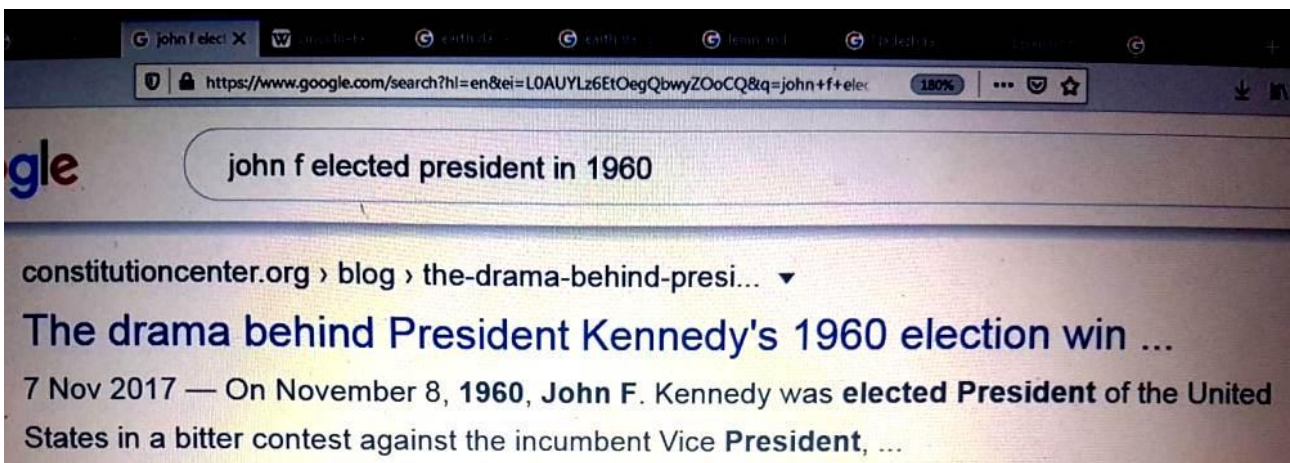

**Abraham Lincoln was allegedly elected to congress in 1846. Researchers found much evidence that the history of Abraham Lincoln and the American Civil War and the American Indian Wars were falsified. They were falsified in order to hide the history of Tartaria, but that is another story, too long to mention here.**

**John F. Kennedy was elected to congress in 1946**

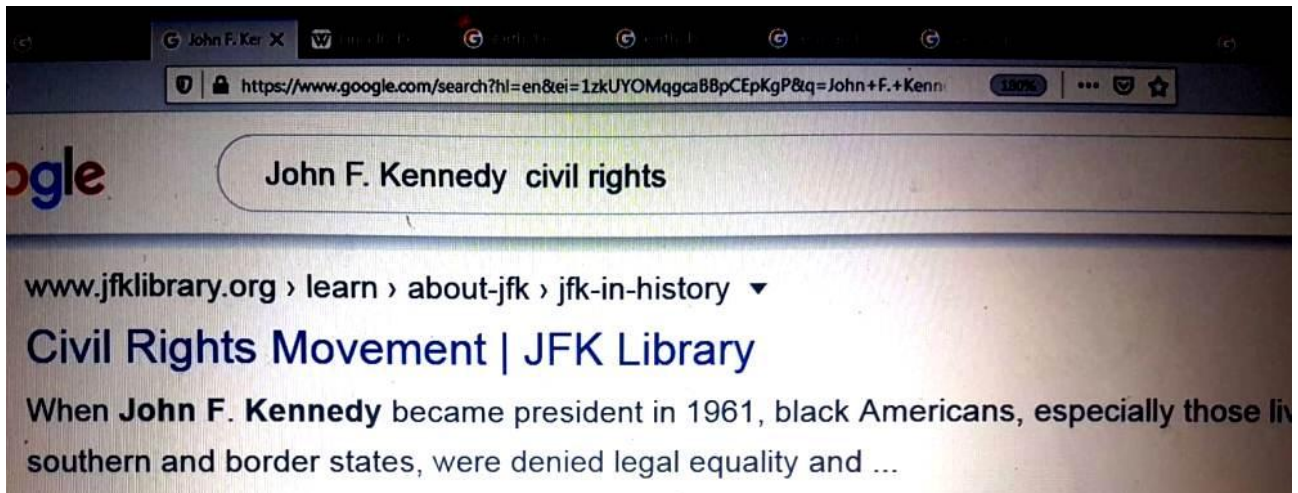

**Abraham Lincoln was allegedly elected to be the President of the United States of America in 1860**

**John F. Kennedy was elected to be the President of the United States of America in 1960**

**Abraham Lincoln was succeeded by Andrew Johnson**

**John F. Kennedy was succeeded by Lyndon B. Johnson**

**President Andrew Johnson was born 1808**

**President Lyndon B. Johnson was born 1908**

**There were many more similarities and copies in events**

**These are an example of the similarities that researchers found. But this was nothing new. Similar things were found in events all around the world.**

**18 years after the death of Tsar Alexander I (1825) - Karl Marx emigrated from Germany (1843) - but 5 years later a revolution takes place in Germany (Revolutions of 1848 in the German states) - Marx quickly returned to Germany for the revolution. The all - German Parliament (Frankfurt Parliament) was established in the city of Frankfurt, but forced to close (by the army) after 1 year - and Germany was at war in 1848 with Denmark (First Schleswig War) over the land dispute - in 1848 the Communist Manifesto (by Karl Marx and Friedrich Engels) was published**

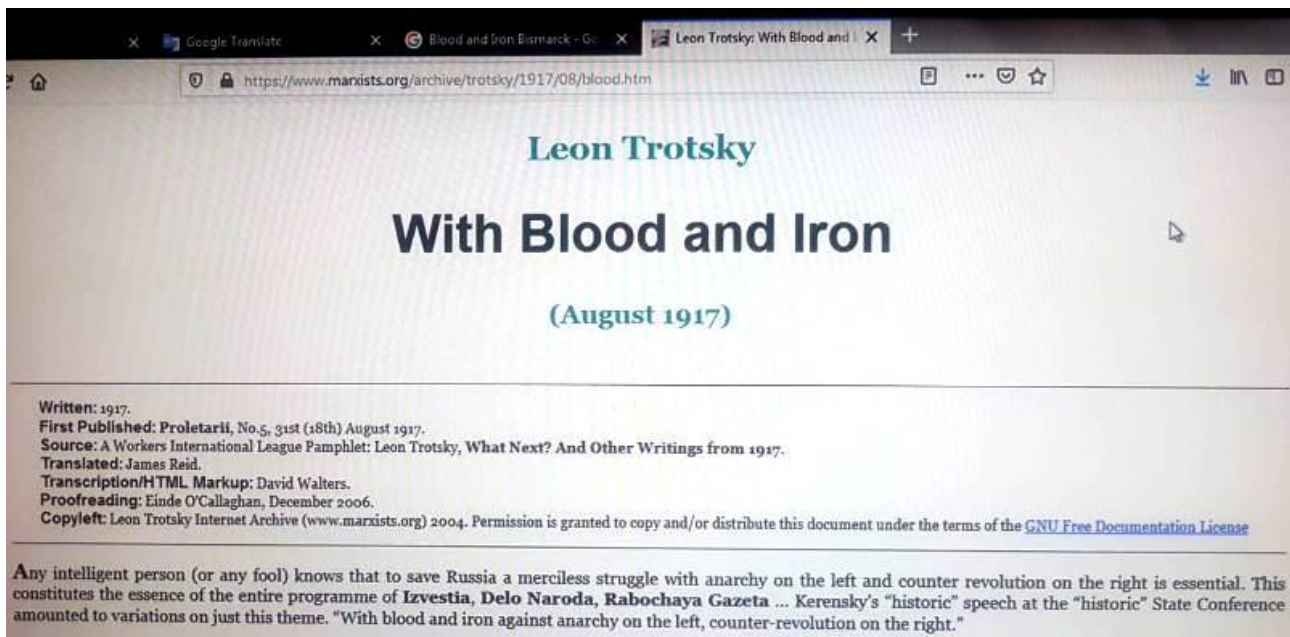

**19 years after the death of Tsar Alexander II (1881) - Vladimir Lenin emigrated from Russia (1900) - but 5 years later a revolution takes place in Russia (1905 Russian Revolution) - Lenin quickly returned to Russia for the revolution. The all - Russian Parliament (State Duma) was established in the city of St Petersburg, but forced to close (by the army) after 1 year - and Russia was at war in 1905 with Japan (Russo-Japanese War) over imperial territorial ambitions - in 1905 the October Manifesto was published**

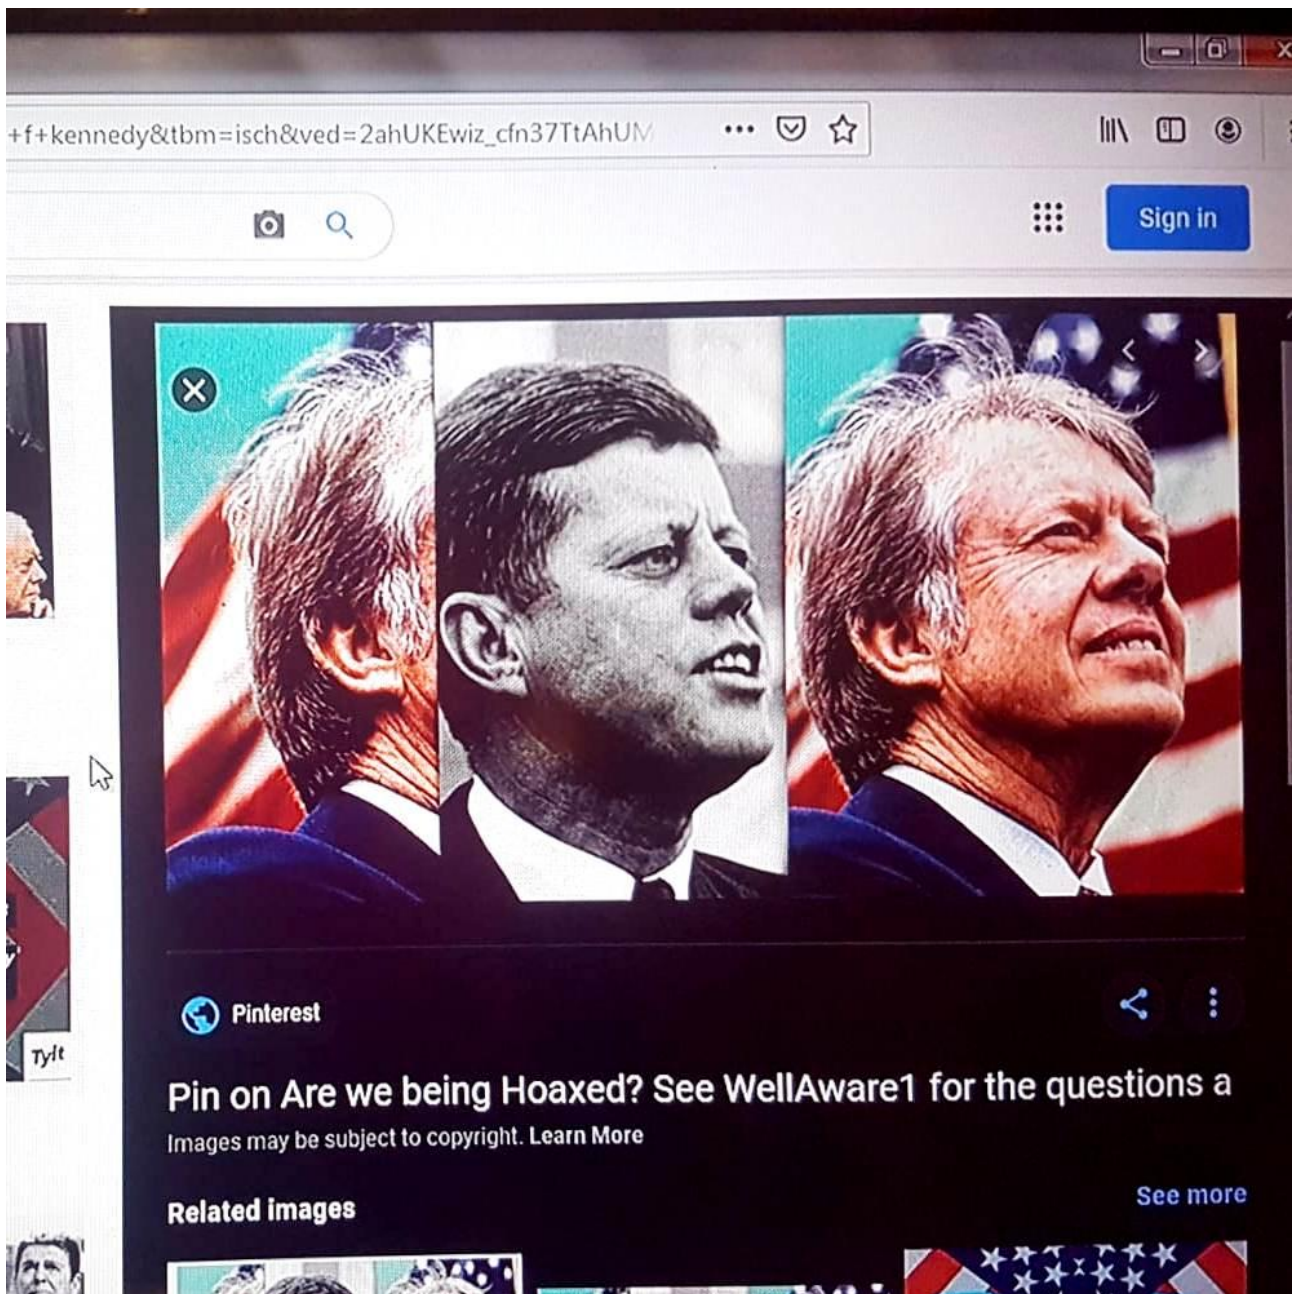

**14 years after the 1848 revolutions - in 1862 - the Prussian government was led by Otto von Bismarck - who declared his dream - the creation of a future state that will include all Germans - the unification of the Germany - Blood and Iron - is the name given to a speech made by Otto von Bismarck in 1862 - within several years Otto von Bismarck united Germany - and the date 1862 has become important in Germany**

**12 years after the 1905 revolution in Russia - in 1917 - the Russian government was led by Vladimir Lenin - who declared his dream - the creation of a state of workers and peasants - Leon Trotsky a friend of Lenin published a document called - with Blood and Iron in 1917 - within several years Vladimir Lenin united Russia - and the date 1917 has become important in Russia**

**Many events were falsified. Other events were clearly duplicated and copied. Other events were staged. It was all like one big show. Evidence showed that events were planned a long time ago, - most probably over a hundred years ago**

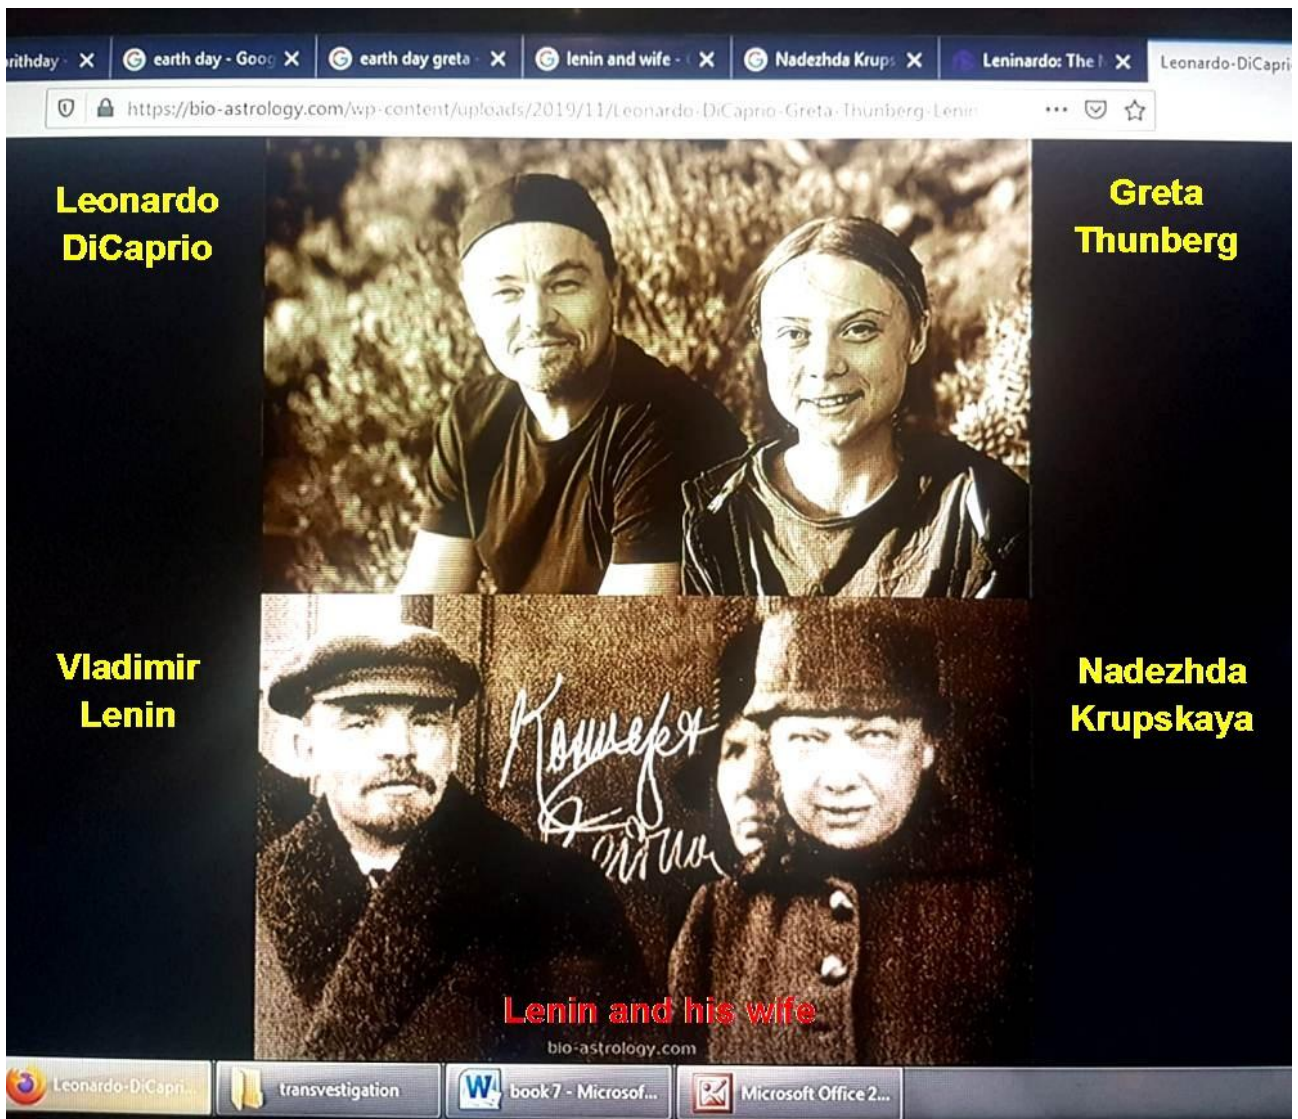

**Did John F. Kennedy really die? There is much evidence to show that the video evidence of the assassination was falsified and that it was a staged event.**

**Photo above - President Jimmy Carter and President John F Kennedy.**

**Both of these people looked very similar**

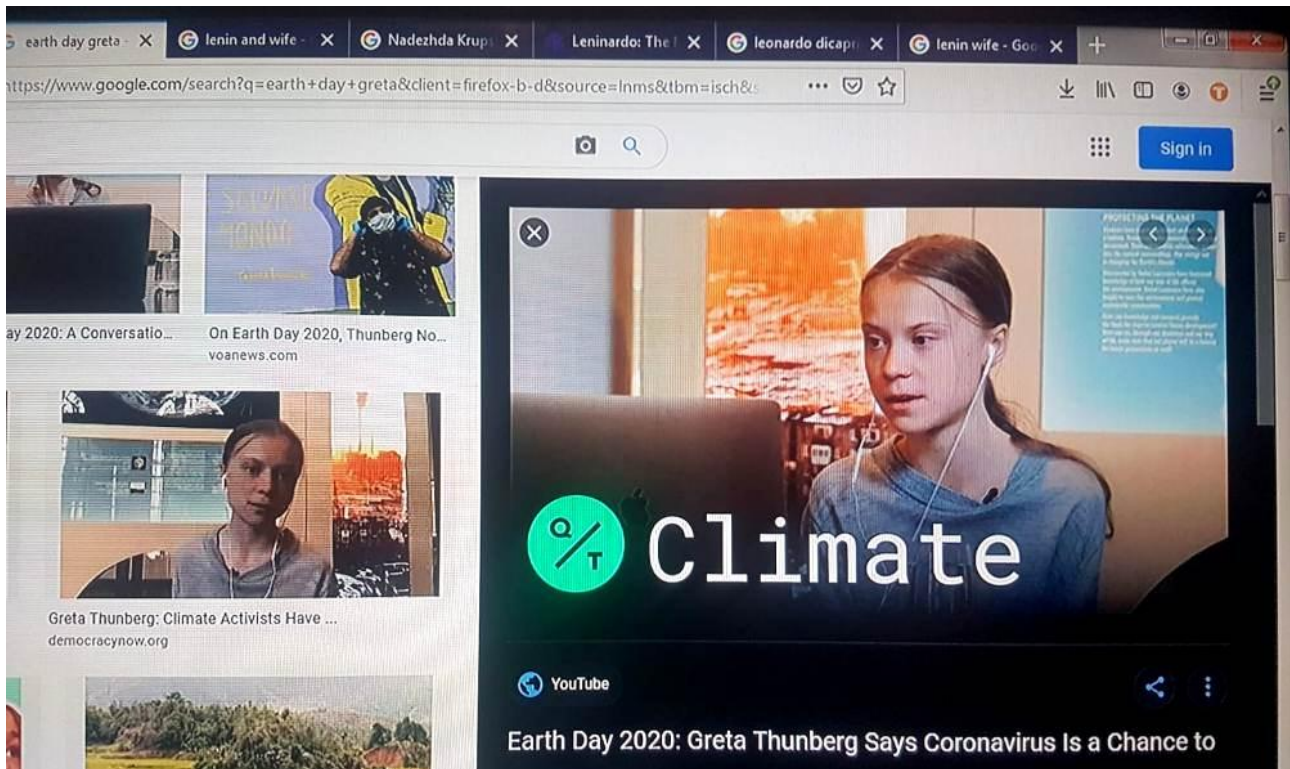

**Who was John F. Kennedy? Was he an actual person?  
Or was his character created and played by an actor?  
These are questions that researchers are investigating**

**The photo above (top): - Leonardo DiCaprio and Greta Thunberg**

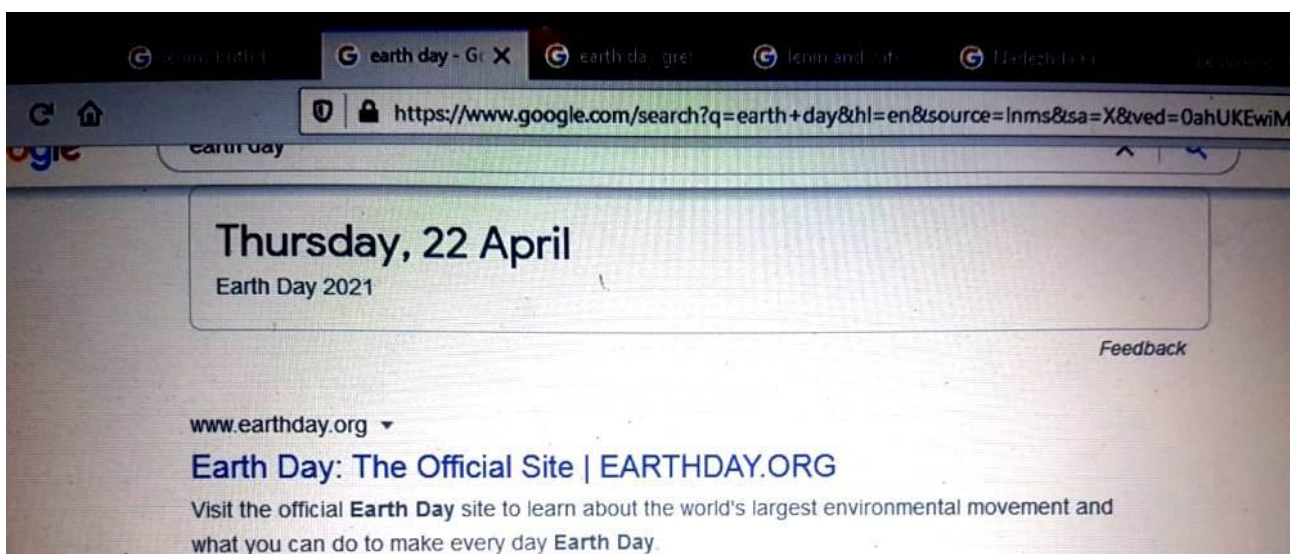

**The photo above (bottom): - Vladimir Lenin and his wife Nadezhda Krupskaya**

**Many people noticed a similarity between the people in the photo above. But it has no meaning or value, because Leonardo DiCaprio and Greta Thunberg are just friends and do not meet each other often. Many researchers are now investigating why these people look similar**

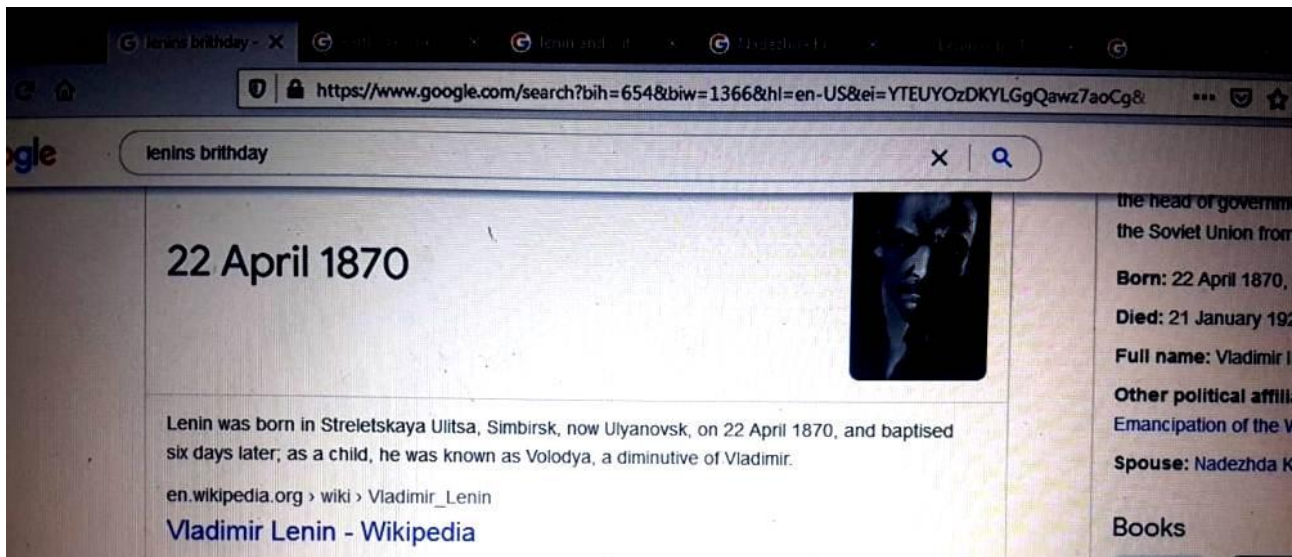

**Greta Thunberg is a so-called activist, who claims she is trying to help the world, and she is supported by the world order media and world politicians.**

**Many researchers found much evidence that she was a creation of the world order.**

**Another important day created by the world order is the so-called Earth Day, which they chose and they created. This day is observed by the world order and advertised by them on April 22**

**April 22 is also the birthday of Vladimir Lenin, who is also another character created by the world order. There is no evidence that Lenin was an actual person and there is no evidence that April 22 was his actual birthday**

**There is evidence that Lenin was a character created by the world order to help destroy the remains of Tartaria in Eastern Europe. The evidence shows that an actor was used to play the character of Lenin, but that is another long story, too long to mention here**

**There was much evidence to show that the history of the world at the time of Lenin and Hitler had been**

**falsified and that many photos were prepared at that time for possible future use.**

**The falsification of history at that time is too long to mention here. Most world events showed evidence that they were organised and staged or fabricated**

**The photo above shows a photo from 1898, which shows a girl who looks similar to Greta Thunberg. The date of the photo cannot be verified. Many researchers are now investigating why these people look similar**

**Many people around the world did not believe that Greta Thunberg was a girl. Many people believe that Greta Thunberg is there to brainwash young people**

**A perfect example to show the brainwashing, is from the words on her clothes that say: - flat Mars society.**

**Many people believe it is there to insult people who believe in the flat earth, and to influence young people: against the idea of a flat earth**

**The people who are managing the promotion of Greta Thunberg, they know that such words will influence the next generation, according the wishes of the world order. It all seemed part of the plan**

**Every year, an estimated 9 to 10 million people die just from starvation. Millions more people get diseases from the shortage of food. That is an estimated 100 million people in 10 years. 200 million people in 20 years. The world order is keeping the people of the world occupied with many distractions, away from more serious issues compared to climate change**

**Many people around the world are worried that climate change can be forced and artificially created. The world order is known for weather modification. People around the world see chemicals being sprayed regularly in the sky.**

**People such as Bill Gates and others have stated that they would like to block sunlight by spraying chemicals in the air. Now this sounds very crazy and suspicious**

**What if the world order is telling lies?**

**What if there was a message from Tartaria a few centuries ago regarding the weather?**

**What if the world order is trying to hide messages about the climate preserved from the history of Tartaria?**

**What if they want you to believe that they will block out sunlight but it is not them doing it? But, - they want to take credit for this matter. What if this is the truth?**

**Is there such a message from the past that the world order is trying to hide?**

**Photo above - Melinda Gates and Kevin Kline  
These people looked very similar**

**Melinda Gates - wife of Bill Gates and pro-vaccination**

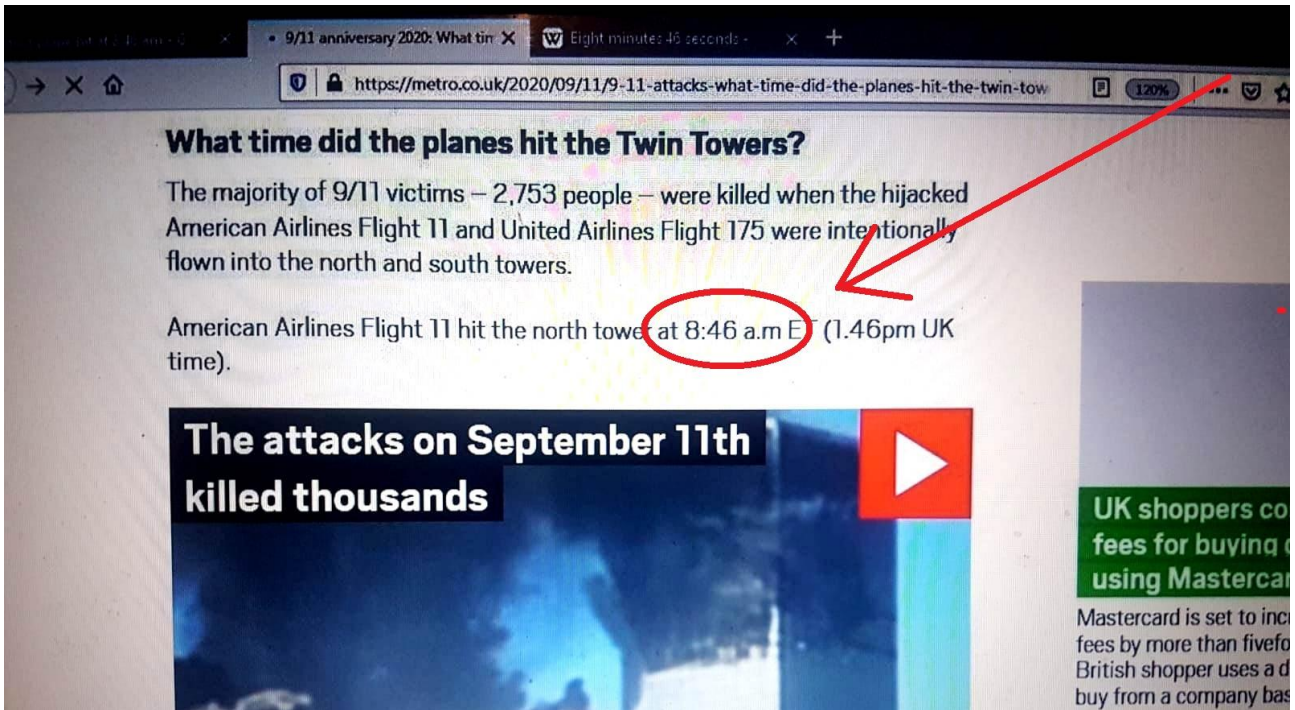

**Brandy Vaughan - founder of an anti-vaccination group.  
These people looked very similar**

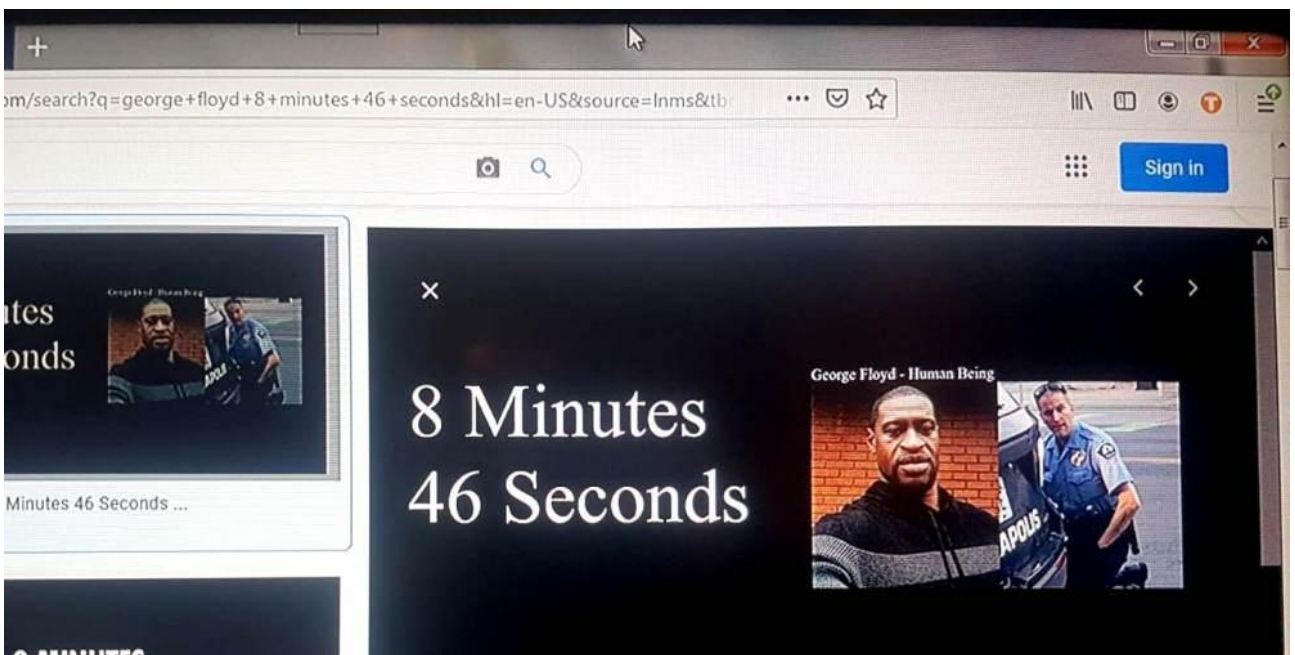

**Many researchers believe that the world order is trying to control both sides. Whenever there is a crisis, researchers found that heroes or leaders turned up very fast, to take control of any situation. In this way, people think that someone is fighting for their cause**

**But, in this way, public opinion and movements and protests can be controlled. When protests are controlled, they can be destroyed, and therefore most protests achieve nothing. Some protests are created on purpose by the world order and they do achieve something, because they were created to appear in that way**

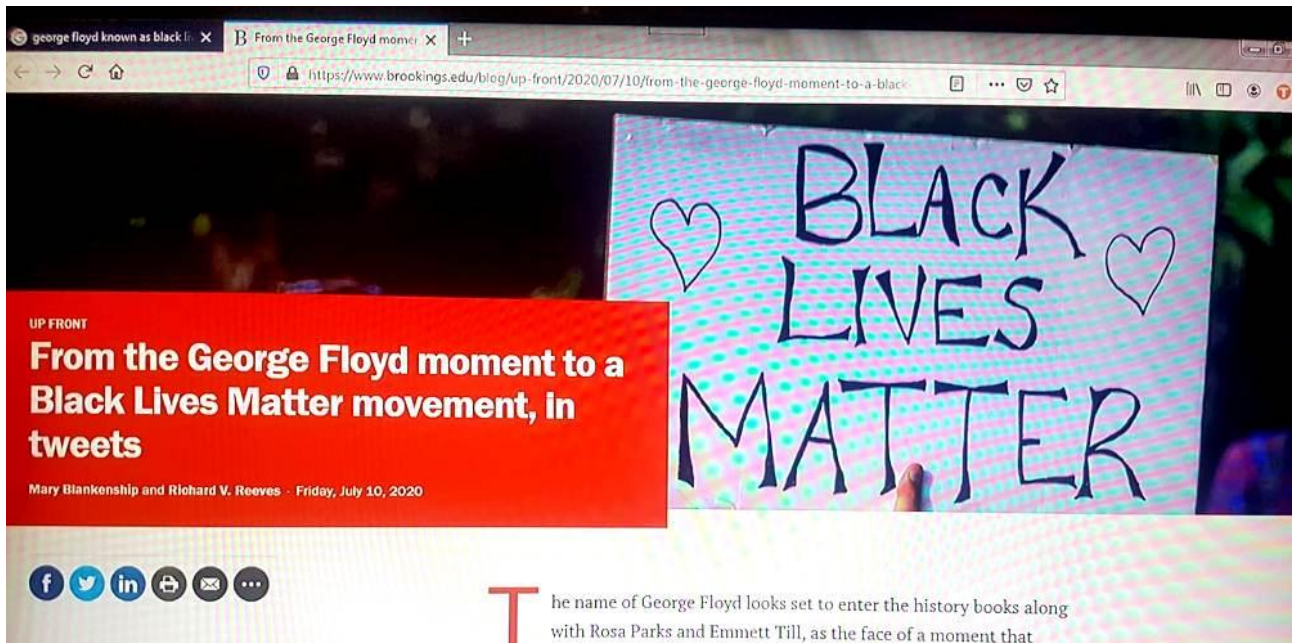

**It was all like a game and a show. All controlled and created to distract people and keep them busy**

**The September 11, 2001 New York attacks started at 8.46 am in the morning. Many researchers have shown that this event was clearly planned and organised by the world order.**

**The symbol for the George Floyd protests in 2020 was known as 8 minutes 46 seconds**

**Many organisations were involved in the 2020 protests which spread around the world**

**Many reports were available of famous people paying for the release of protestors who had been arrested.**

**Who do these famous people work for?**

**What made them pay money?**

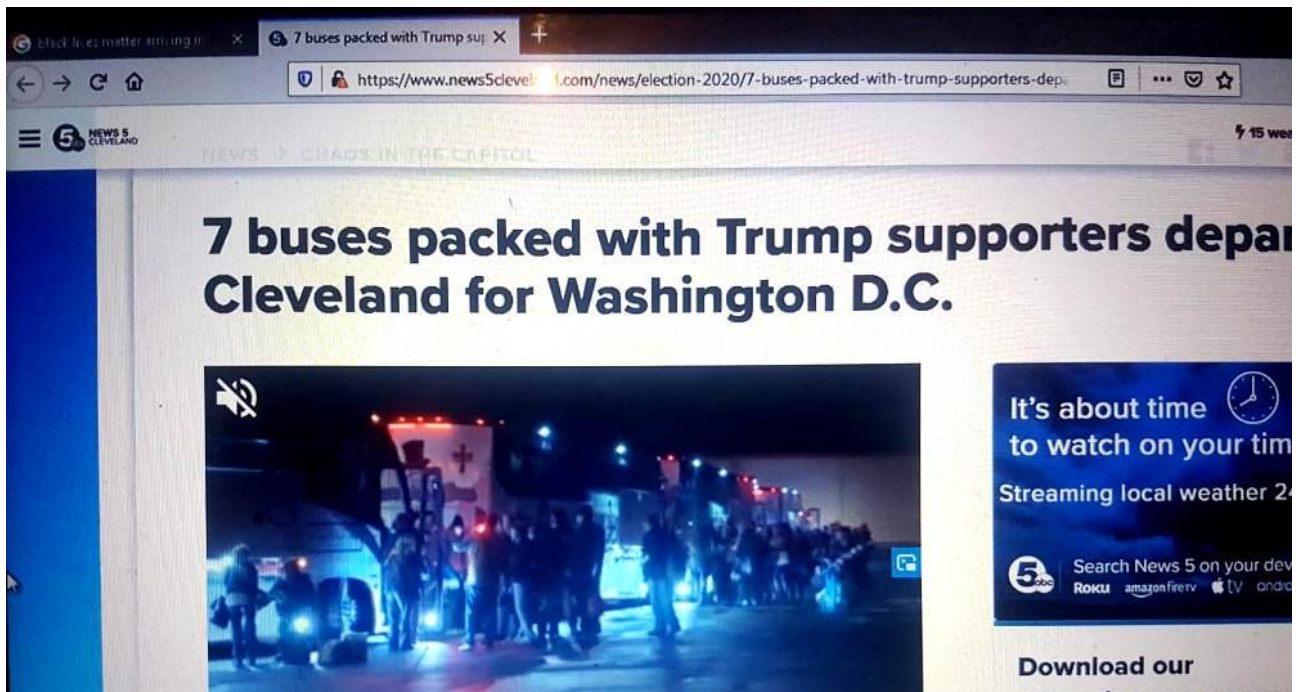

**Many protests became violent.**

**Bricks mysteriously appeared in many protests locations in America in 2020. It also seemed to be part of a greater plan. The bricks caused damage property and caused violence.**

**The only way to stop such violence was to identify the bad people. The only way to identify bad people is if everyone has microchips in their body**

**Some of the bricks found were very suspicious. It was clear that many bricks had been placed in protest locations on purpose. Many of the people who were involved in damaging property seemed to be trained professionals. This was clear in many of the protests.**

**Many protests take place around the world every year. In most protests, people can be seen coming from other places by bus. Many protestors came from other cities.**

**Many local people were also involved in protests in their cities also.**

**It was clear that protests were organised. When were the buses reserved?**

**These buses were obviously reserved before the protests. Who paid for these buses?**

**Buses with people arriving were seen in Black Lives Matter protests and in pro-Trump protests and in Charlie Hebdo protests.**

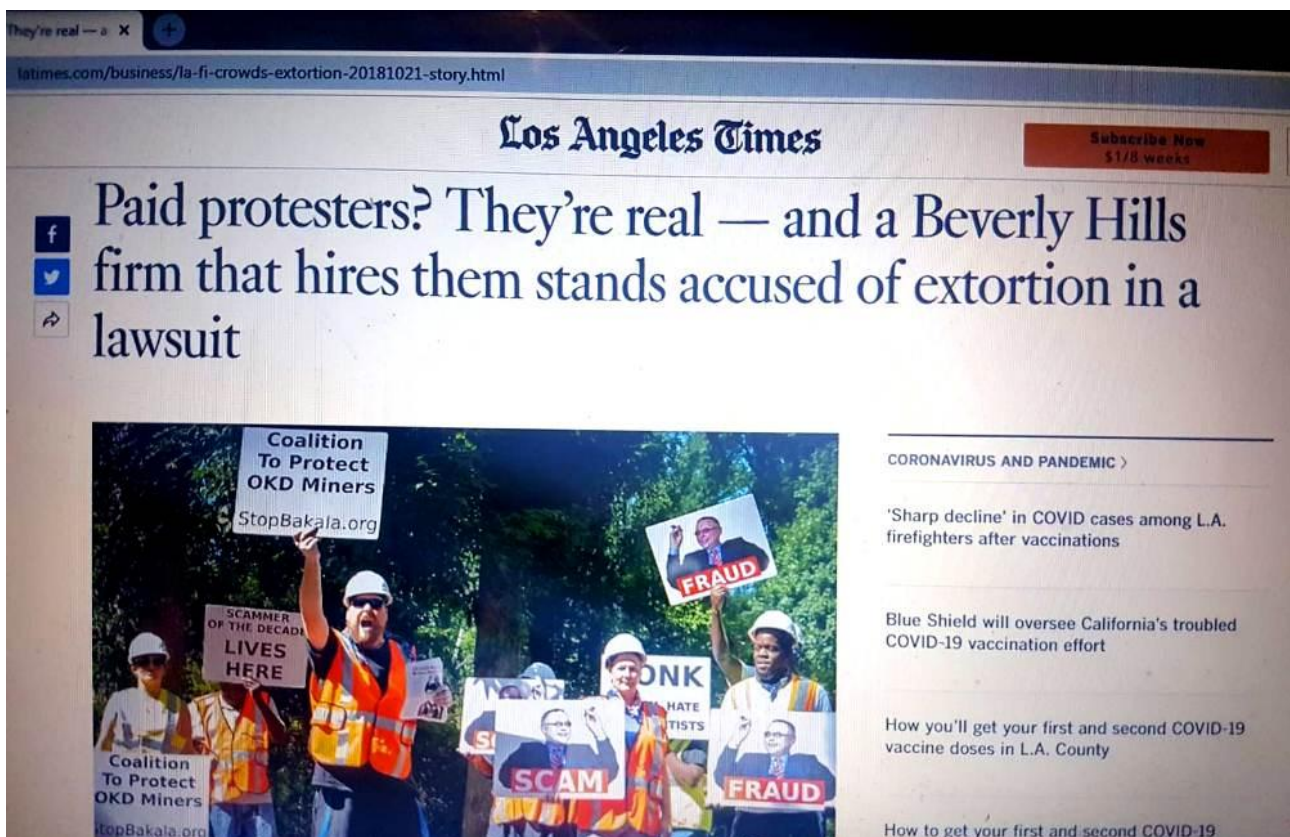

**Who organised which people will get on which bus?  
Who organised when they will meet and where they will meet? Who paid for such things?**

**Many people who came in the buses in many different protests were members of legally registered organisations. These organisations are normally funded by private individuals and it is totally legal. Many workers in these organisations get paid for the work**

that they do. Many protesters are organised by these organisations. These organisations are paid for what they do. Many people call this payment: - donations

There have been many reports in the last 100 years that many protests and events were organised and protestors had been paid. Many protestors of course did not get paid and came because they believed in something or they wanted to see what was going on and joined the protests.

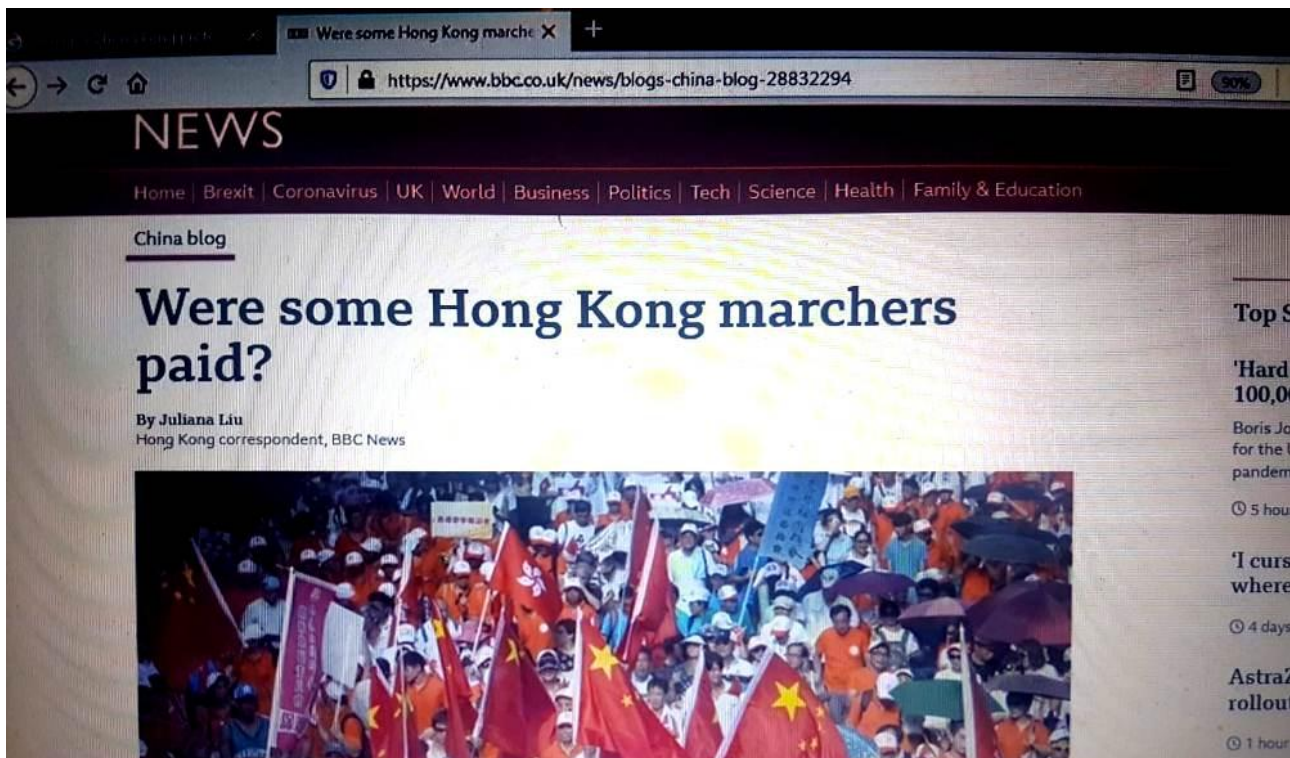

Researchers found evidence worldwide that many protests were organised and staged events.

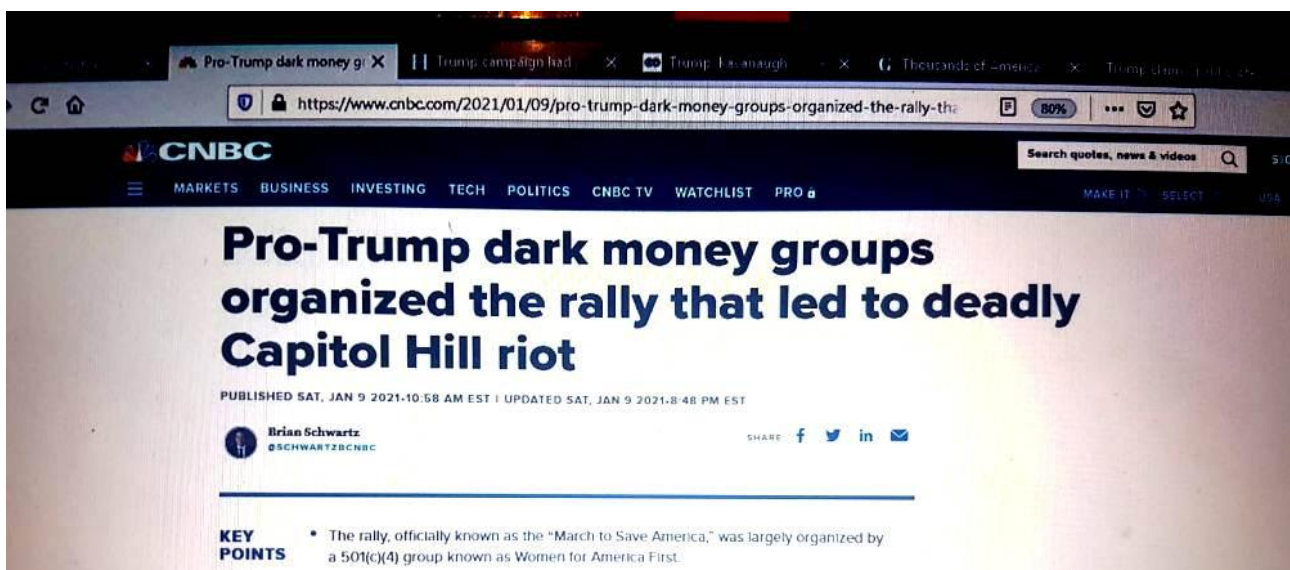

**But who was organising these protests in the first place?**

**Many world leaders stated that many protesters were being paid.**

**Many ordinary people joined in the protests without knowing that they were organised and staged events, which are controlled and achieve nothing at the end.**

**Who was organising these events?**

**There was much evidence that these events worldwide in the last 100 years were organised on purpose. Were they organised to keep the people of the world busy? While the people of the world are busy and distracted, a new world order is slowly taking over**

**Many researchers found evidence to suggest that many protesters were actually actors.**

**These events happened all the time, again and again, every year in many parts of the world and they did not achieve much. But these events kept the people of the world busy and distracted**

**Within hours of the Charlie Hebdo shootings in 2015, thousands of people gathered for demonstrations in French cities in support of Charlie Hebdo.**

**Demonstrations supporting Charlie Hebdo spread throughout Europe and the world and millions of people took part in them.**

**Nikolai Starikov, the former leader of the Great Fatherland Party of Russia spoke about the Charlie Hebdo shootings and demonstrations.**

**He pointed out that to bring a few million people out onto the streets at such short notice was a very difficult task and must have been organised carefully and planned by the French state.**

**He stated that it was clear that they must have been planned even before the Charlie Hebdo shootings took place.**

**What did the 911 protests achieve? Many researchers believe that nothing was achieved because the people did not find the truth and the movement was stolen and destroyed and forgotten**

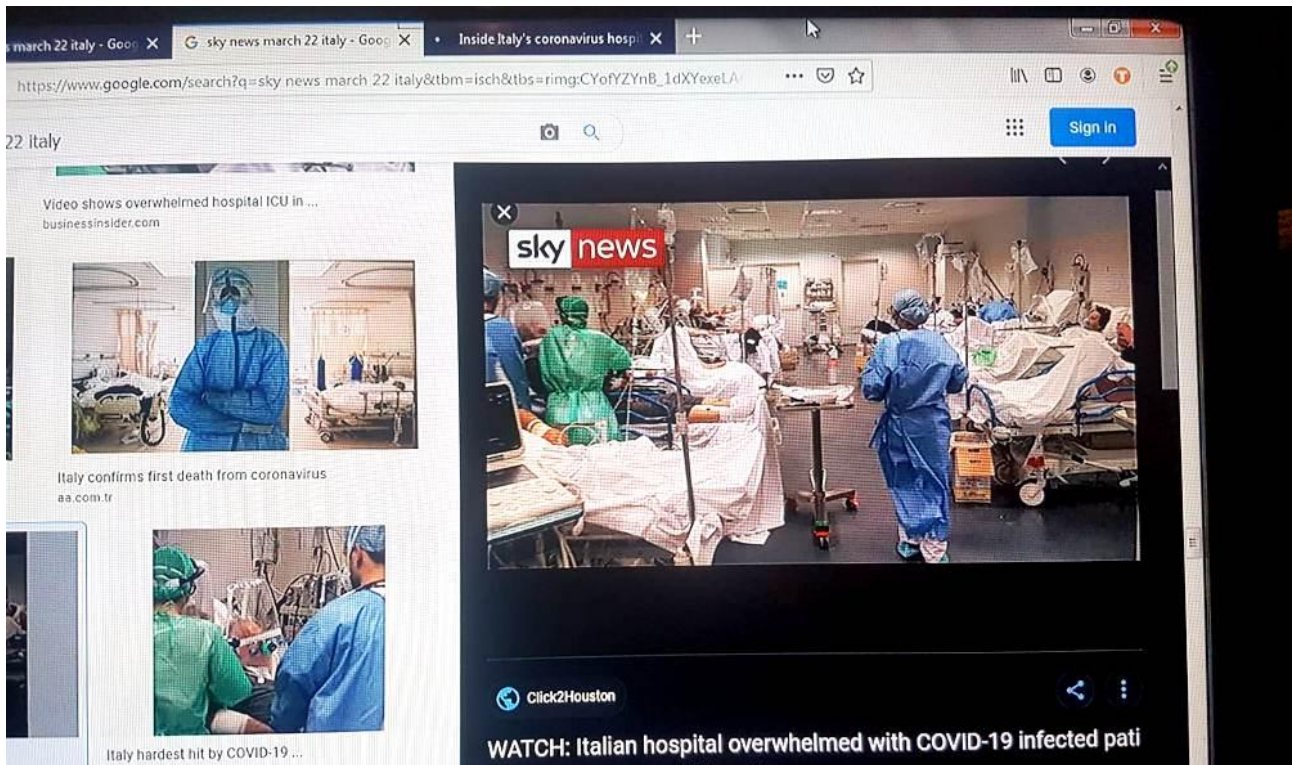

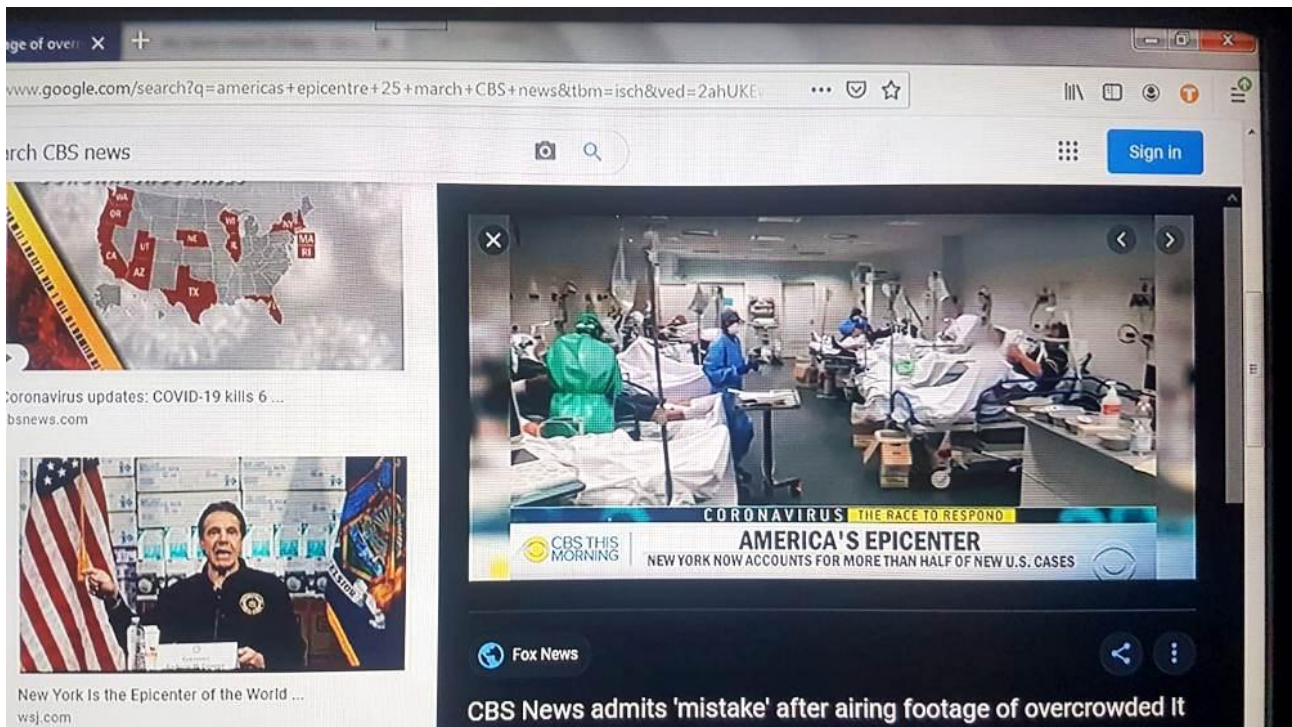

**These protests seemed to be very common after the fall and collapse of the old world order, - known as Tartaria.**

**Everything seemed to be planned as if it is was a drama show to keep the people of the world busy.**

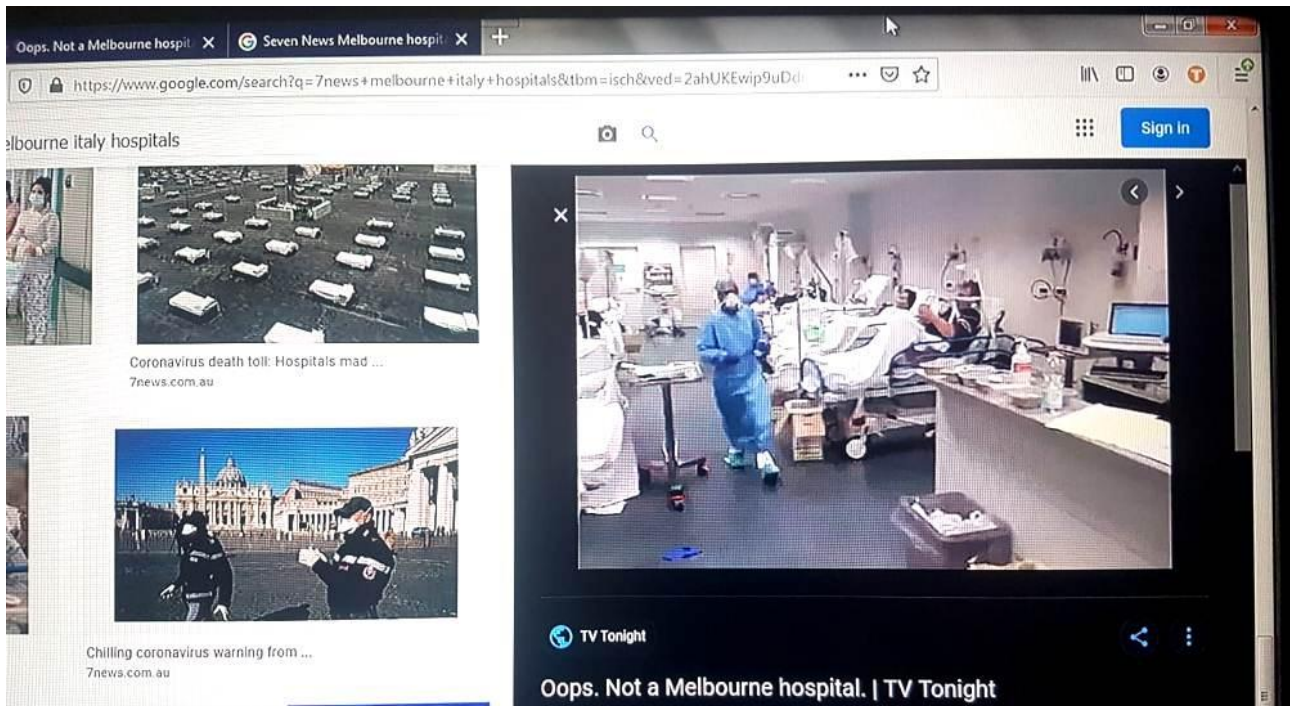

**The media, television, news, events, politics: - everything seemed like a big joke**

**In March 2020, Sky News in England, showed a hospital and said this place was in Italy.**

**In March 2020, CBS News in America showed the same hospital and said it was in New York**

**In July 2020, Seven News (7News) in Australia showed the same hospital and said it was in Melbourne**

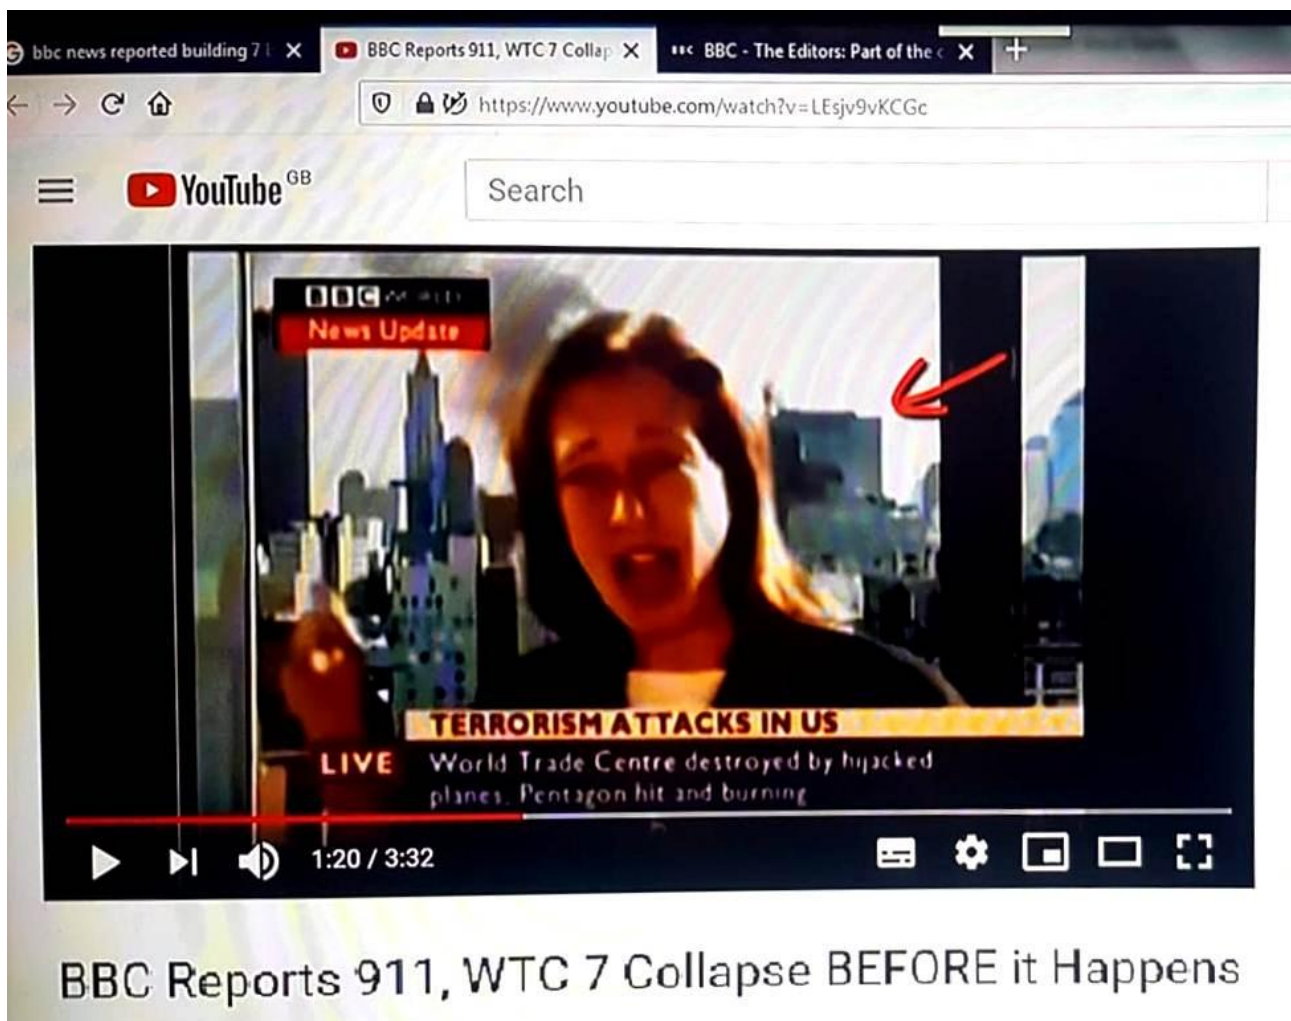

**Who knows in how many other countries this was copied. Did anyone take legal action for copyright?**

**Many people in the world have had legal charges against them because of copyright laws. Many researchers found much evidence that the media was just a tool of the world order.**

**Here we can see suspicious news being reported by the world media in 3 different parts of the world**

**The media was very suspicious. What really happened on September 11, 2001? And also there was another building that mysteriously collapsed on September 11,**

**called World Trade Center 7 - Building 7 - WTC 7. No planes hit this building and it strangely collapsed.**

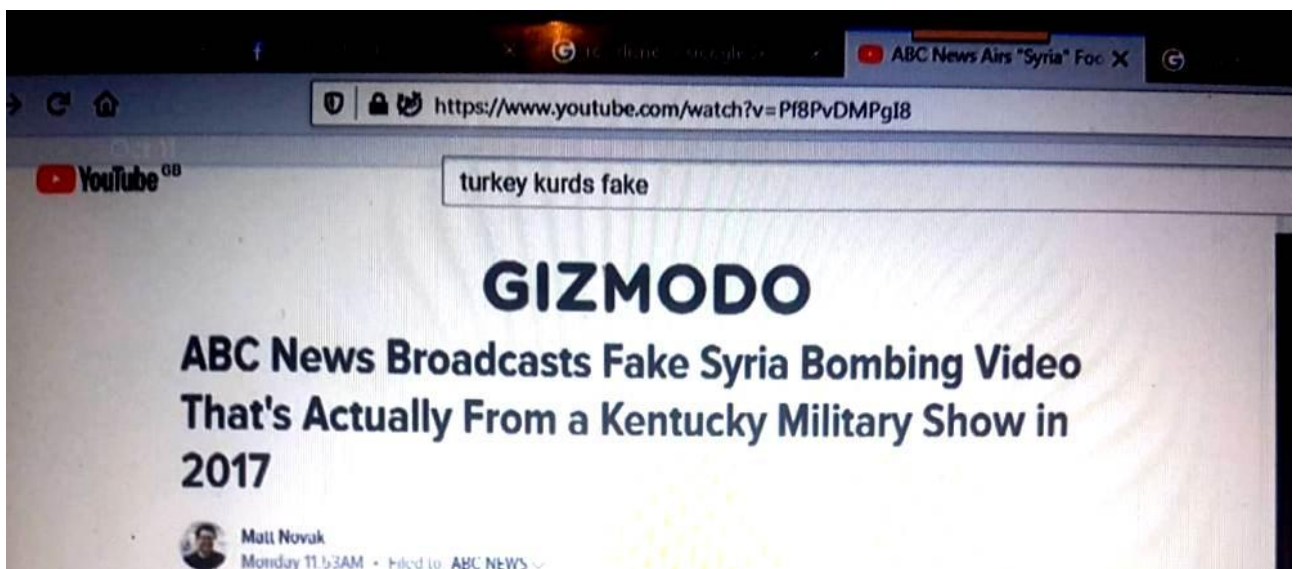

**What was very strange was that some media channels, reported that Building 7 had collapsed, even before it really happened. The photo above shows Building 7**

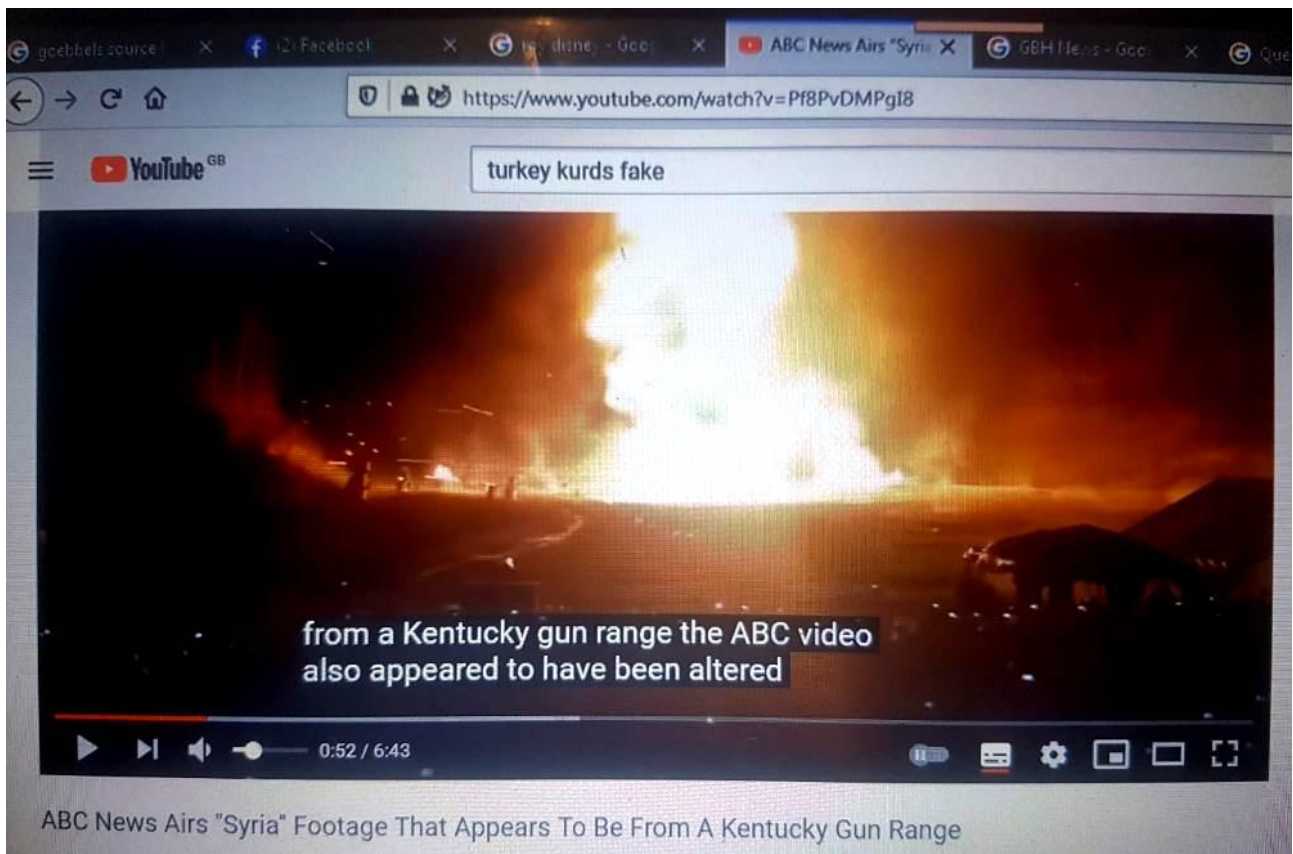

**Wow, the media news channels can be so amazing. They can know the future even before it happens. They can only know the future if they are working for the people who create such events. This was evidence that these events were planned, and the media was working for the people who organised such events**

**In 2019 ABC News of America was caught showing fake news of the war in Syria.**

**It had copied a video from a 2017 military show in Kentucky**

**These things are called mistakes and errors by these media organisations. But researchers noticed that the video was edited and modified. Millions of people watch these media channels.**

**The video was modified. This is not a joke. They lied about a war, about people in war. This is a very big matter. This is clear evidence that they are creating fake videos and reporting serious lies in the media. How many fake reports and fake videos has the media shown in the last 100 years?**

**The people of the world are kept busy with little time to investigate such things. But, - the evidence shows that the media is part of the show.**

**In the photo above a man is injured in Syria**

**A few seconds later, this man takes a photo with friends. Evidence showed that big organisations from Europe and America were spending millions of dollars**

**to create fake videos for the world media. Many politicians of course denied they had any links to such things**

**The media channels showed that planes were involved in September 11.**

**If media channels can falsify news and falsify video evidence: - they can easily add planes to the September 11 videos**

**If media channels can falsify news and falsify video evidence: - they could have falsified the moon landings**

**If media channels can falsify news and falsify video evidence: - they could have falsified the assassination of John F. Kennedy**

**If media channels can falsify news and falsify video evidence: - they could have falsified everything**

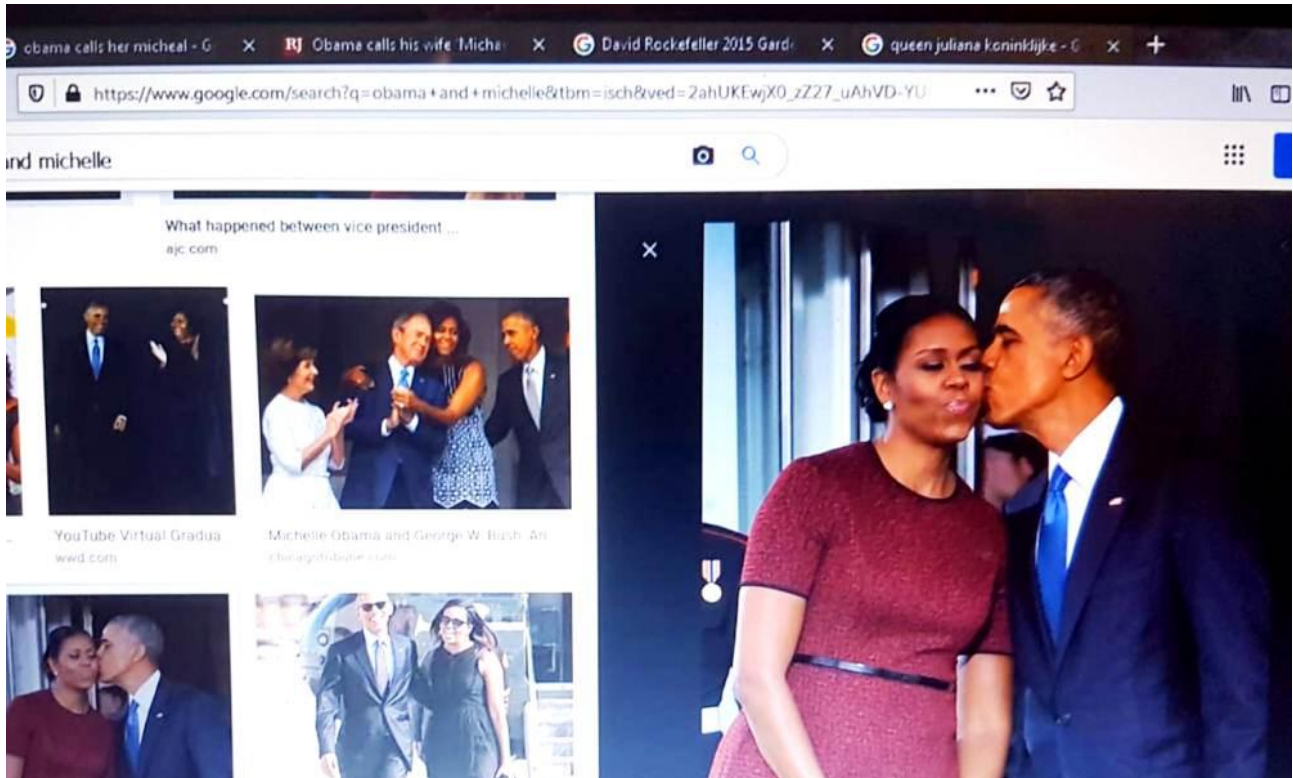

**There seemed to be many lies everywhere. Lies in history and geography and science. Everything in life seemed to be a lie**

**Nothing seemed to make sense. It all seemed like a big fraud. A big scam. Who are the people that came to power after the fall of Great Tartaria?**

**Below are photos of some very powerful women in the last 200 years. Many people around the world believe that they are not women, but are actually men**

**Queen Louise of Sweden**

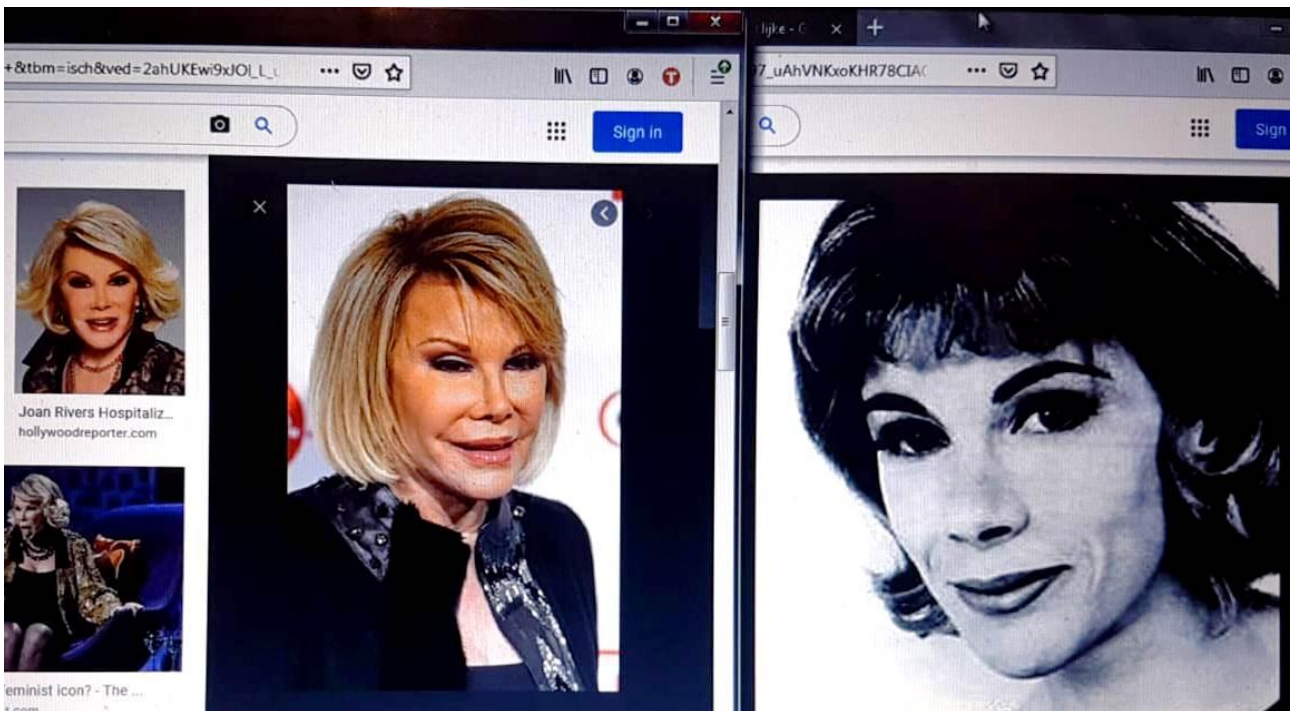

## President Barack Obama and his wife Michelle

**There were many reports that President Barack Obama called his wife: "Micheal" in 2011**

**Many people around the world stated that Michelle Obama looks like a man. For example in 2014, Joan Rivers said that Michelle Obama is a tranny.**

**Joan Rivers was part of the American Media and was an actress. Many people around the world said that Joan Rivers also looked like a man**

**Consuelo Vanderbilt, Duchess of Marlborough**

**Andrea Jung - so called non-profit leader, and women's rights activist. Ex CEO of Grameen Bank and Avon**

**There were thousands of powerful women all over the world in the last 150 years who looked different from normal women. Millions of people around the world have claimed that these women are actually men. Many people have started an investigation to see if these women are actually men.**

**This type of research is now called transvestigation**

**Many powerful people looked similar. Researchers are now investigating why this might be the case. It is a coincidence if a few people looked similar, but researchers found hundreds of similarities**

**Our modern world is full of secret societies and organisations. Many people around the world are trying to understand the bigger secrets of these organisations. Every time people wake up, they make the mistake of following fake leaders who achieve nothing.**

**President John F. Kennedy is reported to have said: -**

**The very word "secrecy" is repugnant (unacceptable) in a free and open society; and we are as a people inherently and historically opposed to secret societies, to secret oaths and secret proceedings**

**In America at the time of John F. Kennedy, there were many protests and many people were looking for the truth. There were protests regarding freedom and civil rights and many other issues**

**At that time, leaders turned up everywhere and took control over these movements and protests. It is no wonder that John F. Kennedy said these words. And what did John F. Kennedy and the millions of people who followed him achieve?**

**The secret societies and groups remain today. Nothing changed. Most of these organisations and groups are working to build a new world order. Many of the people at the higher organisations are in control of fake corporations and fake politicians**

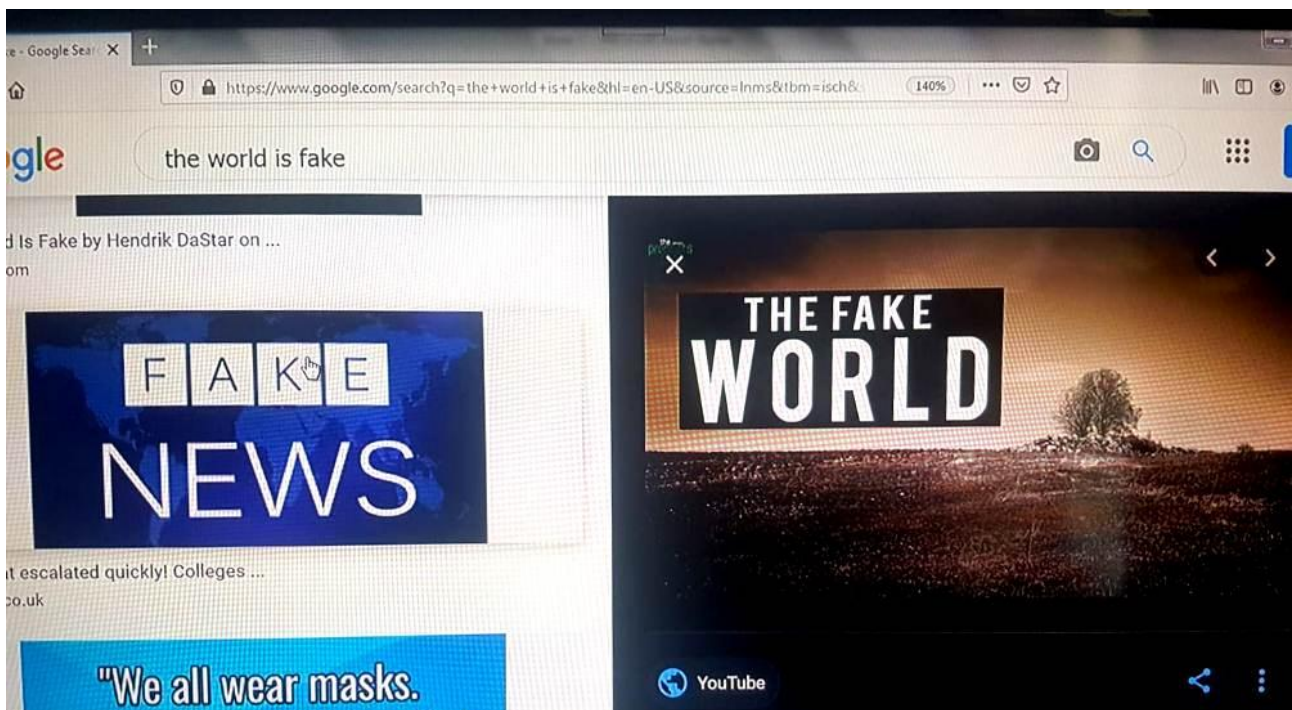

**The people found at the lower end of these groups and organisations, many of them get financial benefits. Many of them are members of so called human rights organisations. Many of them are in local groups. Most of them believe that they are doing good things for their local communities and are building a better society**

**Many good people in many cities worldwide have joined secret societies and organisations, but they have not examined what is going on worldwide in the last few centuries**

**But when the whole world is examined from the top to the bottom, - and the false world history is taken into account: - people realise that they are just a tool of a global agenda.**

**What are the secrets that they are hiding at the top?  
Why do they hide things?**

**Who are these people that are hiding things?**

**These questions are very serious**

**Millions of people want answers about world history and about what is really going on. Many people are searching very hard and paying lots of money for the truth. Why are they doing this? Because many people: -**

**People want to know who we are**

**People want to know where we came from**

**People want to know the purpose of life**

**People want to know why we are alive**

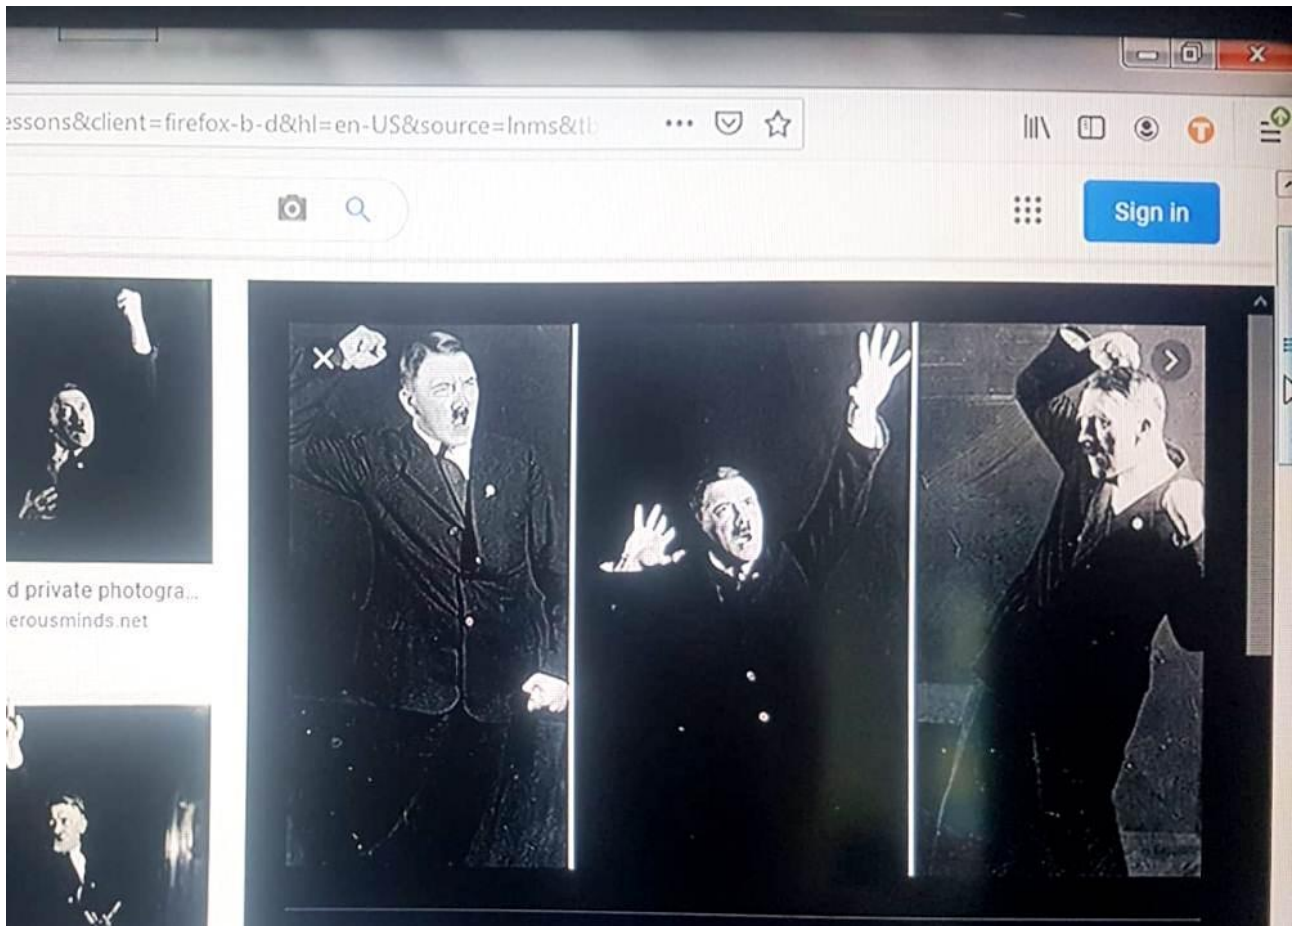

**People want to know where we will go after we die**

**People do not believe the stories they are told in school that humans may have evolved from monkeys.**

**Researchers noted that world history was full of lies. World history was written by the people in power. The history of today is written by the people in power. The people in power are promoted in the media. The media is controlled by the people in power. Television is the number one place to see the media. Television is full of political news shows and drama shows with actors.**

**What is acting?**

**Actors are normally seen on stage and in television these days. Our television shows 2 major kinds of people. One type of people is actors and the other type is politicians.**

**In the photo above is Adolf Hitler the leader of Nazi Germany. He is having acting lessons.**

**Are politicians actors also?**

**Is everything in the world just a big show to keep everyone busy?**

**There is much evidence to show that much of world history has been falsified with actors**

The **Battle of the Little Bighorn**, known to the Lakota and other Plains Indians as the **Battle of the Greasy Grass**<sup>[10]</sup> and also commonly referred to as **Custer's Last Stand**, was an armed engagement between combined forces of the Lakota, Northern Cheyenne, and Arapaho tribes and the 7th Cavalry Regiment of the United States Army. The battle, which resulted in the defeat of U.S. forces, was the most significant action of the Great Sioux War of 1876. It took place on June 25–26, 1876, along the Little Bighorn River in the Crow Indian Reservation in southeastern Montana Territory.<sup>[11]</sup>

The fight was an overwhelming victory for the Lakota, Northern Cheyenne, and Arapaho, who were led by several major war leaders, including Crazy Horse and Chief Gall, and had been inspired by the visions of Sitting Bull (*Tháŋŋka Íyotake*). The U.S. 7th Cavalry, a force of 700 men, suffered a major defeat while under the command of Lieutenant Colonel George Armstrong Custer (formerly a brevetted

The **Battle of the Little Bighorn** was the most successful action fought by the American Indians against the United States Army in the West. It was part of the Campaign of 1876, an effort by the United States Government to force the Sioux tribes onto their Reservations.

## One of the Indians who fought at this battle was a man known as Flying Hawk

The page content includes a paragraph about Flying Hawk's life and a portrait of him in traditional Lakota attire.

**Flying Hawk** (Oglala Lakota: *Čhetán Kinyán* in Standard Lakota Orthography; also known as Moses Flying Hawk; March 1854 – December 24, 1931) was an Oglala Lakota warrior, historian, educator and philosopher. Flying Hawk's life chronicles the history of the Oglala Lakota people through the 19th and early 20th centuries, as he fought to deflect the worst effects of white rule; educate his people and preserve sacred Oglala Lakota land and heritage. Chief Flying Hawk was a combatant in Red Cloud's War and in nearly all of the fights with the U.S. Army during the Great Sioux War of 1876. He fought alongside his first cousin Crazy Horse and his brothers Kicking Bear and Black Fox II in the Battle of the Little Big Horn in 1876, and was present at the death of Crazy Horse in 1877 and the Wounded Knee Massacre of 1890. Chief Flying Hawk was one of the five

# A major soldier in the American Civil War 1863-65 and in the Indian Wars 1868-72 was a very famous man named Buffalo Bill

Below is a photo of Flying Hawk and Buffalo Bill in 1915

**Researchers found it strange to see people from opposite sides who killed each other - together in such a friendly photo.**

**Main article: Buffalo Bill**

In 1883, *Buffalo Bill's Wild West* was founded in North Platte, Nebraska when Buffalo Bill Cody turned his real life adventure into the first outdoor western show.<sup>[8]</sup> The show's publicist Arizona John Burke employed innovating techniques at the time, such as celebrity endorsements, press kits, publicity stunts, op-ed articles, billboards and product licensing, that contributed to the success and popularity of the show.<sup>[9]</sup>

*Buffalo Bill's Wild West* toured Europe eight times, the first four tours between 1887 and 1892, and the last four from 1902 to 1906.<sup>[10]</sup> The first tour was in 1887 as part of the American Exhibition, which coincided with the Golden Jubilee of Queen Victoria.<sup>[11]</sup> The Prince of Wales, later King Edward VII, requested a private preview of the *Wild West* performance; he was impressed enough to arrange a command performance for Queen Victoria. The Queen enjoyed the show and meeting the performers, setting the stage for another command performance on June 20, 1887, for her Jubilee guests. Royalty from all over Europe attended, including the future Kaiser Wilhelm II and the future King George V.<sup>[12]</sup> *Buffalo Bill's Wild West* closed its successful London run in October 1887 after more than 300 performances, with more than 2.5 million tickets sold.<sup>[13]</sup> The tour made stops in Birmingham and Manchester before returning to the United States in May 1888 for a short summer tour.

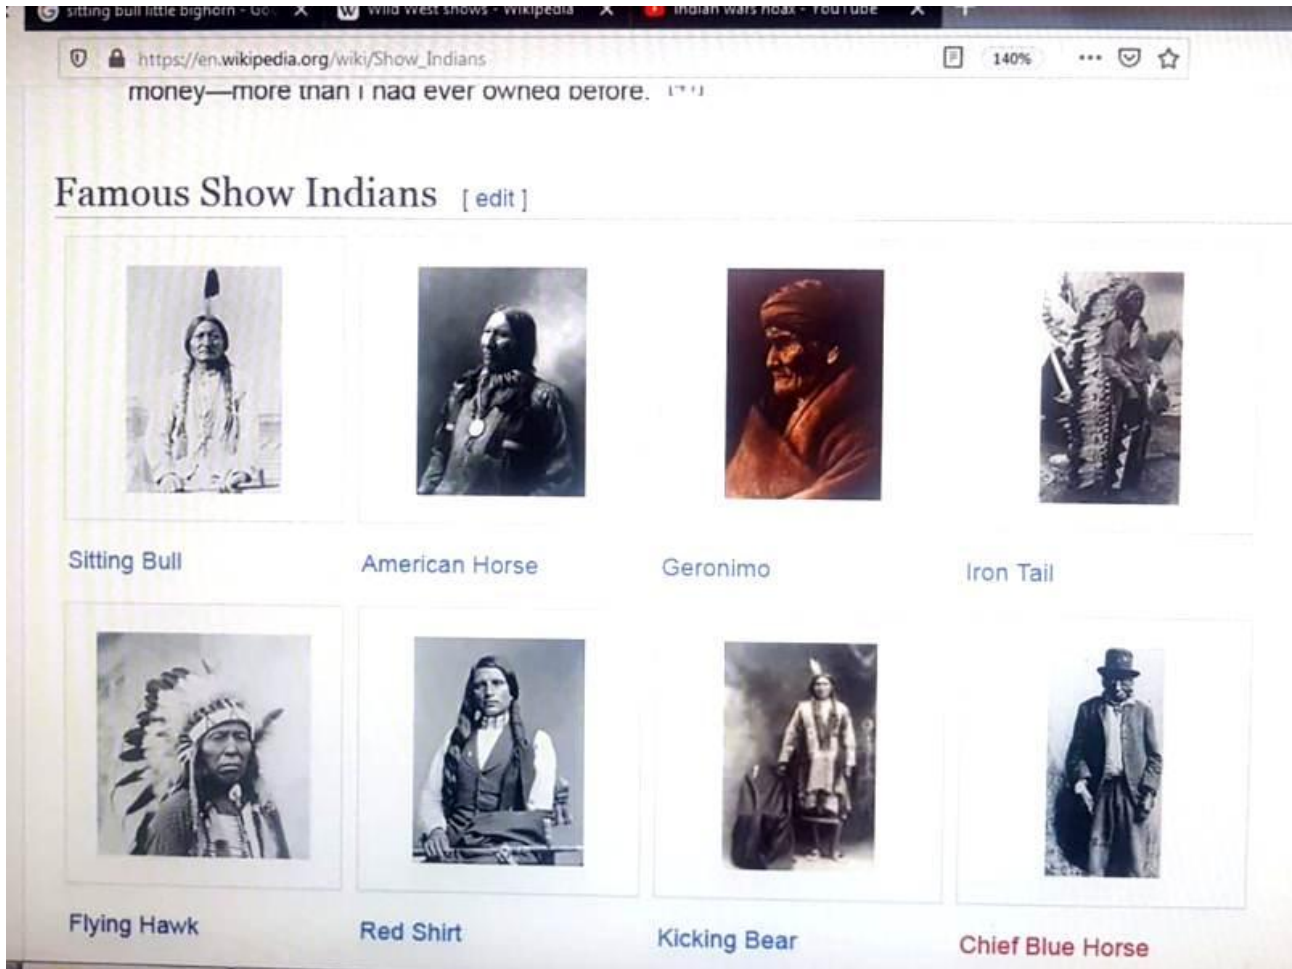

Poster showing *Buffalo Bill's Wild West and Congress of Rough Riders of the World* battling Cuban insurgents, c. 1898.

**According to historians - Buffalo Bill and many other business men were doing shows throughout America and Europe - and these performances were about the American Civil War and the Indian Wars - Native American Wars.**

**These shows were so popular - for example - just in one city for example - London - Buffalo Bills Wild West Show - had sold more than 2.5 million tickets in October 1887. It was big business worth millions and millions of dollars - not only were there many shows - but many books were making money from such stories and many children toys and other artefacts were sold - it was big business - a way to make huge money.**

**Researchers have pointed out the same people who were supposedly killing each other on the battle field - were also actors in such stage shows.**

**Sitting Bull and Flying Hawk and Geronimo (from the Apache Indian tribe) - were all now suddenly actors in Buffalo Bills Wild West Show. Many other American Native Indians who were fighters in the wars - were now suddenly and mysteriously actors in many of the different shows in America and around the world.**

**Researchers found it strange that the same American soldiers who were killing Native American Indians and their people and families - were now working together**

**and travelling - and drinking and laughing together - making lots of money in their shows. And they were acting and making comedy performances about the same wars - as if nothing had happened - and no hatred or scars had remained from the so-called wars - where many people had supposedly died. Many of these people who were acting in the shows - were supposed to be murderers and rapists and war criminals - but they were actors also. Researchers asked - what the hell is going on?**

**After any war there is much hatred between 2 sides and it takes - many decades to fix the pain. Many enemies of war are usually found in prison or are supposed to be executed for war crimes and murder. But these people - were out together making money and partying and acting. Imagine seeing Saddam and George Bush and Osama and the leaders of Iran and North Korean and the Clintons - all of them as friends today - making shows together and living together and travelling and acting together. It all seemed like a big joke.**

**This made researchers question - if the American Civil War and the Indian Wars - Native American Wars - if these wars actually did happen the way that we are told - or were they just part of a show - and faked events - and falsified history? And all the photo evidence of the wars - were they made by the actors? And if so - what is the real history of America?**

**Researchers believe that these actors are working for a secret group of bankers behind the world stage. Below is President Biden of the United States of America in October 2020. He was being interviewed by the American media.**

**Many people noticed that the man in the interview was wearing a mask**

**Researchers realised that this man was an actor.**

**The actor forgot to wear the neck mask or the body mask.**

**The mask could be a virtual reality mask - known to many as: - “DeepFake”**

**With the help of Artificial Intelligence (A I = 19), it would be very easy to copy the face of President Biden, whoever Biden really was.**

**With the help of Artificial Intelligence (A I = 19), it would be very easy to copy the voice of President Biden, whoever Biden really was.**

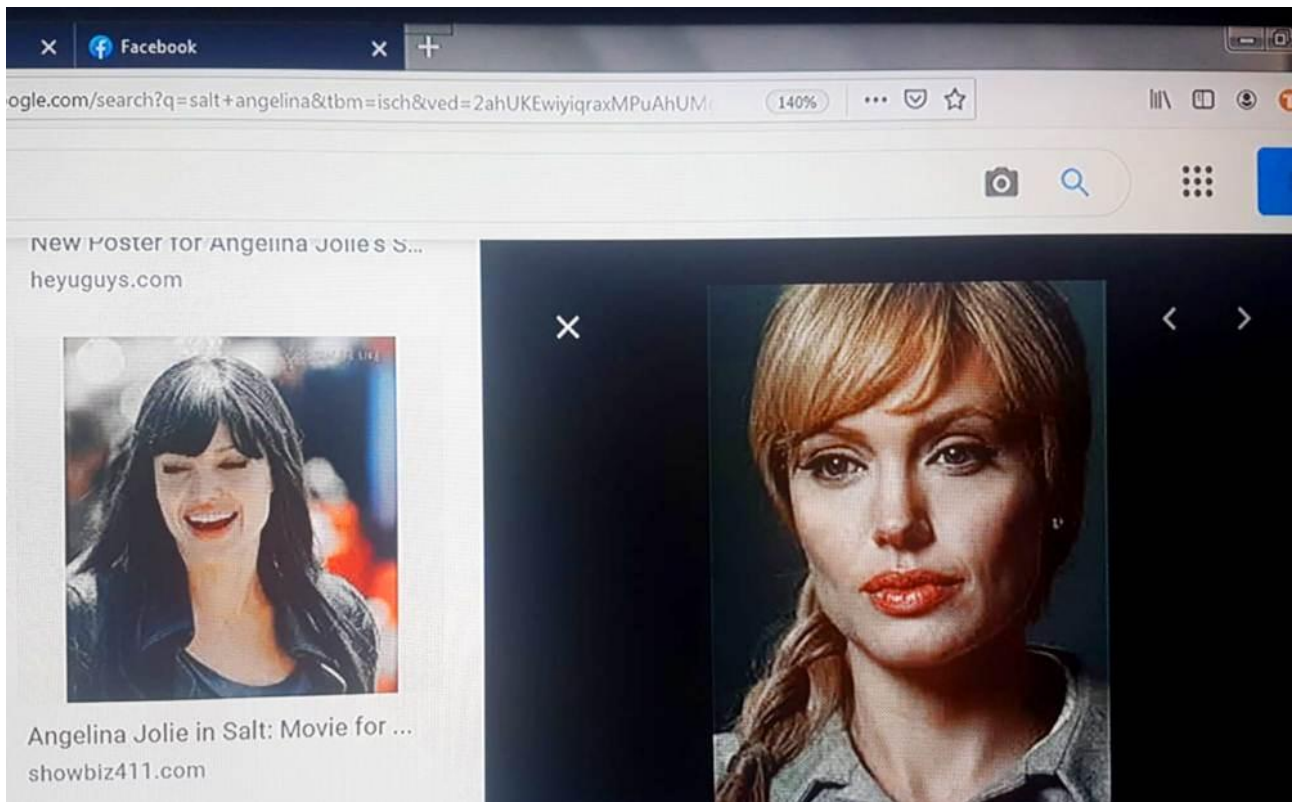

**Researchers looked at many politicians and movie stars and singers from the last 200 years and concluded that most of them were actors. Researchers concluded that many of them wore disguises or masks.**

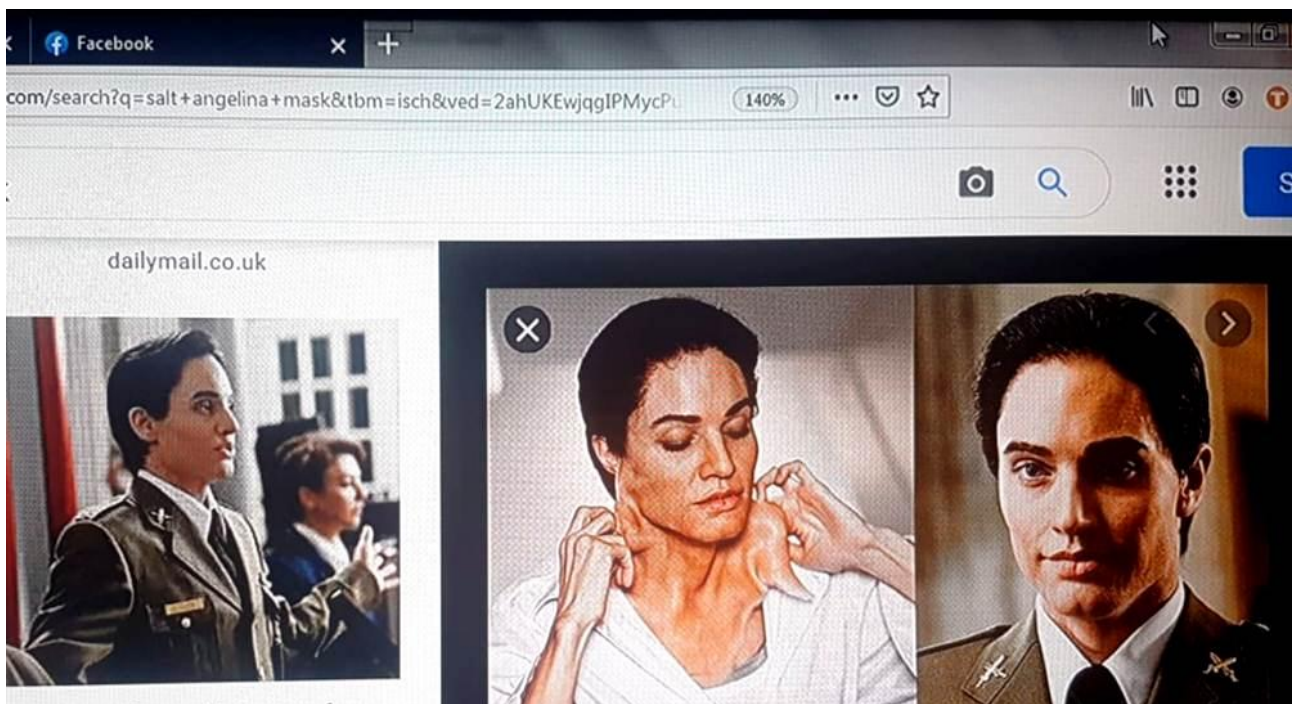

**Researchers stated that they did this in order to create a false history for the world. And, also to hide who the real bankers really are, because they are trying to rule the world.**

**Virtual reality mask are known to many people as: "DeepFake". These are easily created on computers**

## What about the other masks?

**Angelina Jolie stars in a movie called SALT in 2010**

**In this movie, Angelina Jolie wears a mask to look like a man.**

**An Important quote from this movie is - Do you think everyone is who they say they are?**

**Here Angelina Jolie removes the hand mask. The hand mask gave her new fingerprints**

**Here Angelina Jolie removes the ear mask. The ear mask gave her new ears**

**These type of masks make it harder to know who a person really is**

**Here Angelina Jolie removes the neck mask. This mask gave her new skin for her neck**

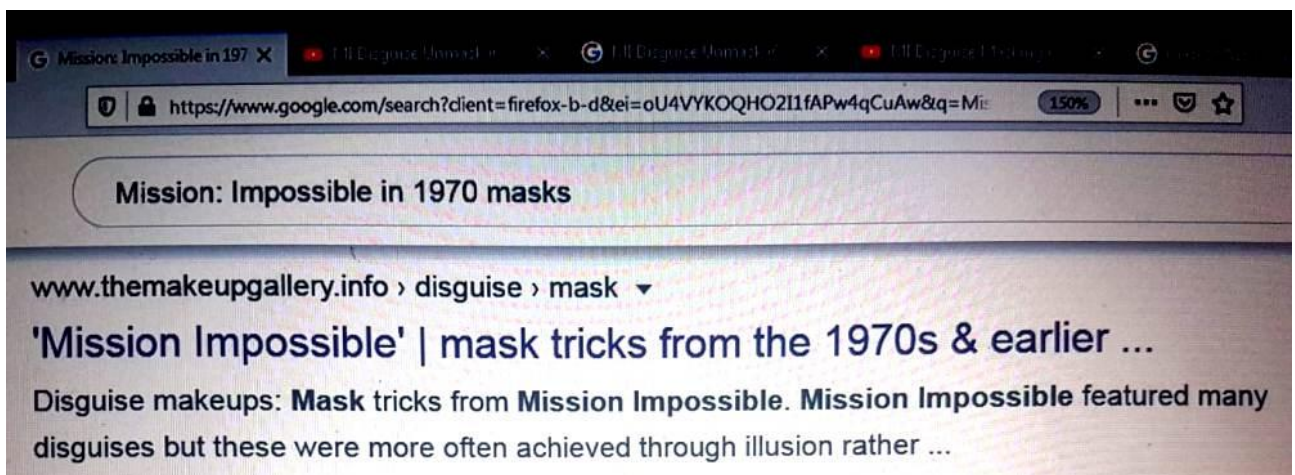

**These masks can be made to make your head shape different or make you look older or younger**

**These masks can give you a different skin colour. You can wear masks to look Chinese or African**

**Here Angelina Jolie removes the face mask. This mask gave her a new face.**

**What the people of the world do not realise is that masks have been used for a long time. For example - masks were shown on American Television in the 1970's**

**Many different methods were used. Some methods involved modifying the video to deceive the public.**

**The exact history of masks being used by secret societies and government agencies is not known.**

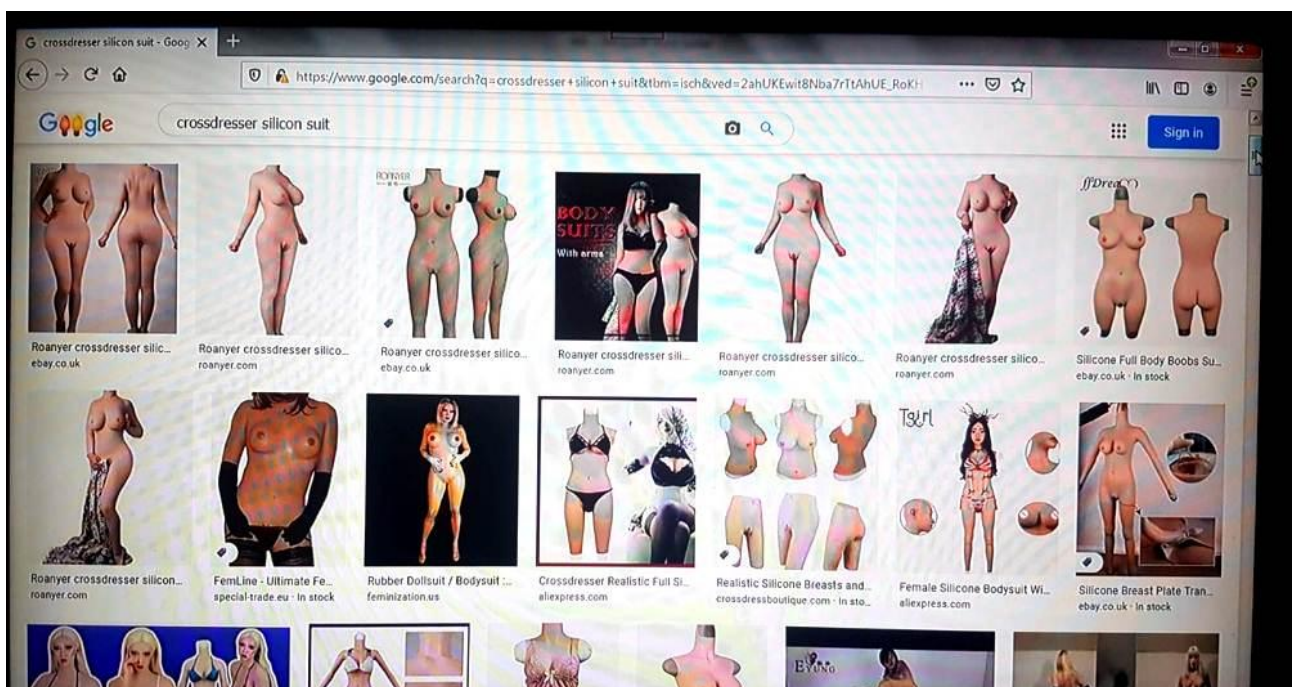

**Millions of people around the world in the last 100 years have been examining if famous people and political leaders use another person in their absence. This is known as - body doubles**

**It is normal for global government agencies to use a duplicate for the sake of national security, which is understandable and of course acceptable. What is not acceptable is that evidence shows that many wealthy people may be using such things**

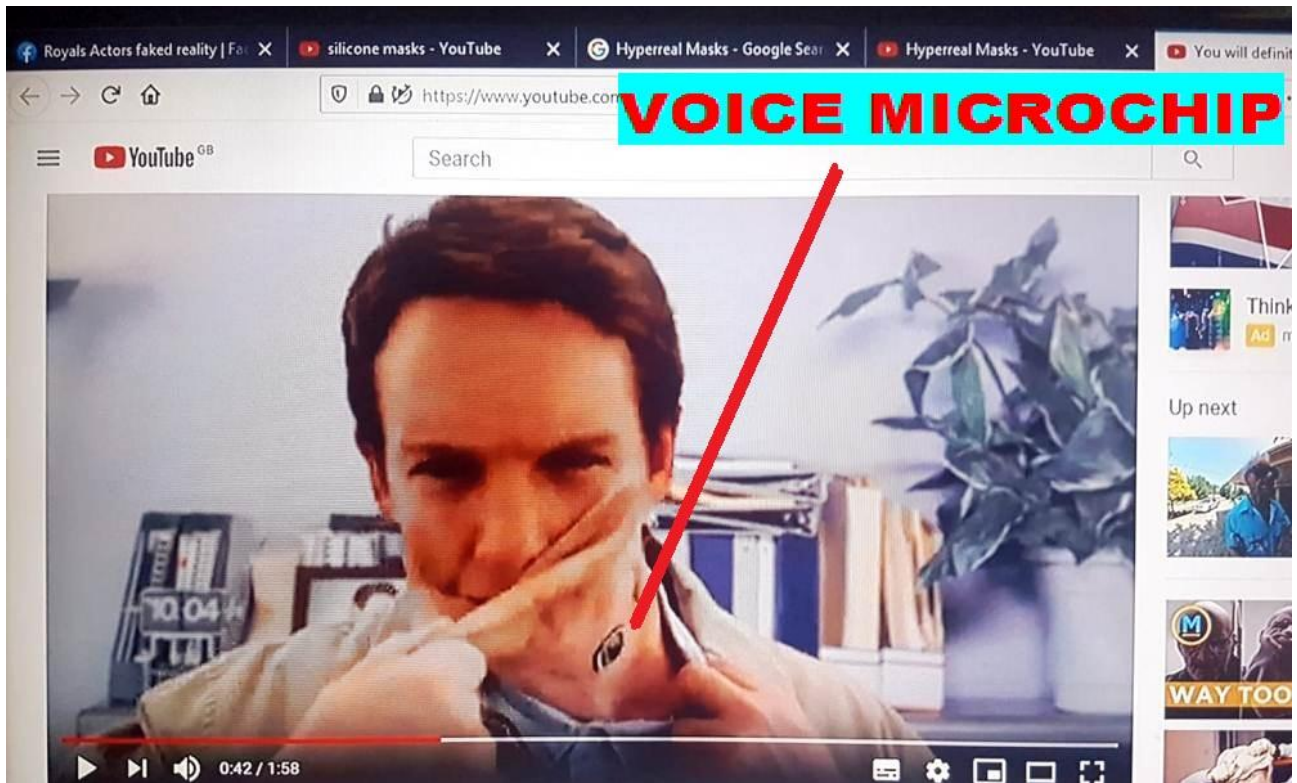

**It is normal for media companies to use masks for the sake of entertaining the world. This is understandable and of course acceptable.**

**But, what is not acceptable to millions of people around the world are the lies related to the global media and the possible use of masks by the rich and famous, in order to deceive the world**

**Full body masks are available for men and women. Many people around the world state that many famous and wealthy people promoted by the media don't look**

**like women. It is very easy to change the body shape using body masks. This is done very often by men who wish to look like women**

**Using modern technology, devices can be placed inside your neck to change your voice or even to change your language**

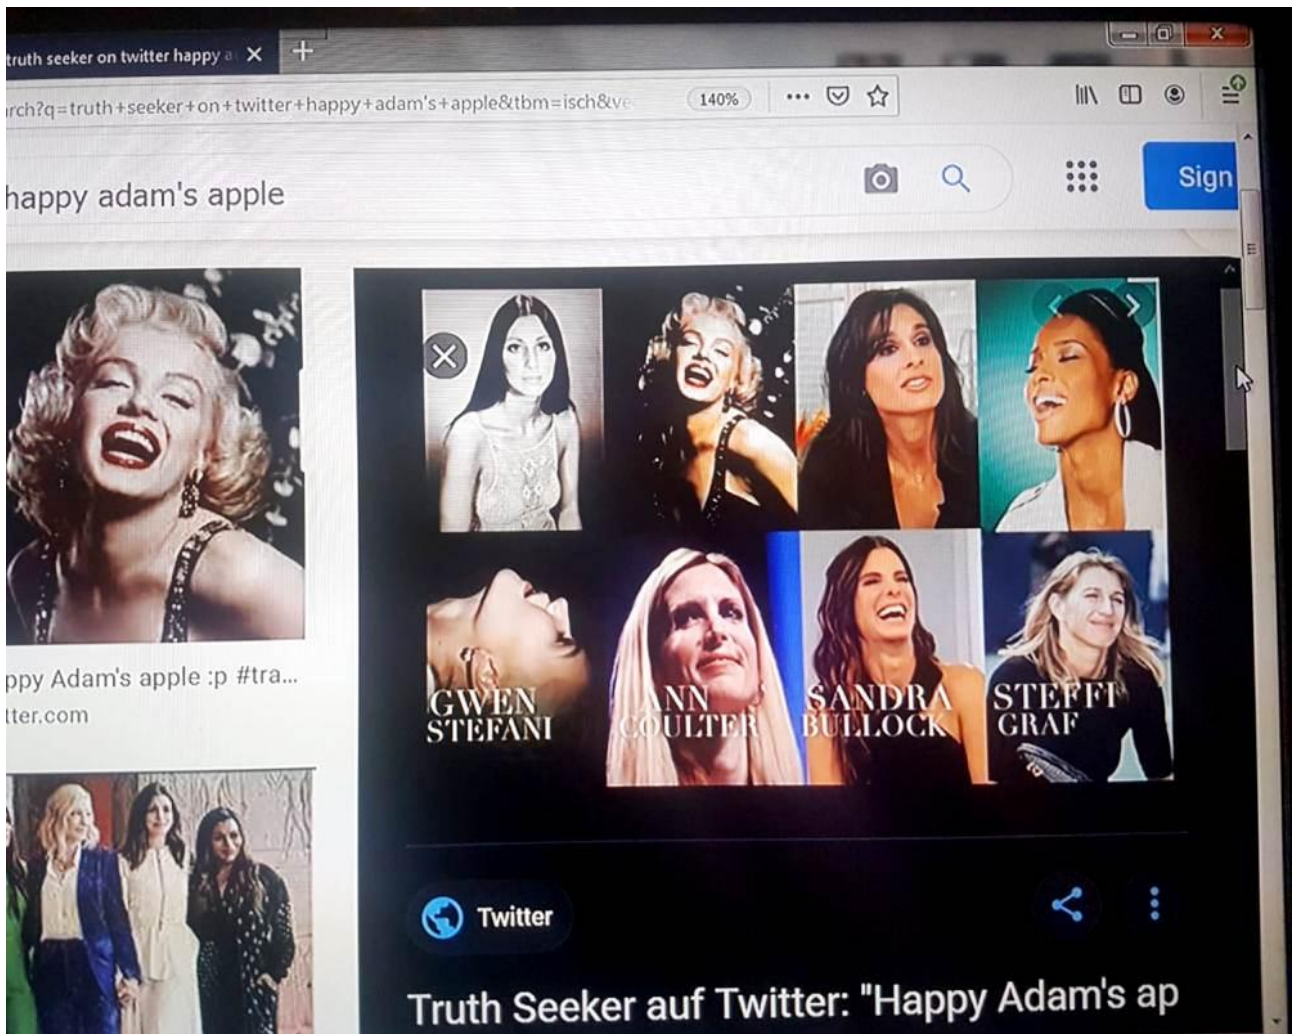

**Photo above - Sandra Bullock.**

**Millions of people noted that she had an apple on her neck**

**Millions of people all around the world have noticed that many female politicians and musicians and actors had an apple on their neck. Many of them seemed to have male features.**

**Millions of people around the world concluded that many of these people are actually men. The evidence showed that they were not reptilians or fallen angels or Annunaki or aliens from outer space.**

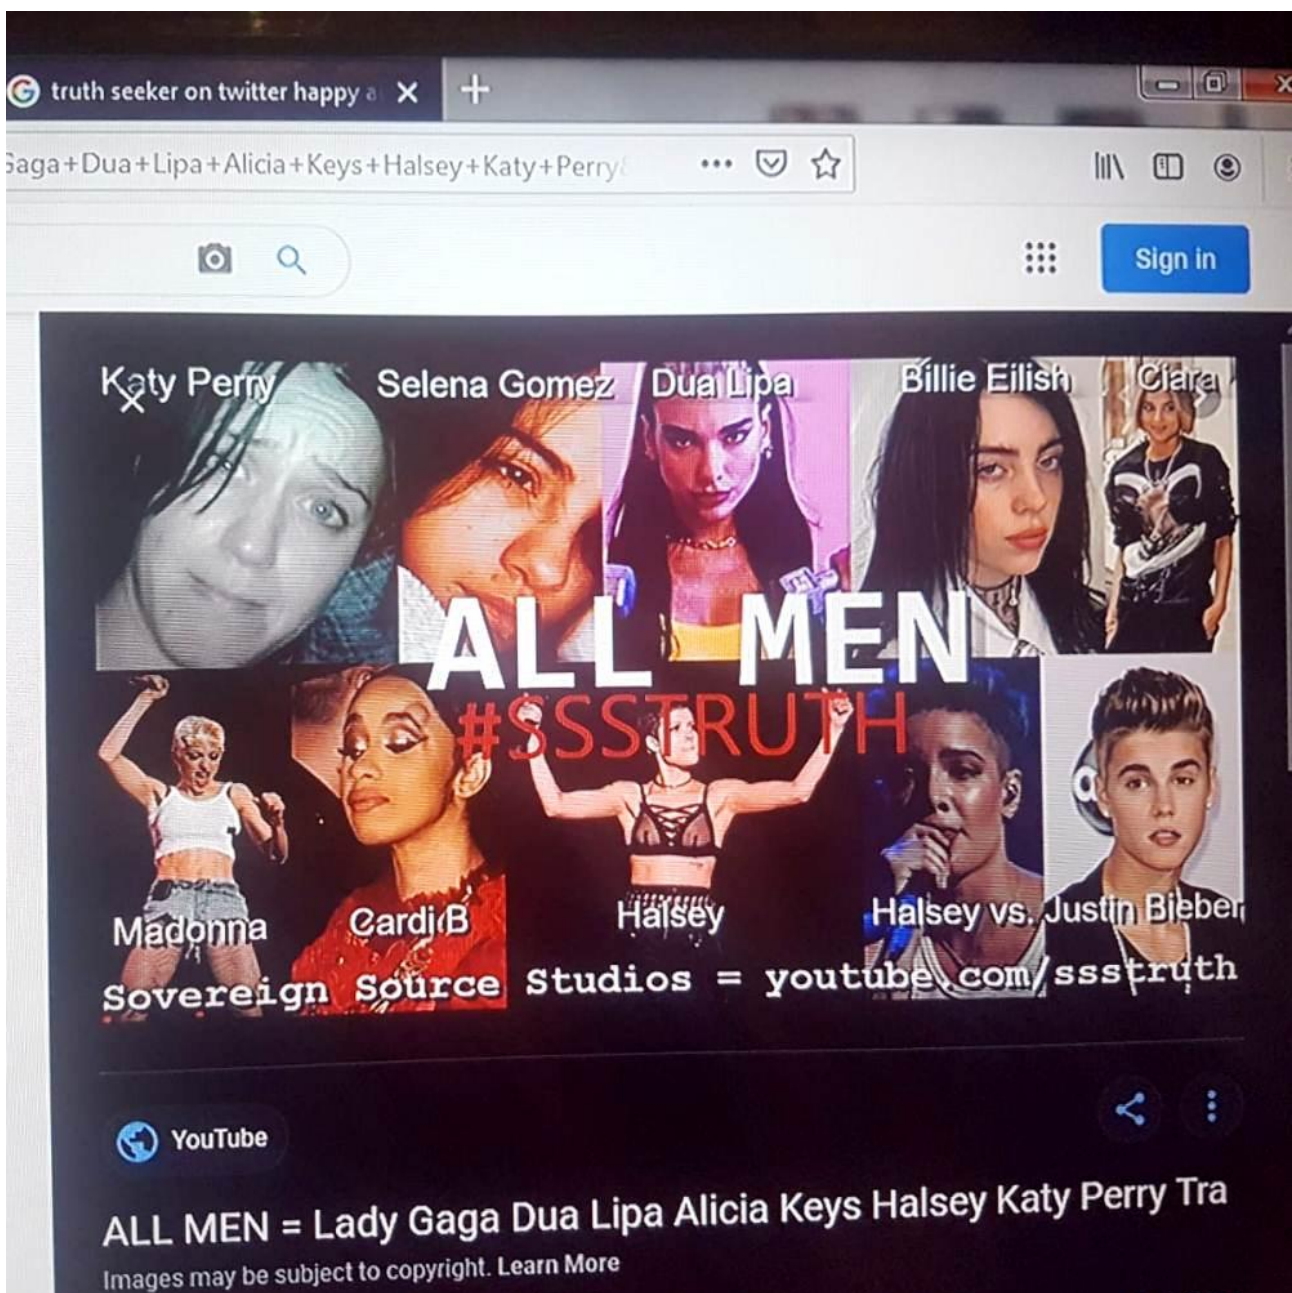

**They were men who were using Artificial Intelligence (AI = 19) to improve their capabilities, and also using make up and masks and other equipment for their advantage. Many researchers estimate that there are thousands of these people worldwide, - in every city.**

**These people were wearing disguises in many cases. Sometimes they wore face and body masks. They used**

facial make up to change their appearance or face masks.

Many of them looked similar because the person under the mask was probably the same actor. Different actors can be used to wear different masks, in order to have these people in same room. It was not cloning. It was just masks and make up.

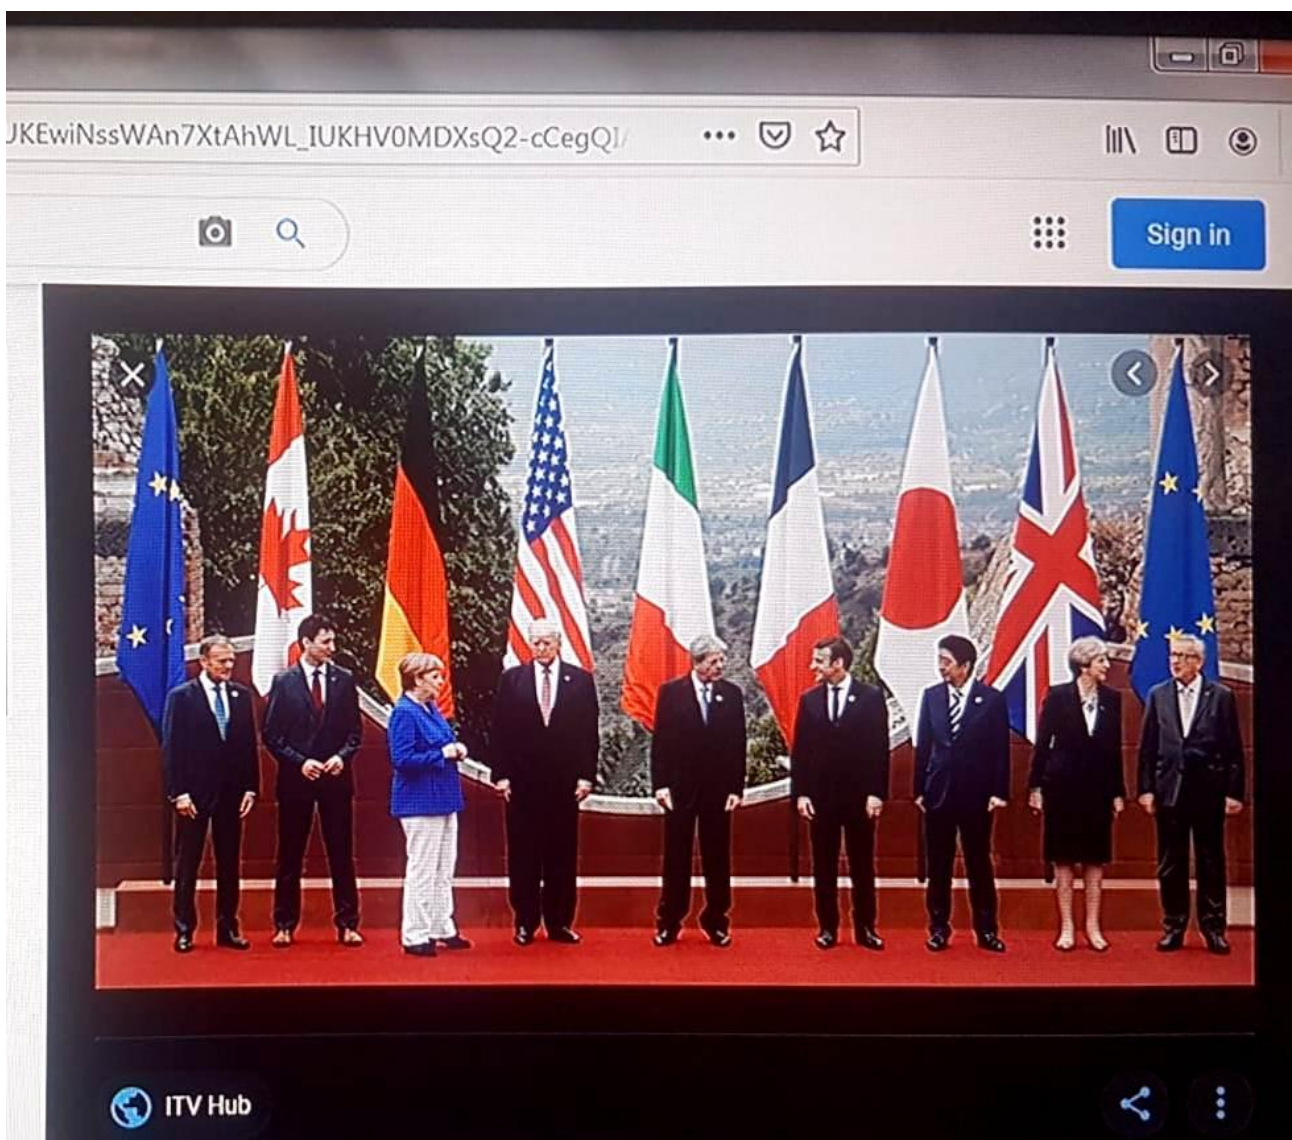

**Many people from the past looked similar to people today, which was very easy to explain. All you had to do was use the same masks again 50 years later.**

**Many people noticed that many of the females looked like men and had apples on their neck. This evidence showed that they were men under their masks and under their disguises.**

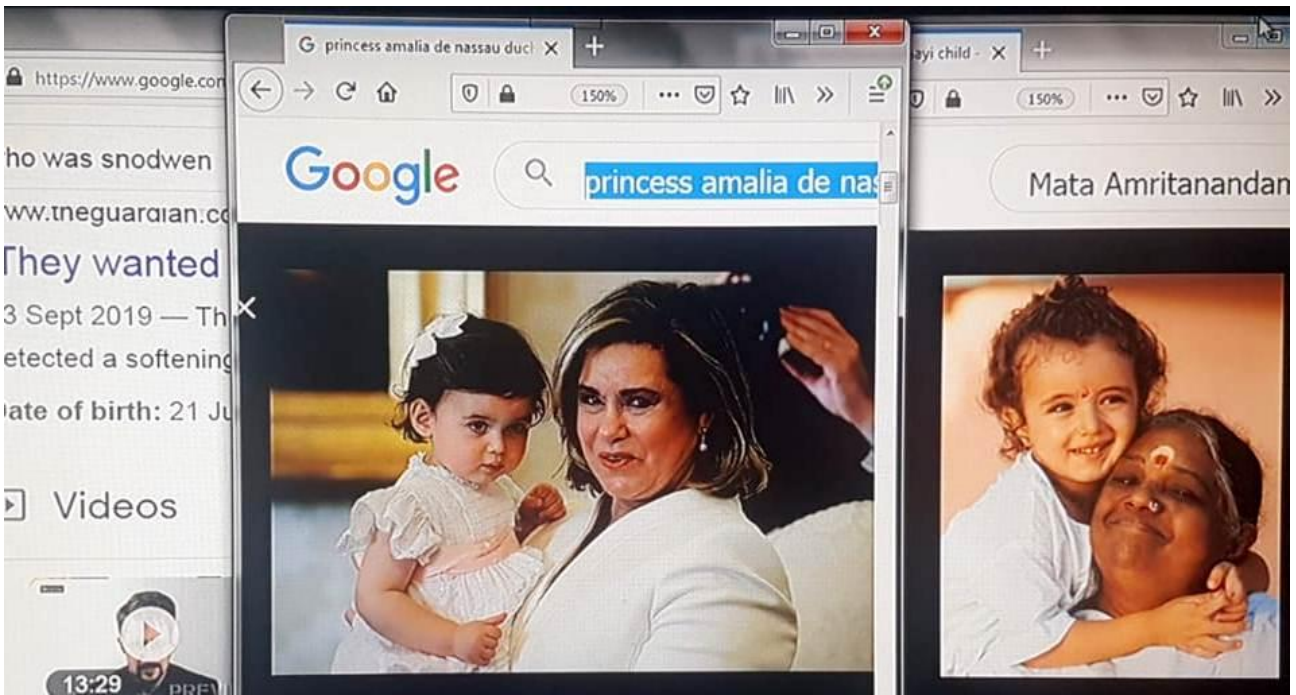

**Many of these people may have been born as men, and may have changed their gender**

**Researchers concluded that global politicians were actors. Many were wearing masks and disguises and some could even be full time actors.**

**The world media reported the Parkland shooting in February 14, 2018. The criminal was a 19 year old man**

**The world media reported that a man named David Hogg said that he was a witness to the Parkland school shooting**

**Many people around the world did not believe David Hogg and they stated that David Hogg was the same person as a man named Adam Lanza**

**According to the world media and many politicians, - Adam Lanza was the criminal in the Sandy Hook shooting which took place on December 14, 2012.**

**September 11 was a major wake up call to many people in the world. It created many truth movements and many different protests and investigations for the truth**

**The Sandy Hook incident was a major wake up call to many people in the world. It began many new investigations by many people around the world. It was the time when people did greater research about politicians and famous people all over the world. This then led to what is known as transvestigation**

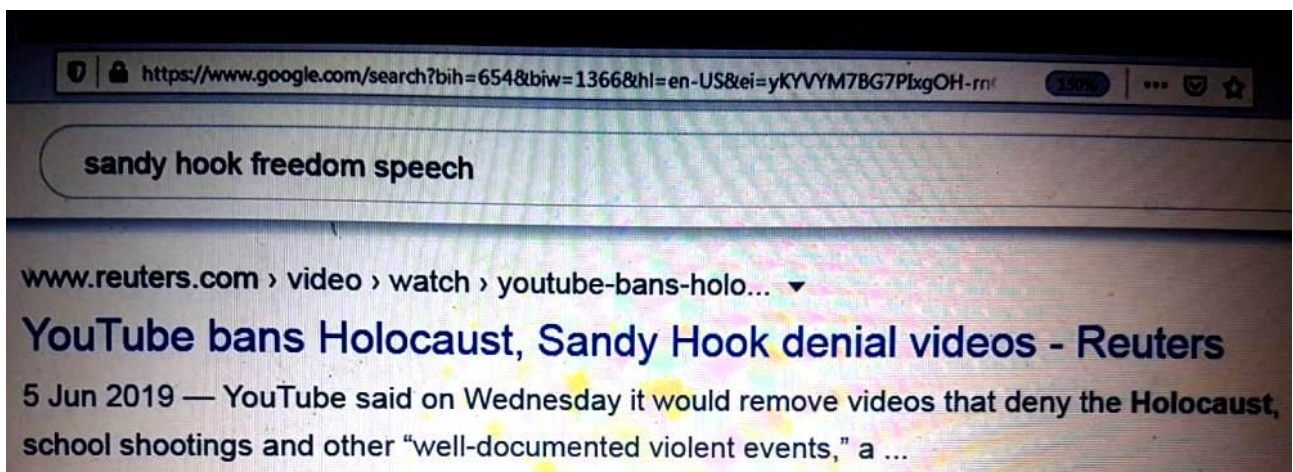

Many people around the world did not believe in the Sandy Hook story and called it a hoax and a scam

The world media mentioned these people many times and called them - conspiracy theorists

**A man named Alex Jones was greatly advertised by the global media for calling Sandy Hook a hoax. This man also mentioned many other issues that people in the world were investigating**

**Because of the attention that the global media gave Alex Jones: - many global internet companies deleted**

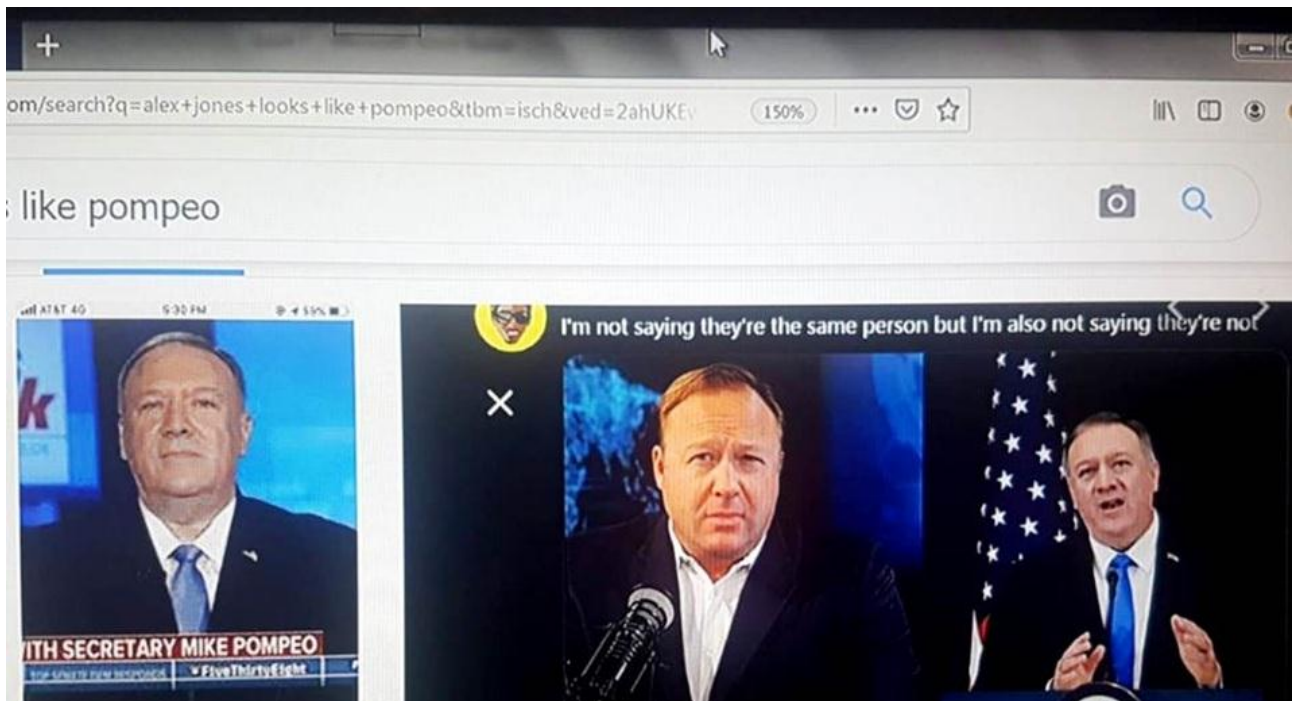

**information which did not accept what global historians say and what the global media said.**

**It all seemed like it was planned that way.**

**Many people now feel that the internet of the world is controlled, - compared to what it was many years ago**

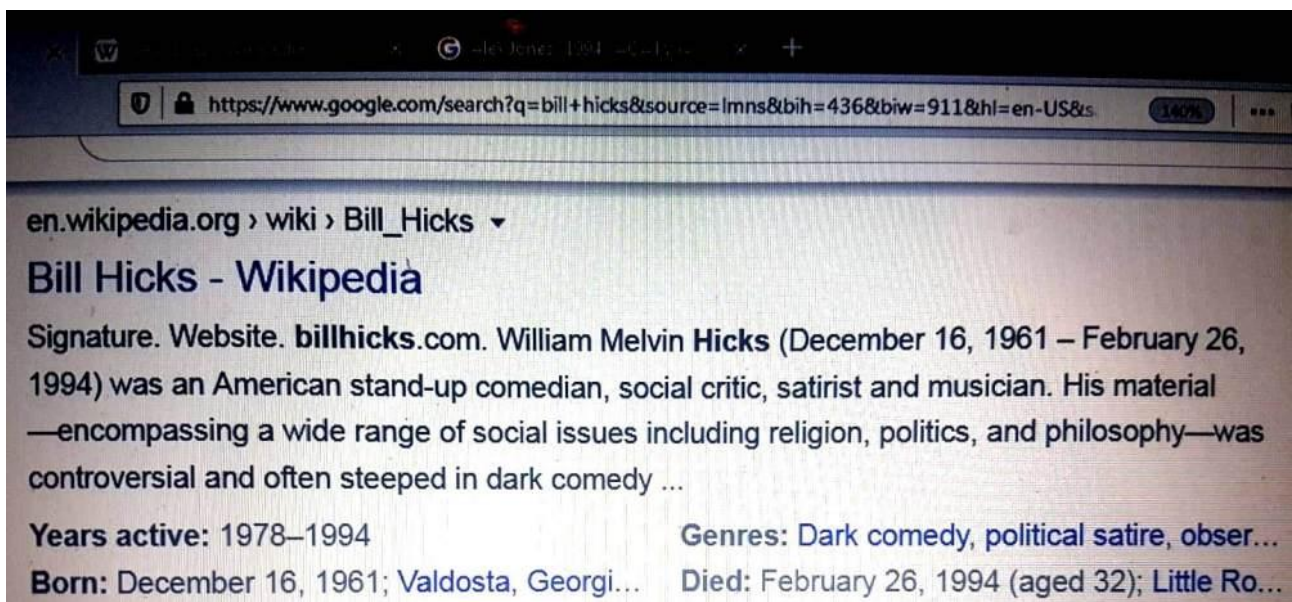

**Anything that the world order did not like, was slowly deleted or blocked on the internet**

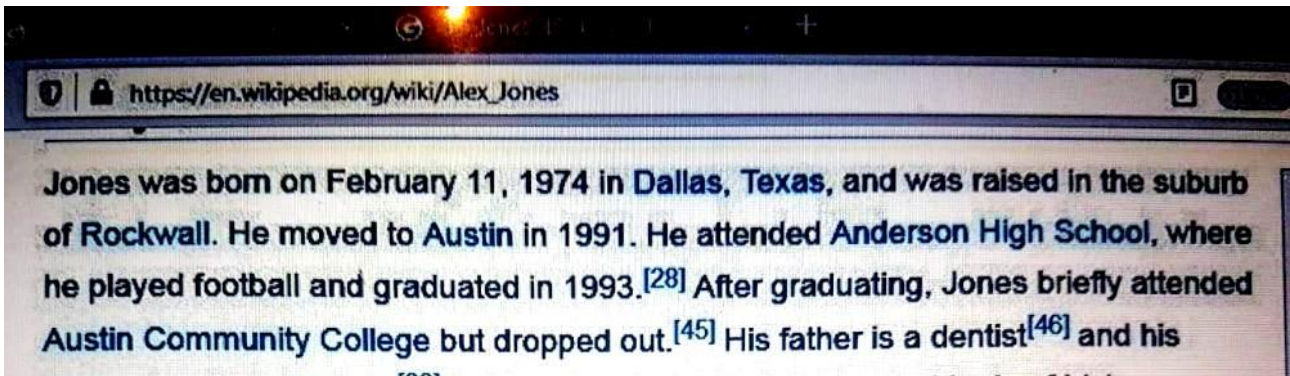

**Many people around the world investigated Alex Jones and said that he looked very similar to Mike Pompeo, ex - CIA Director and ex - United States Secretary of State**

**Many people around the world stated that Alex Jones is Bill Hicks. The photo above shows Bill Hicks on the left and Alex Jones on the right**

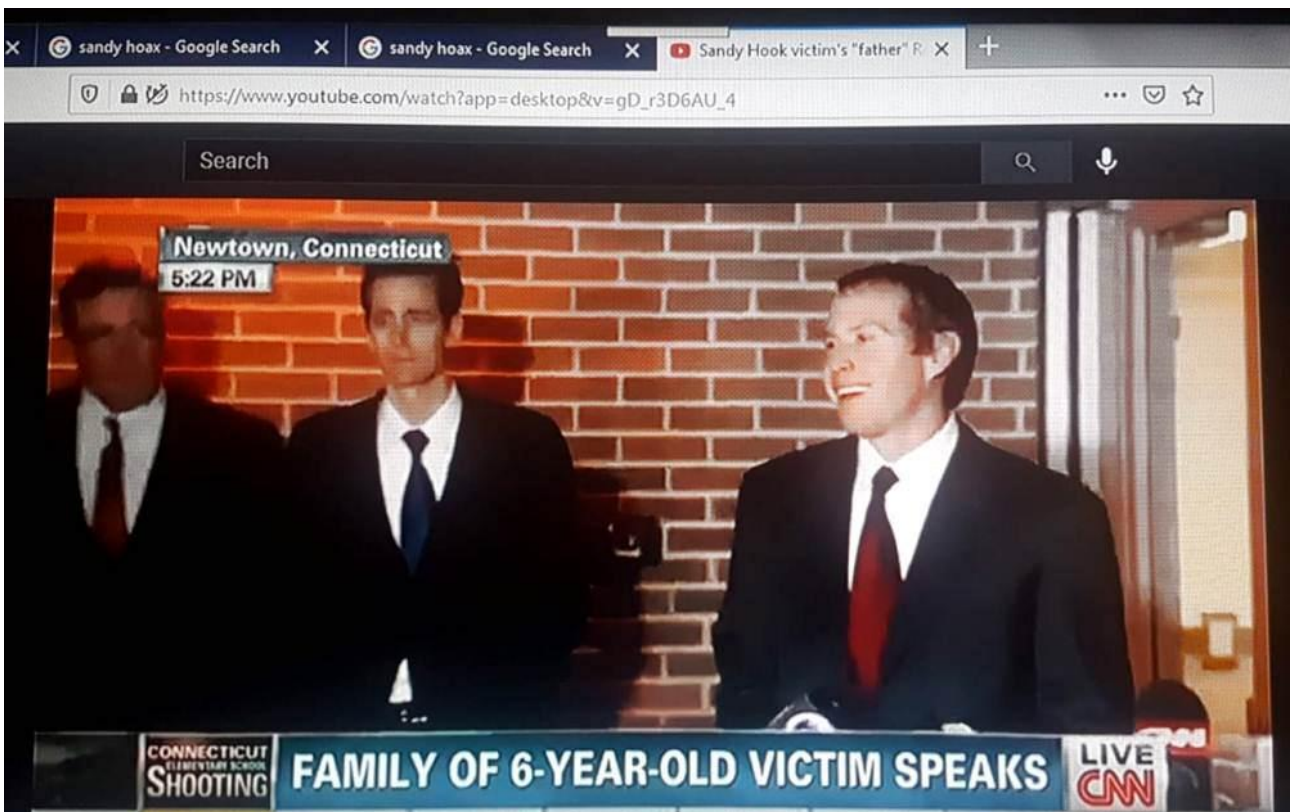

**Bill Hicks was a comedian who died in 1994**

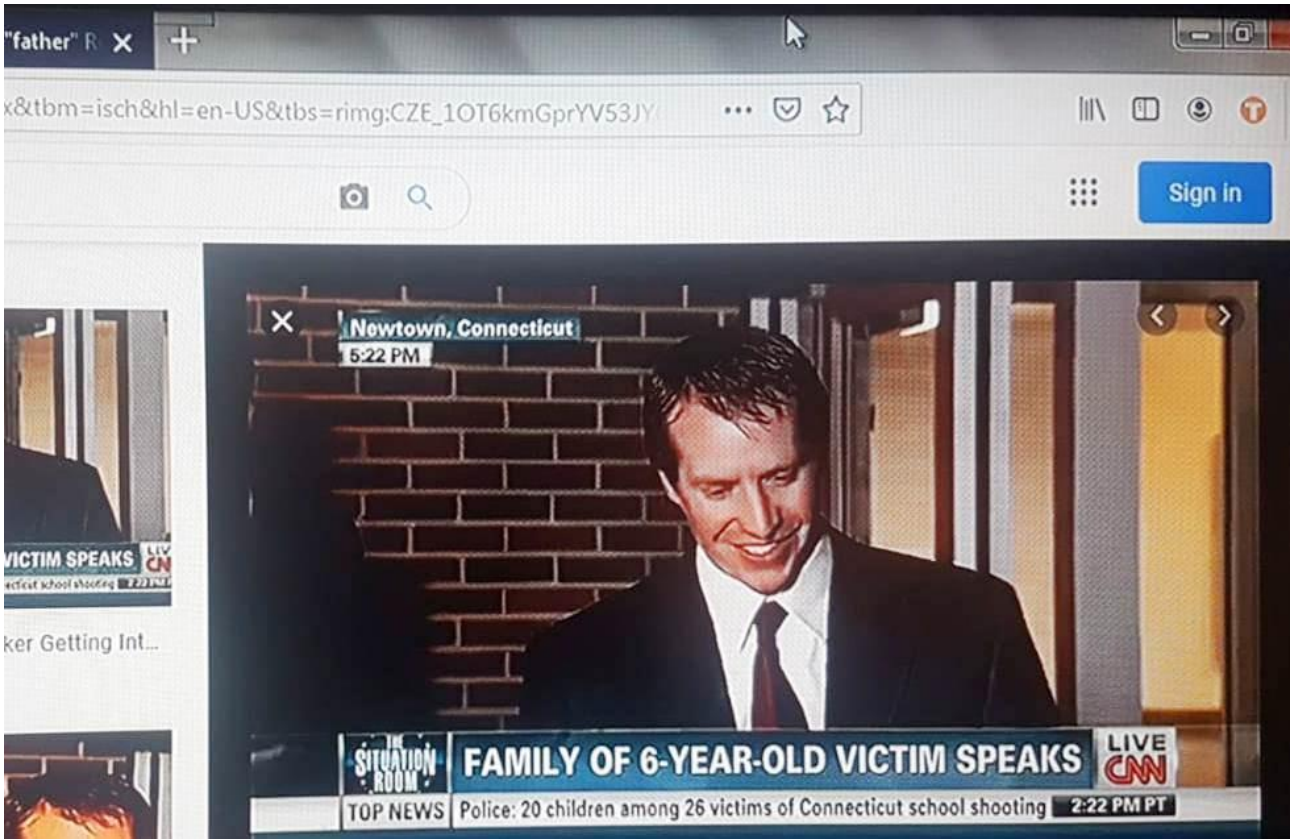

**According to the world media and world historians, Alex Jones finished high school in 1993 and his career started around 1994**

**A man named Robbie Parker was shown by the global media after the Sandy Hook shooting. The global media stated that this man was the father of a victim**

**Photo above: - Robbie Parker walks over to the camera**

**Robbie Parker a few seconds before he starts speaking**

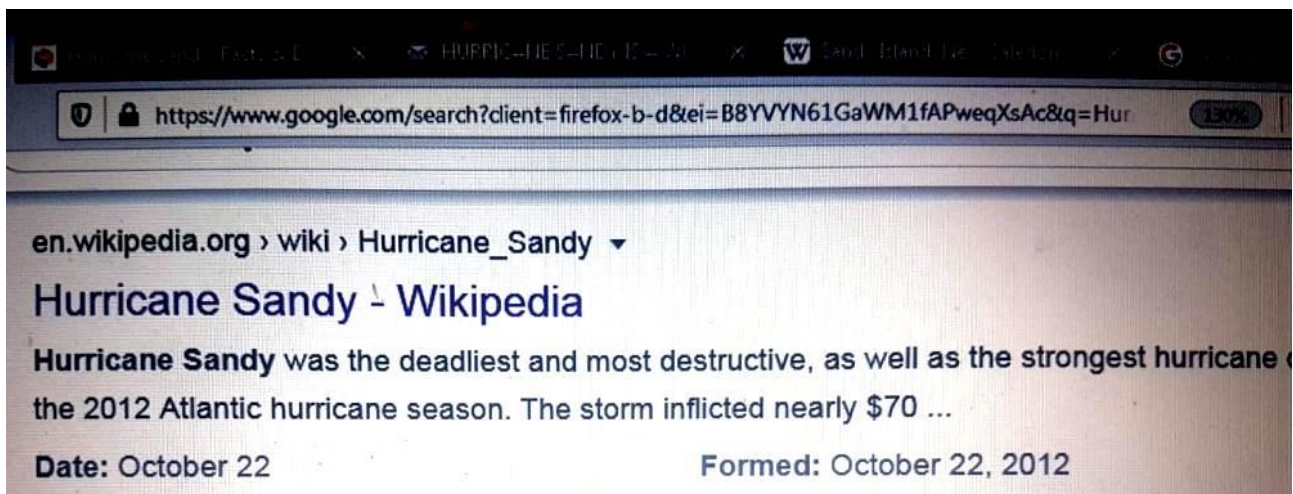

**Robbie Parker then started speaking.**

**Many people stated that this man did not look very sad,  
- until he started speaking to the world media**

**Many people around the world started asking: - is it all  
connected?**

**Sandy Hook took place on December 14, 2012**

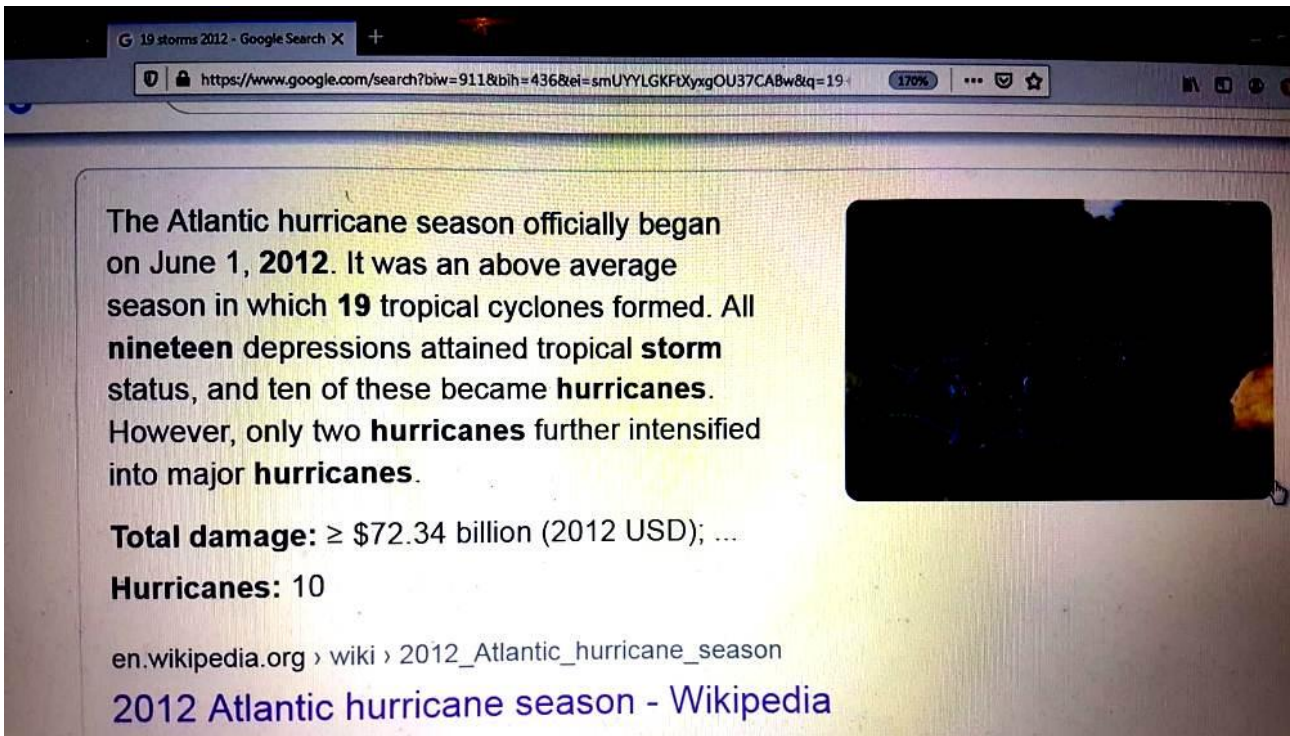

**In October 2012, there was a deadly hurricane which  
was called: - Hurricane Sandy. Who are the people who  
decided to choose this name? This event took place  
before the Sandy Hook incident.**

**Many people around the world stated that the world order created Hurricane Sandy. These people are called conspiracy theorists**

**Hurricane Sandy began on October 19, 2012**

**In 2012, - during the Atlantic hurricane season - a total of 19 tropical cyclones formed**

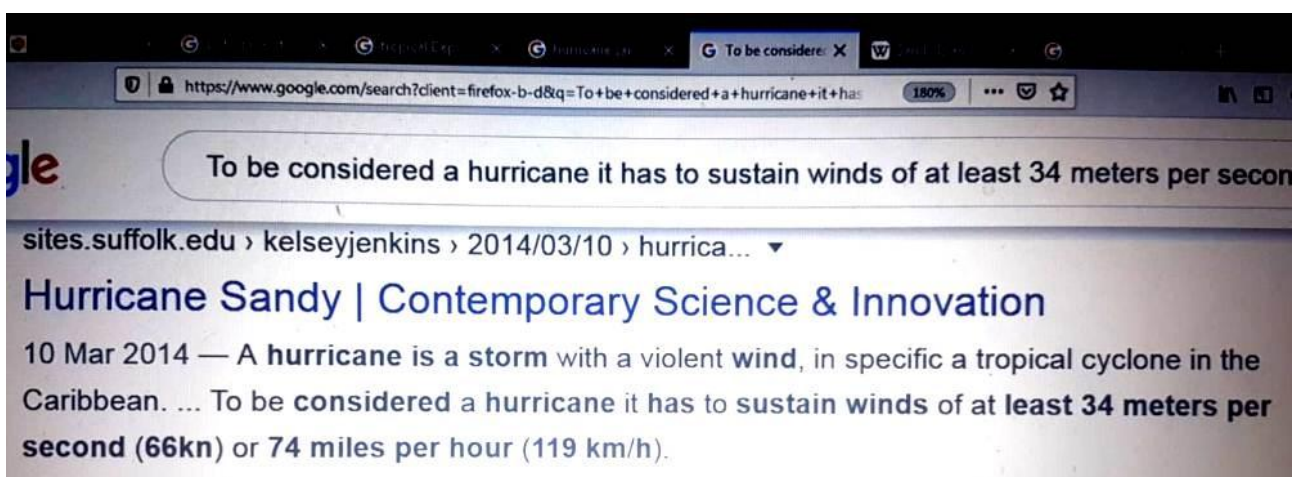

2012 Atlantic hurricane season	
Total depressions	19
Total storms	19

**In 2012, during the Atlantic hurricane season there was a total of 19 storms**

**2012 was the first time since 1908 that 2 storms formed before the official start date of the Atlantic hurricane season.**

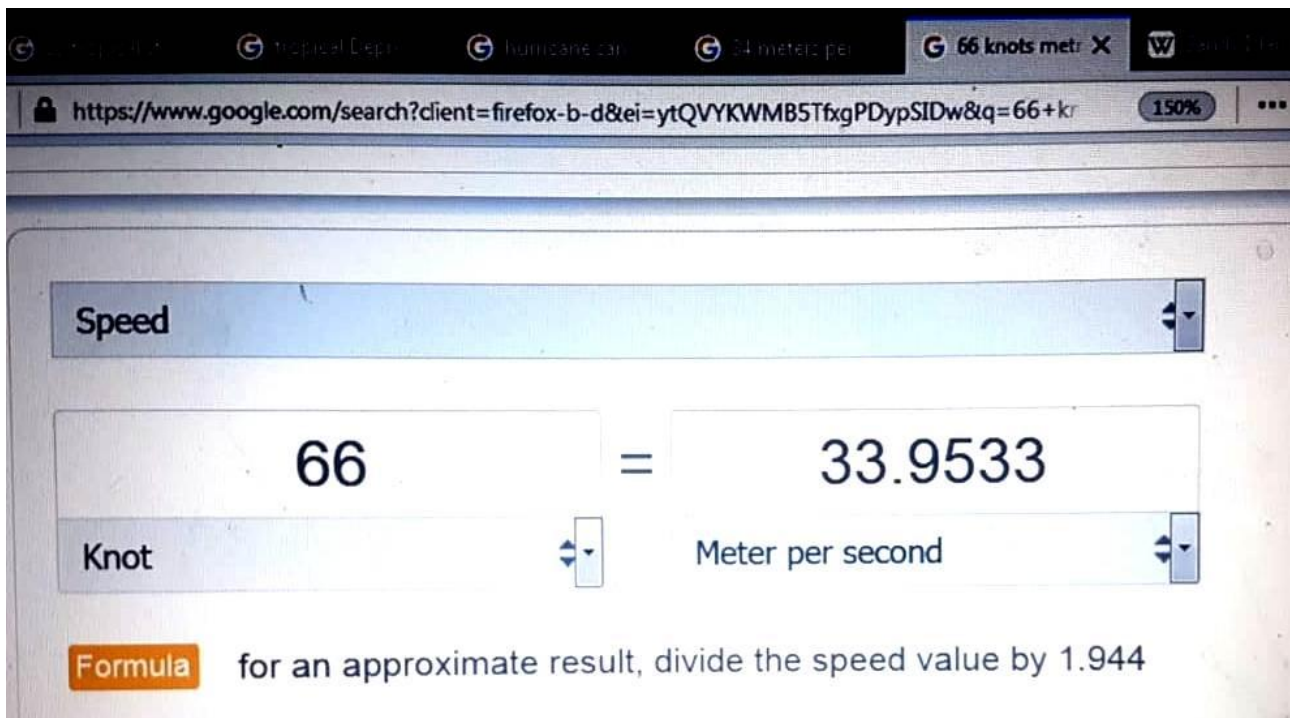

**The first storm known as Tropical Storm Alberto formed on May 19, 2012**

**For something to be considered to being a hurricane it has to sustain winds of at least 34 meters per second**

**(66kn - knots) or 74 miles per hour (119 kilometres per hour)**

**To be more exact, 66 knots is 33.9533 meters per second.**

**GAO - is the U.S. Government Accountability Office.  
GAO provides fact-based, nonpartisan information to  
Congress**

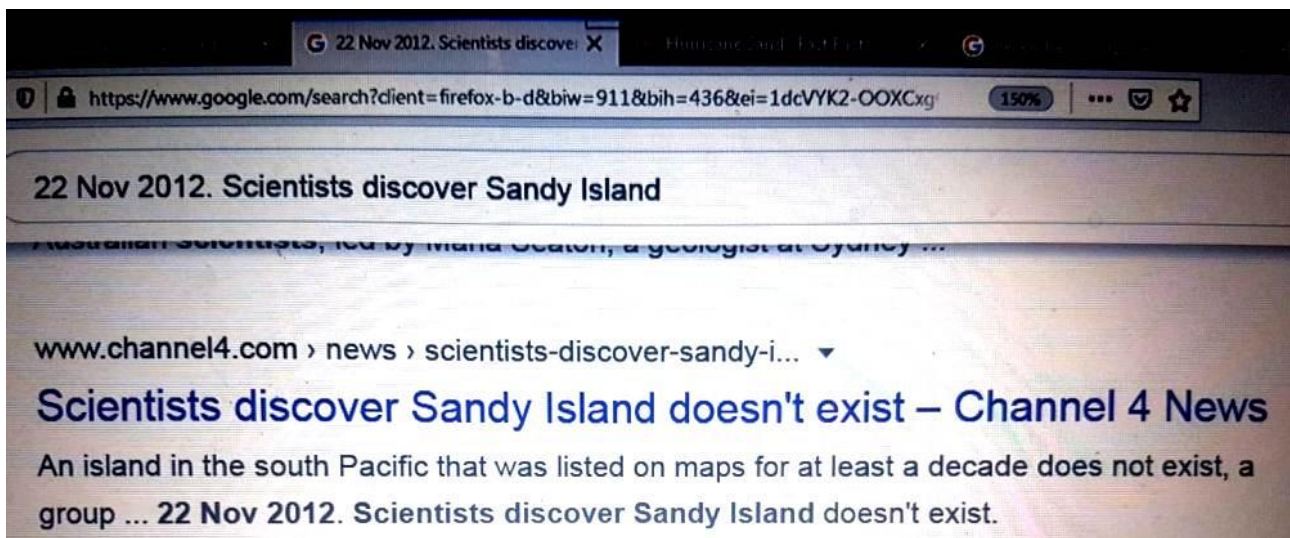

**GAO reported that the damages from Hurricane Sandy were estimated to be \$74 billion**

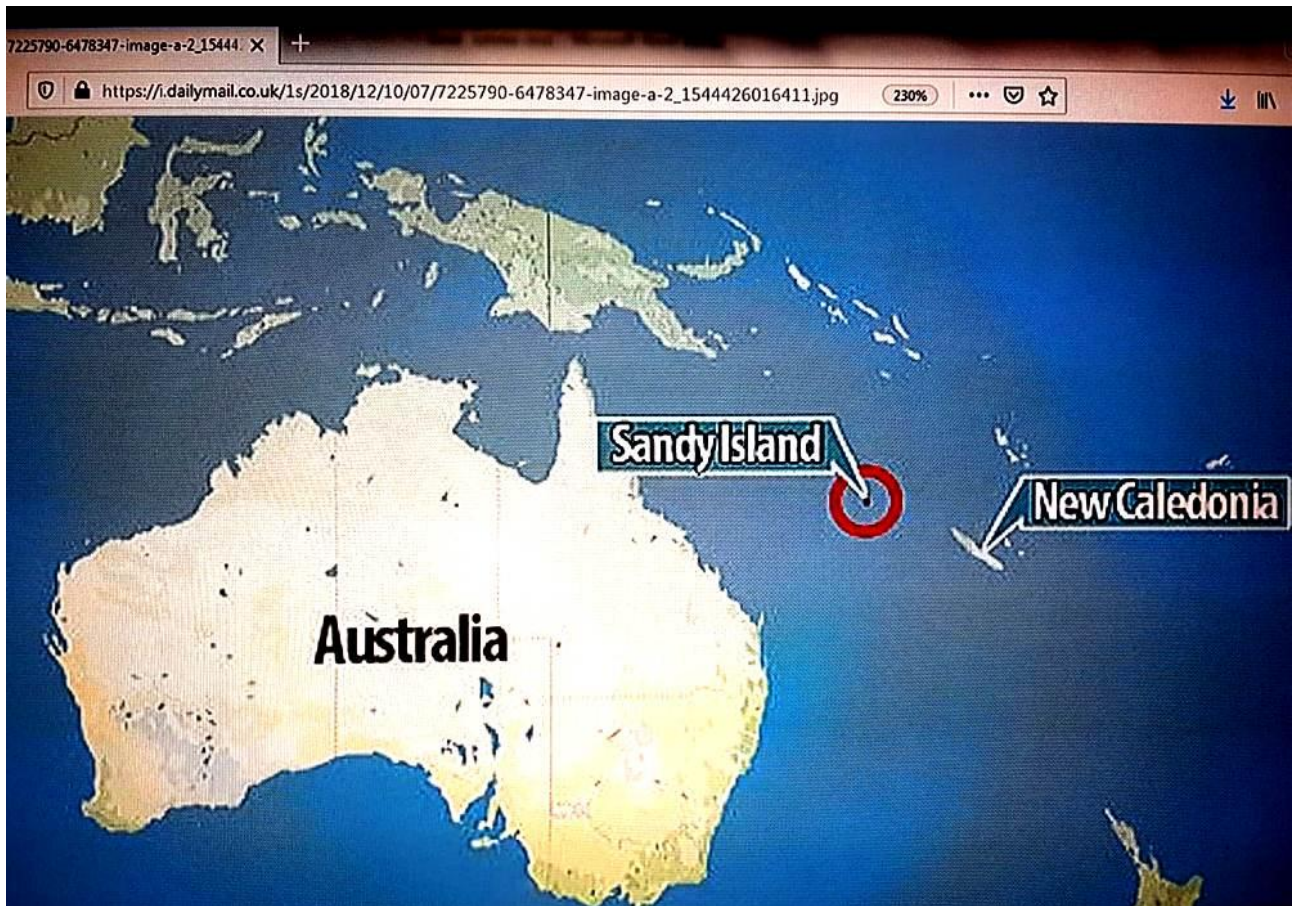

**The United Nations food agency stated in 2012 that it was seeking to raise \$74 million to help the agricultural sector of Haiti recover from the impact of Hurricane Sandy**

**Hurricane Sandy left 7.4 million homes without power in the United States of America**

**In November 2012, a major discovery was made which showed that world maps had false information. The world discovered that Sandy Island did not exist.**

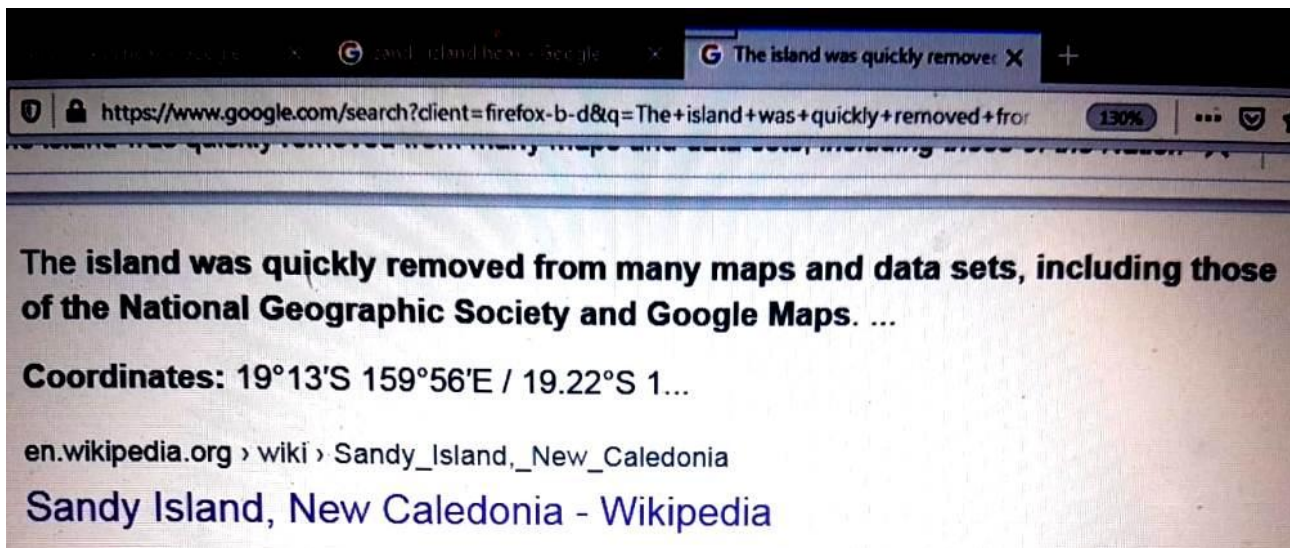

**Scientists and historians and geographers have told the world for many years that this is a 100 percent correct map of Australia and the area surrounding it. Note that there is a big island there called Sandy Island, 5 kilometres wide. The island is roughly the size of Manhattan.**

**In 2012, researchers from Australia went there and discovered that the island does not exist. It was a scam. The maps were telling lies.**

A screenshot of a Business Insider article. The browser address bar shows the URL: <https://www.businessinsider.com/how-a-fake-island-ended-up-on-google-earth-2013-4?r=US&IR=>. The article title is "How A Fake Island Ended Up On Google Earth". The author is Megan Gannon, LiveScience, and the date is Apr 18, 2013, 5:52 PM. The article text reads: "Last year, a group of Australian researchers 'undiscovered' an island the size of Manhattan in the South Pacific." To the right of the text is a small image showing a topographic map of a region, likely the South Pacific, with a color gradient from blue to green to yellow.

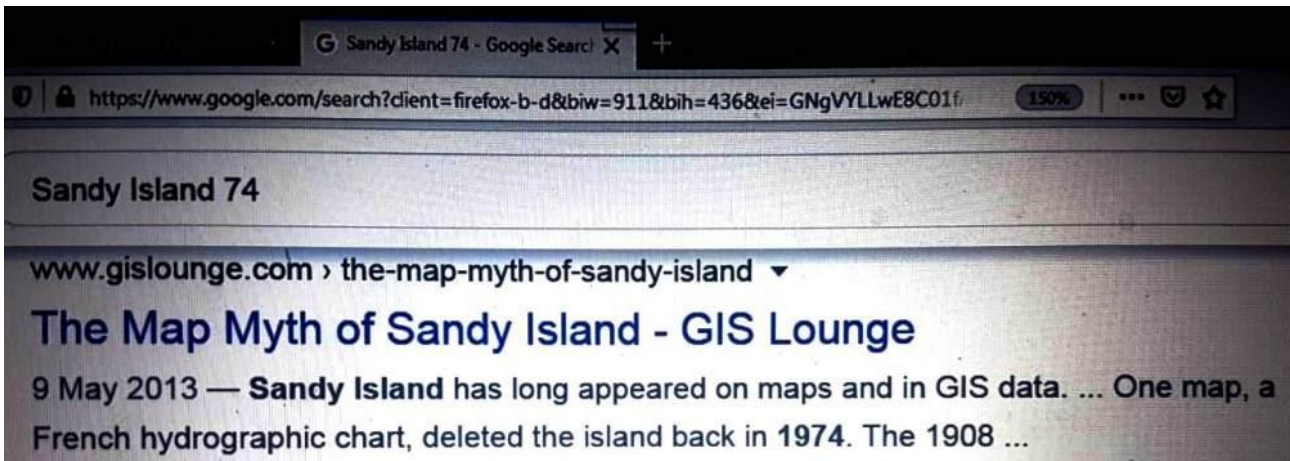

**This made researchers question if satellites in space really existed. Thousands of satellites allegedly exist.**

**Satellites do not make mistakes, scientists say. But looking at the evidence regarding Sandy Island, it showed that world maps were telling lies. It does not matter if the satellite data is from 5 years ago or 10 years ago, the data regarding Sandy Island was fake.**

**Sandy Island, which was located 19 degrees south, was quickly removed from world maps.**

**The geography of the world was clearly a lie. Sandy Island clearly did not exist. This also showed: - that the story of thousands of satellites being in space, was a fraud.**

**One French map, deleted Sandy Island from its chart in the year 19-74**

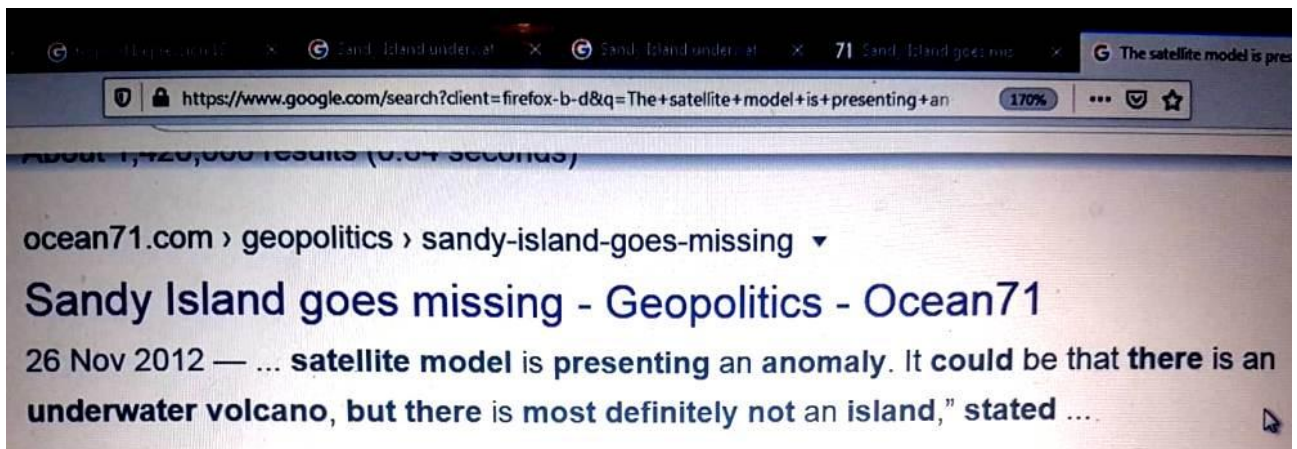

**Sandy Island has been on maps since the year 17-74**

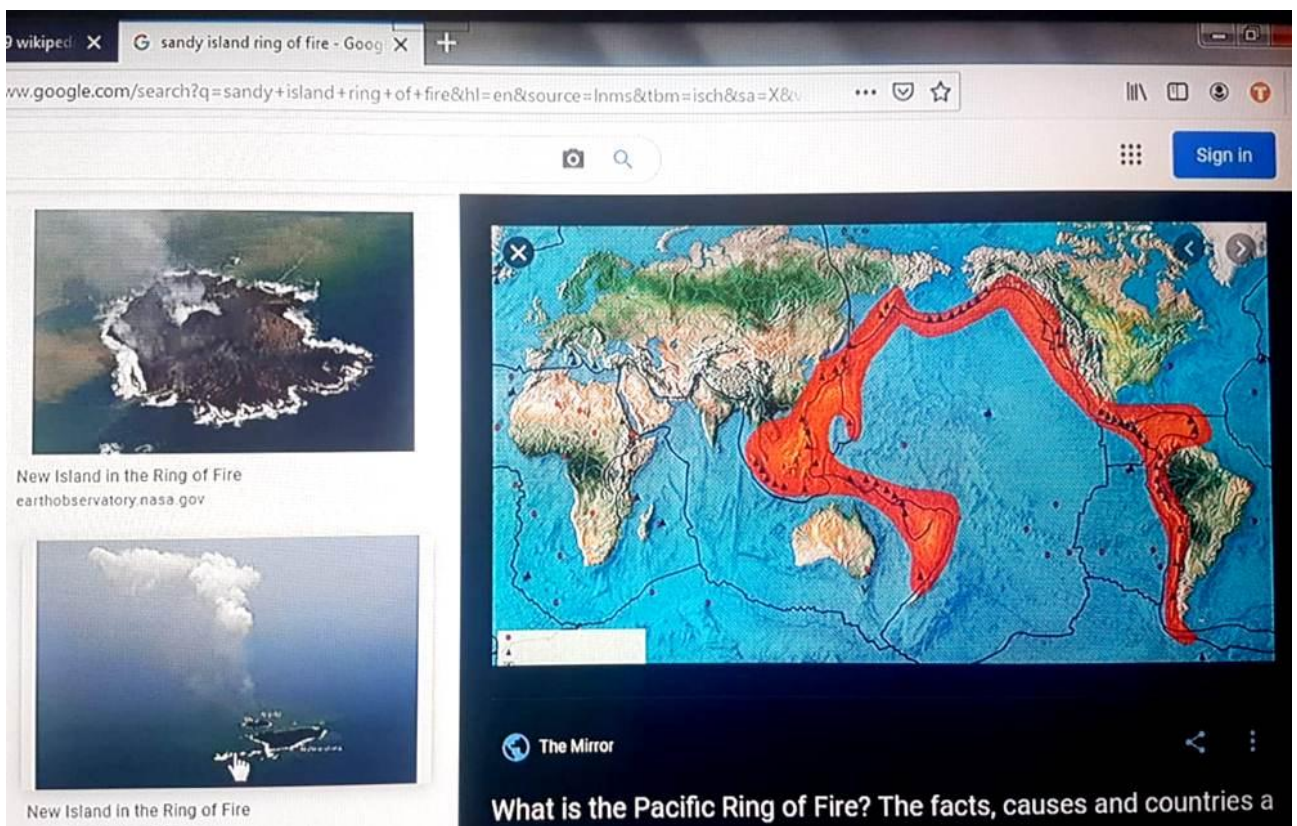

**Researchers wondered why Sandy Island was found: - "not" to exist, - in the same year as Hurricane Sandy and the Sandy Hook incident. Was it a coincidence or was it deliberate?**

**A major fact that researchers noticed was that the number 19 and the number 74 was very common in**

**matters that related to these incidents. There are too many examples to show here**

**Many researchers have stated that there may be a volcano, - under the water, - near the location of Sandy Island. But they are not sure.**

**Sandy Island is not far from what is known as the Ring of Fire. The Ring of Fire is the region that surrounds the Pacific Ocean and many earthquakes seem to occur here and volcanic eruptions**

**Many people around the world believe that many volcanoes are not natural formations, but were created by civilisations in the past. This is another story too long to mention here.**

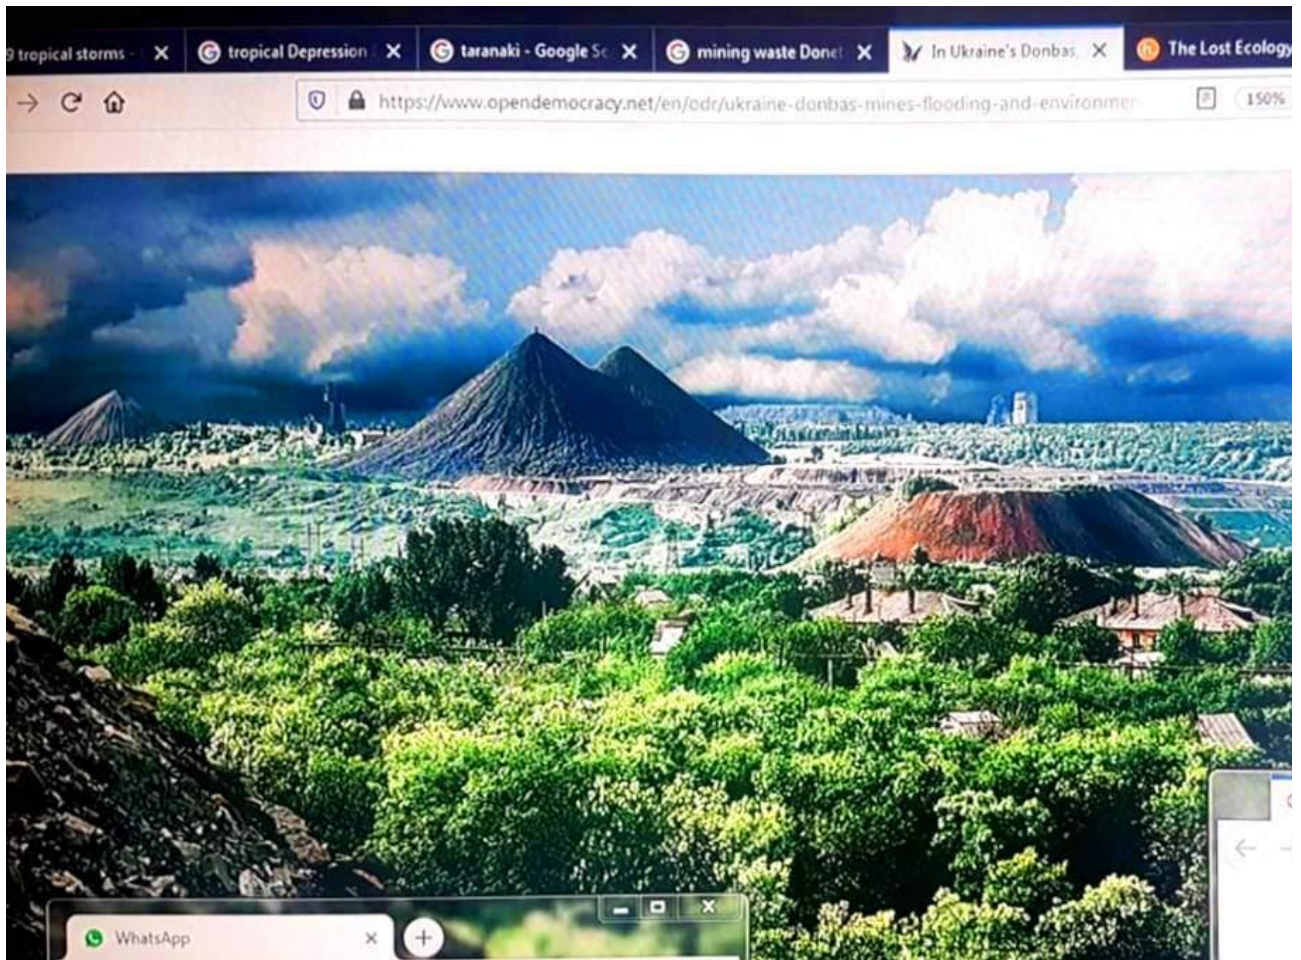

**Photo above - Hverfjall volcano area - Northern Iceland**

**Photo above - shows the remains of coal mine slag heap - Treverton - Pennsylvania - America**

**Researchers noted that many volcanoes around the world looked very similar to modern mining site remains**

**Mining waste in the Donbass region of eastern Ukraine**

**Photo above - Mount Taranaki, a volcano in New Zealand**

**According to historians, Mount Loa in Hawaii, is the biggest or largest volcano in the world.**

**Sandy Island, was located 19 degrees south**

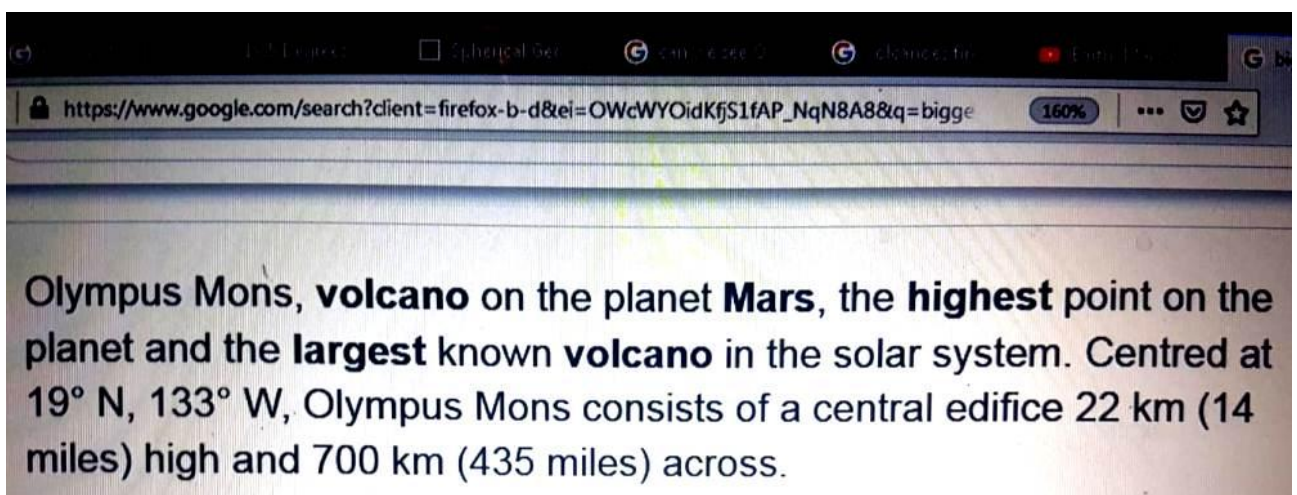

**Mount Loa, Hawaii, is located 19 degrees north**

**Many people around the world state that volcanic activity and earthquake activity is not natural and has been falsified. Researchers are examining such matters at the moment. This subject is too long to mention here**

**These people are labelled as conspiracy theorists**

**According to historians, the largest known volcano on the planet Mars is called Olympus Mons**

**Olympus Mons, is located 19 degrees north**

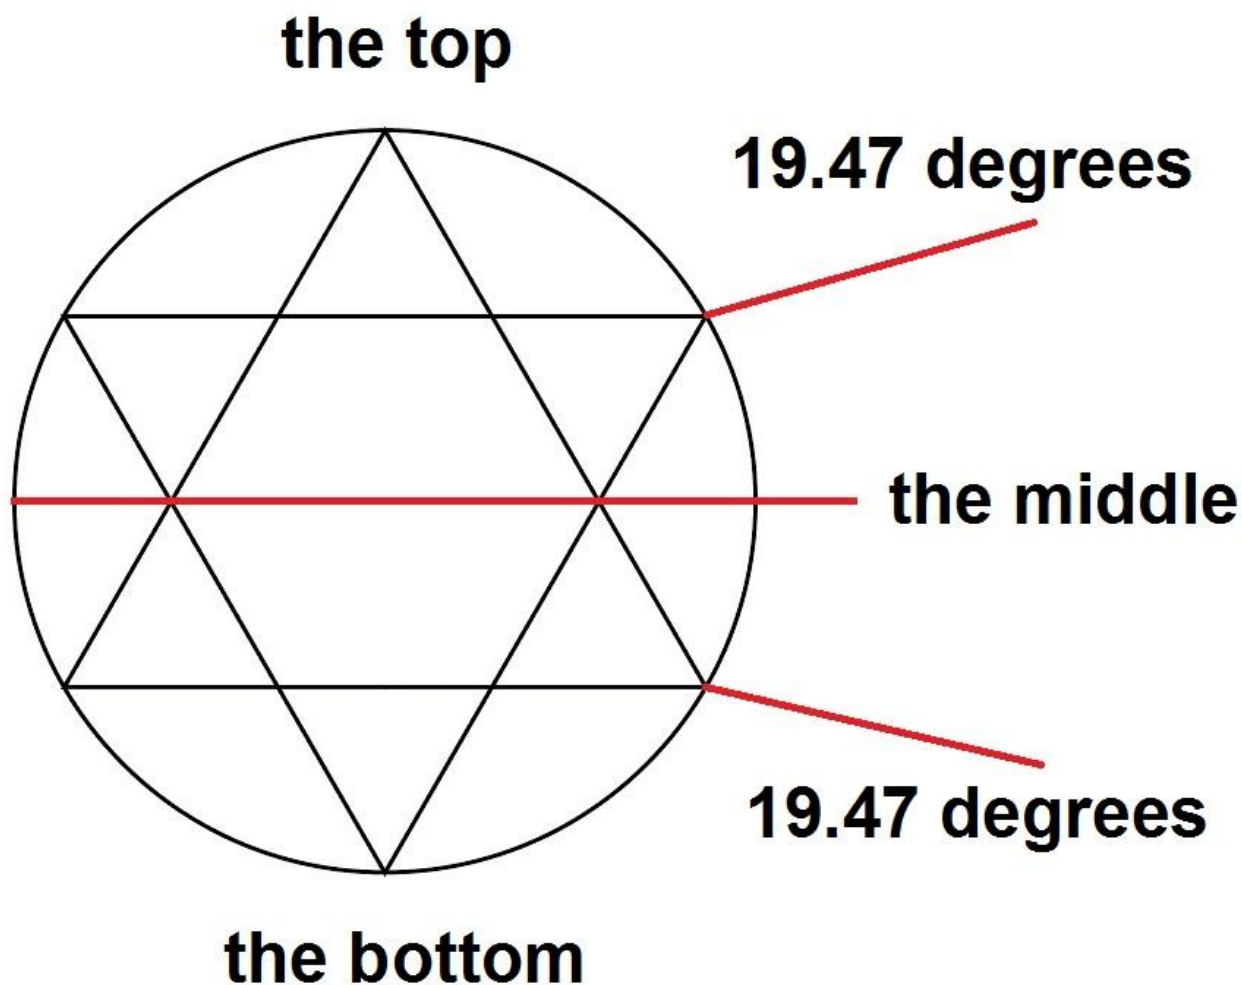

**Olympus Mons is said to be the largest known volcano in our solar system.**

**Can the existence of Olympus Mons be verified?**

**This is something researchers are examining right now**

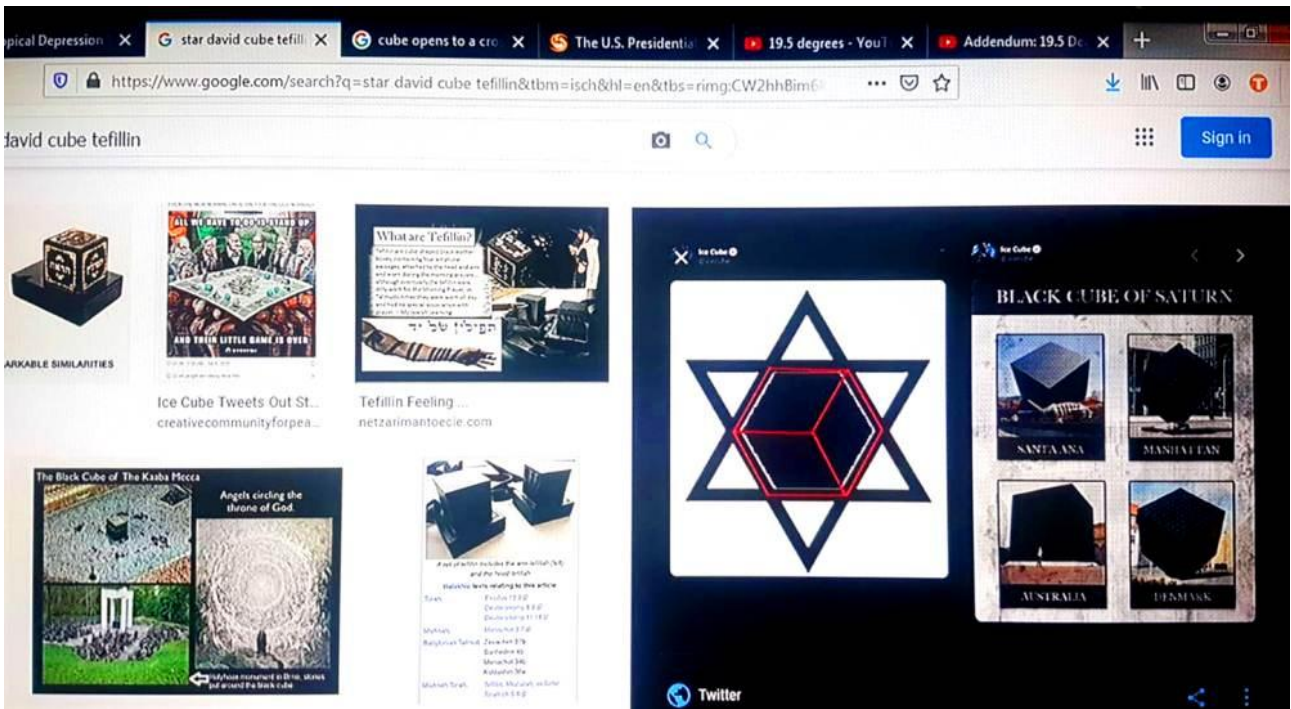

**There are many other reports by historians regarding the number 19, - and 19 degrees on the sun and moon and planets. These matters are being investigated by researchers and are too long to mention here**

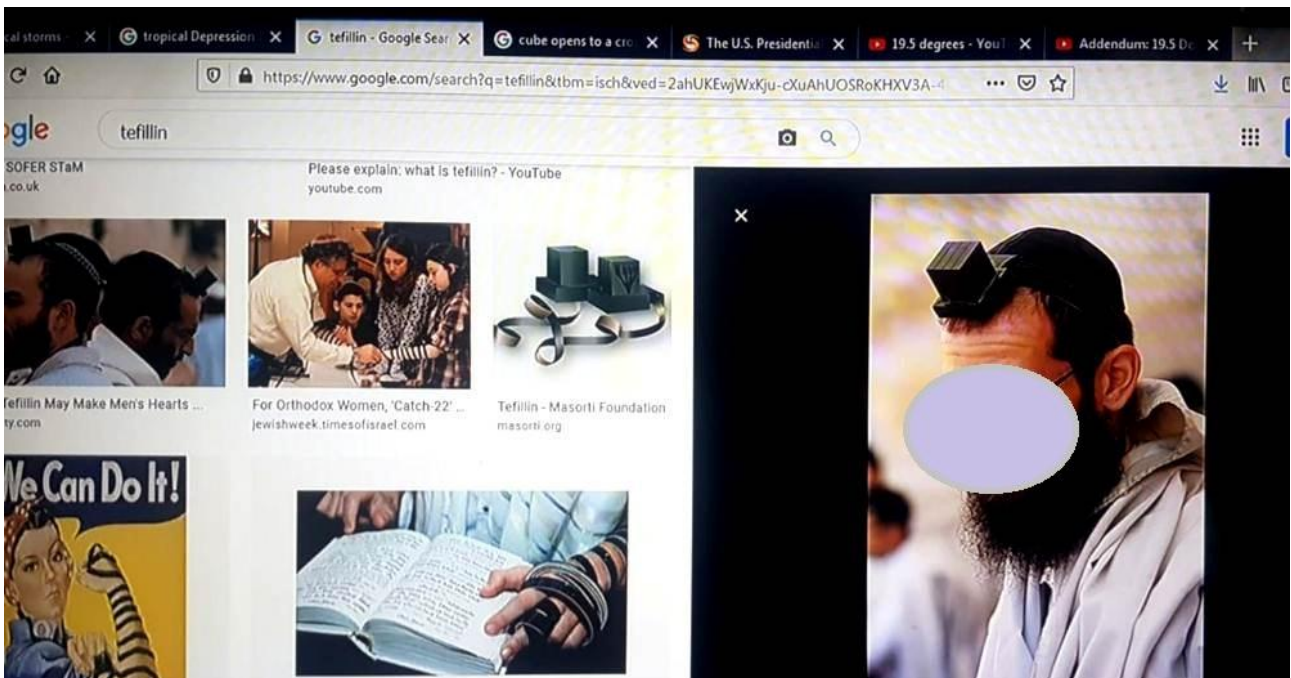

**The photo above shows the Star of David inside a circle to look similar to the planets. In the photo it can be seen where 19.47 degrees is found within the circle.**

**The Star of David is a symbol that is used by Jewish and Muslim and Christian people in many decorations**

Many people have noticed that inside the Star of David, it is possible to find the design of a cube

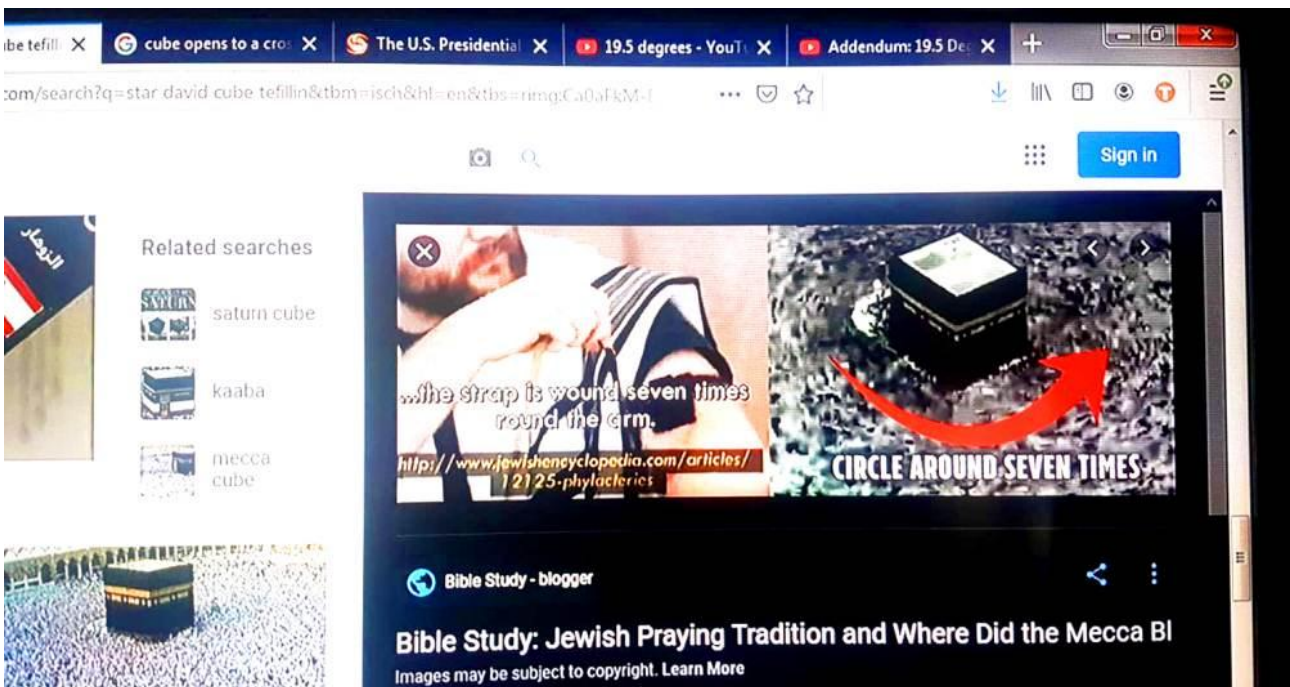

Many people pointed out that some Jewish people wear a box on their head and arm called Tefillin. Inside this box are religious words that are written down. For

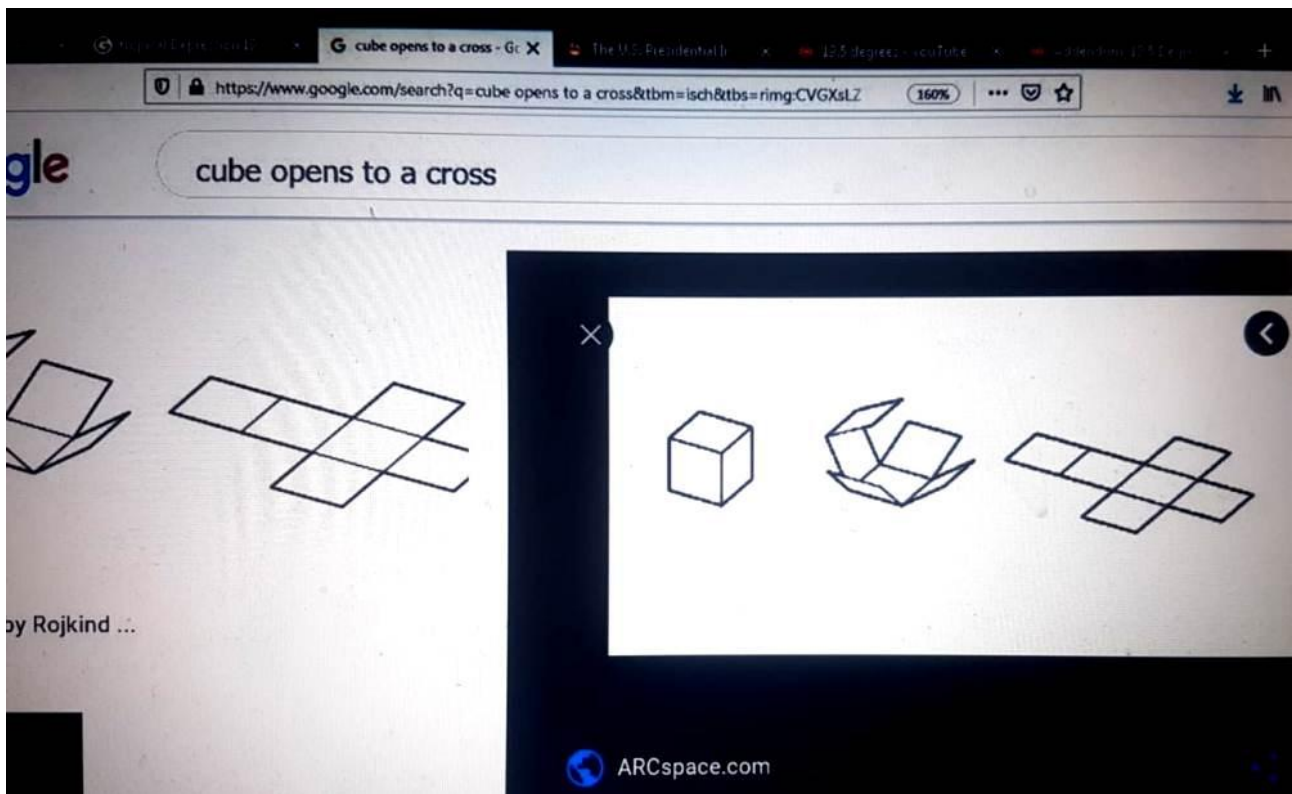

**example - it states the unity of the one God and commands people to love and fear God. Jewish people do not worship the box.**

**Jewish people sometimes wear the Tefillin on their arm. It is wrapped around the arm 7 times**

**Many people pointed out that some Muslim people go to a city called Mecca and pray there. There is a building located there that is the shape of a cube, called the Kaaba, and Muslims walk around it 7 times reciting religious words. Muslim people do not worship the Kaaba.**

**Many people noticed that when you open a cube, it looks like a cross.**

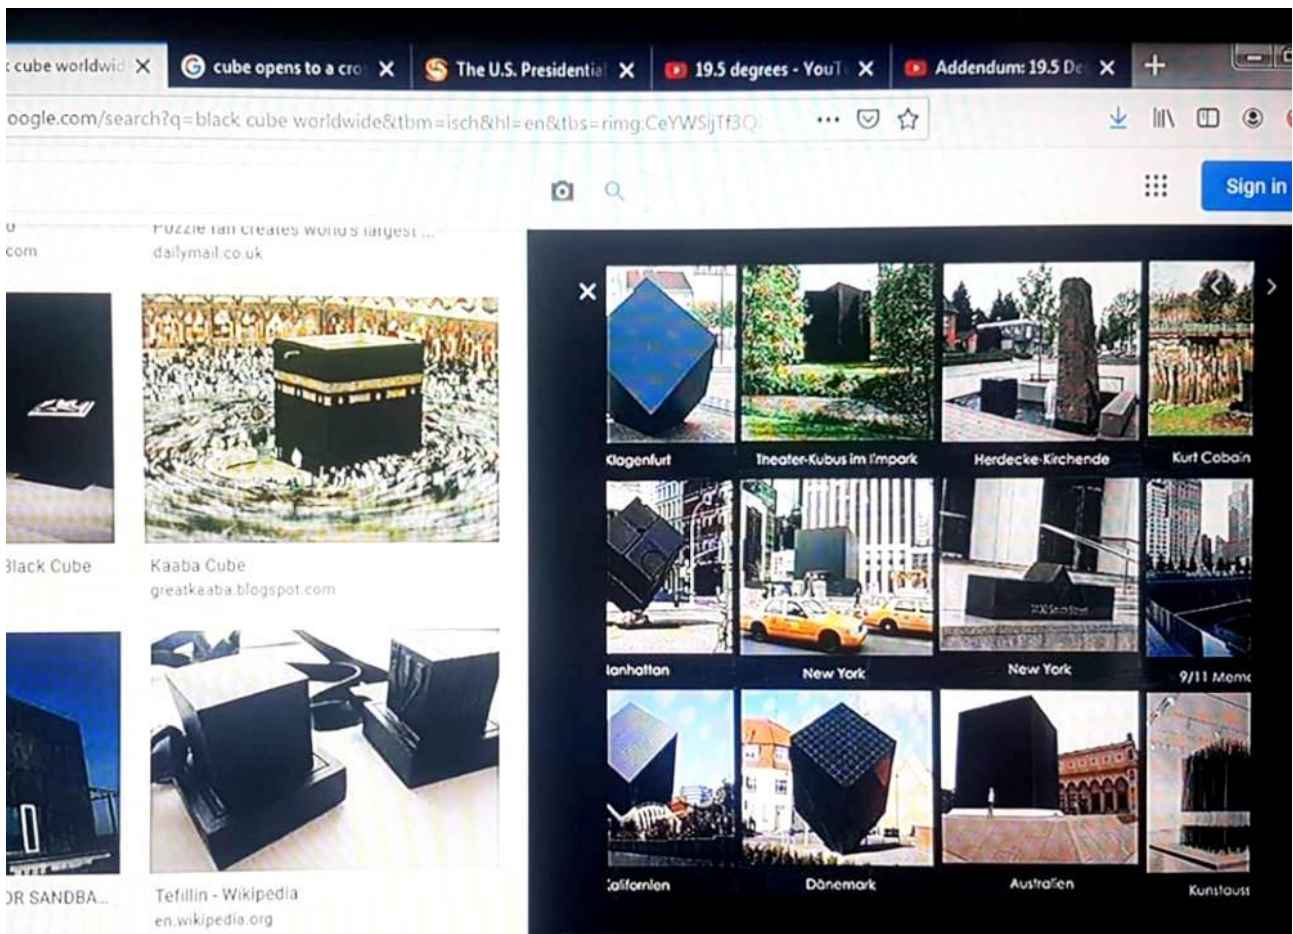

**The cross is used as a symbol in Christianity. Christianity states that Jesus Christ was crucified on a cross. Christians also mention that Jesus Christ said 7 last words on the cross. Christians generally do not worship the cross.**

**The number 7 has many meanings. It means different things to different people. For example there is 7 days in a week. The number 7 is very common in many things in science and nature**

**Regarding: - Jewish, Muslim and Christian people, - there is no evidence to that they worship the number 7**

**Much evidence has been presented by researchers such as Anatoly Fomenko (a very famous professor at Moscow State University) and others: - have shown that Christianity and Judaism and Islam were here a few centuries ago.**

**Therefore they are religious systems that existed during the old world order.**

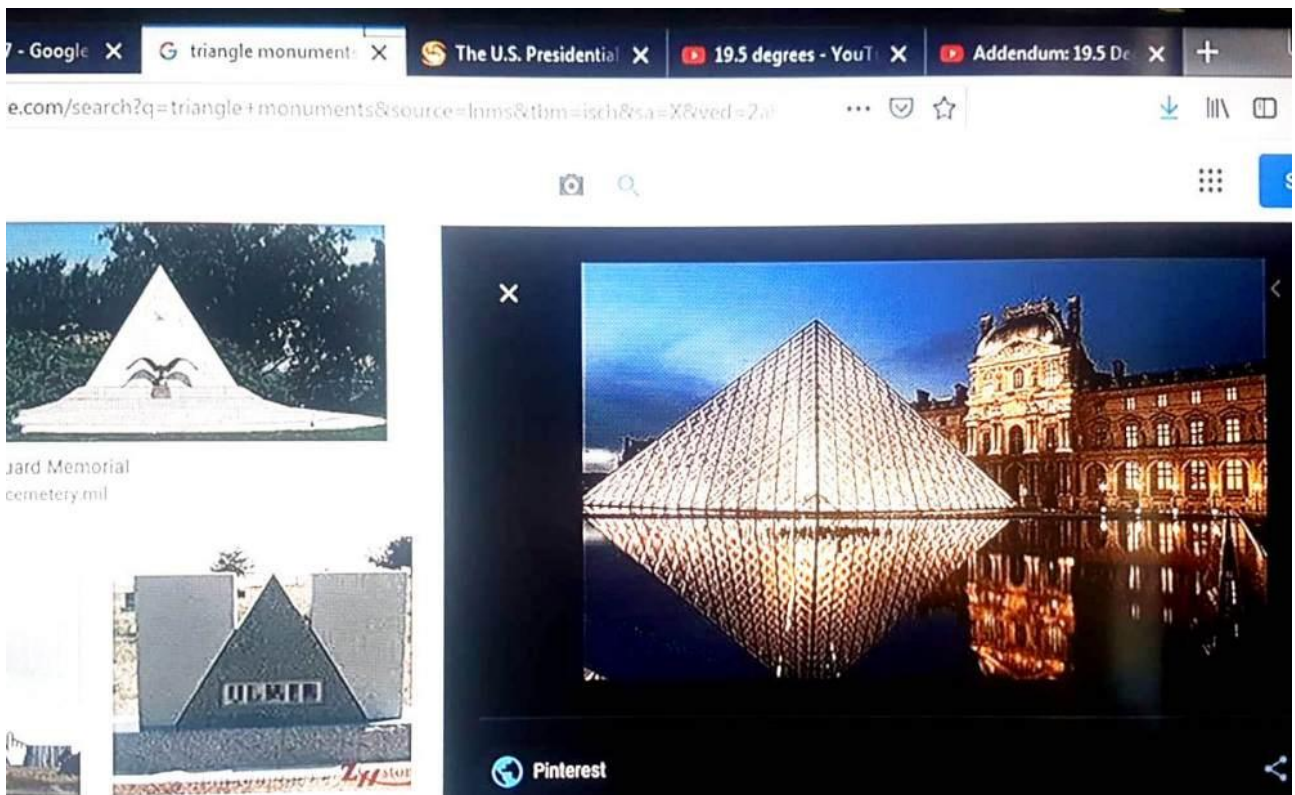

**There are many new square shape monuments in our modern world, built by the current world order. They are similar to the Muslim Kaaba and Jewish Tefillin.**

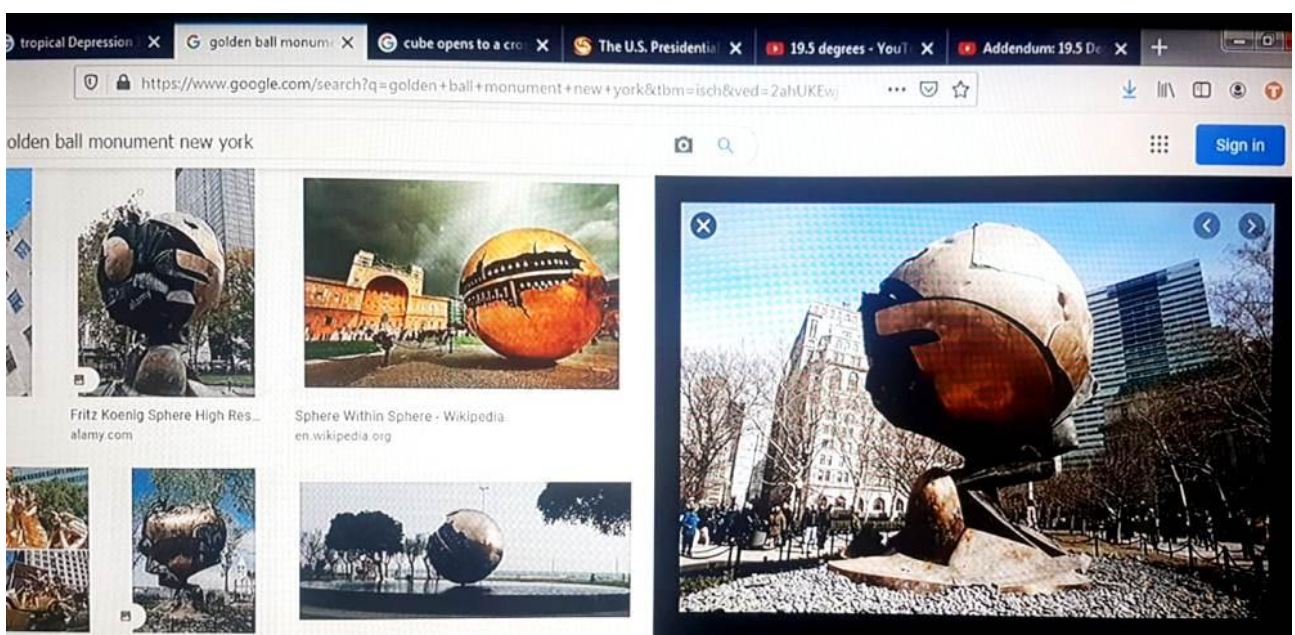

**The people who built these objects, - which can be seen in many places around the world, - have nothing to do with Islam or Judaism**

**The current world order has built square shape monuments and circular shape monuments and triangular shape monuments. These monuments have**

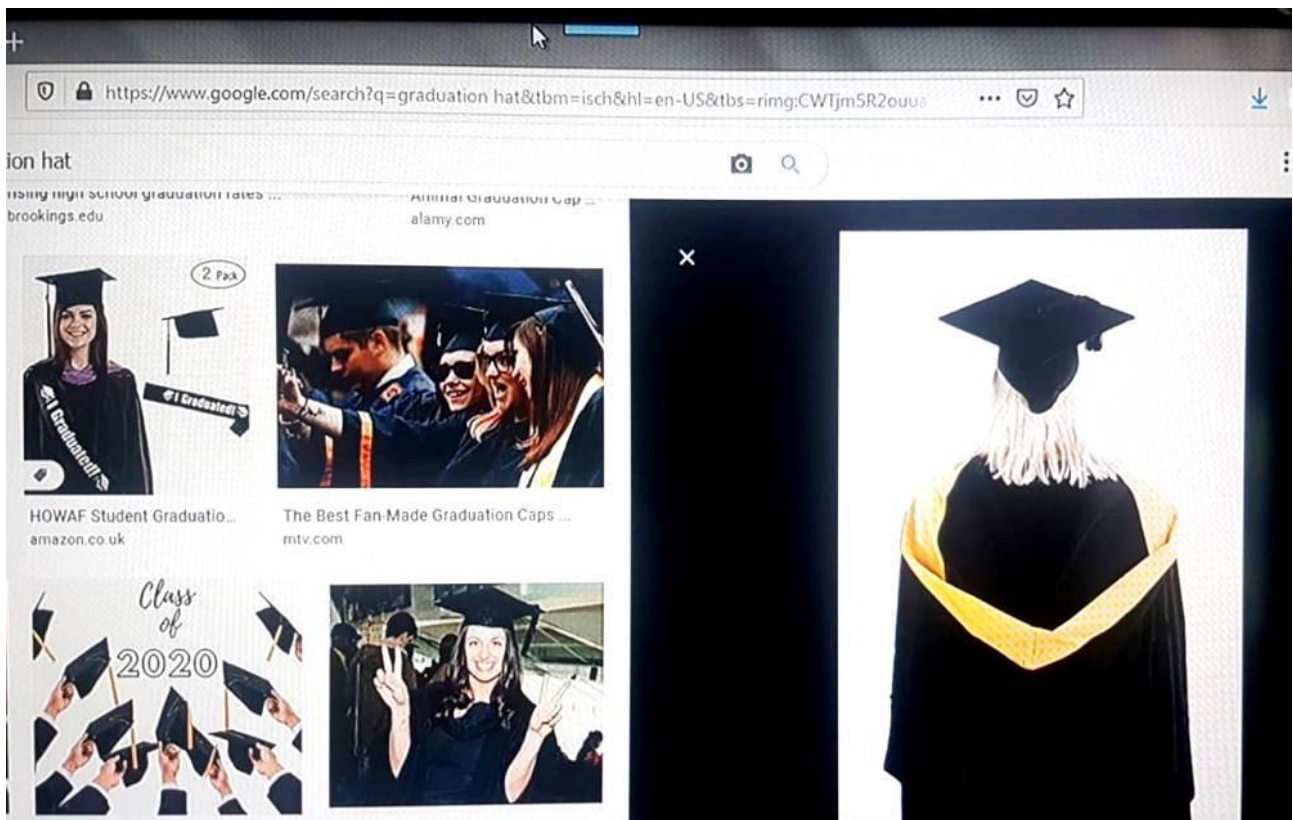

nothing to do with the old world order, and were placed there recently

Triangular shape monuments can be seen around the world

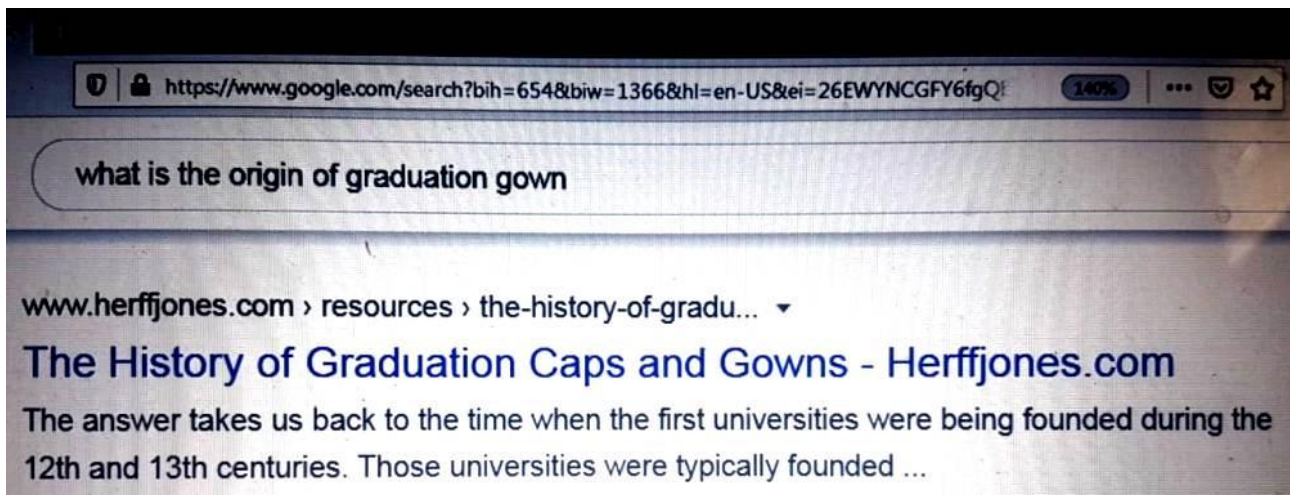

## **Circular shape monuments can be seen around the world**

**The photo above shows what people wear when they graduate. Graduation is when people have learned something. There is a cube shape hat and black cloth that people wear.**

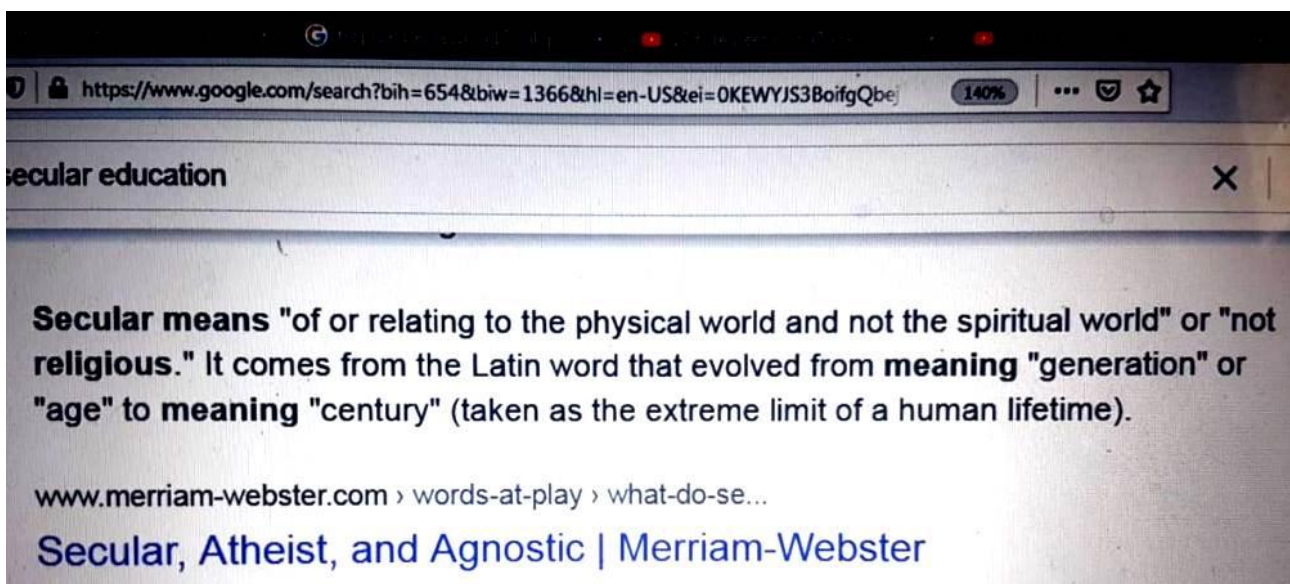

**These clothes are very similar to the Kaaba which is cube shape. Many researchers noted that the English word cube probably came from the Arabic word Kaaba. The Kaaba is cube shape and has black cloth covering the building**

**There is much evidence to show that this fashion is many centuries old and from the previous world order.**

**The old world order which some people call Tartaria, was known to many people as: - the Order of "heaven"**

**The order that they are trying to build today, is known as the new order of the "world"**

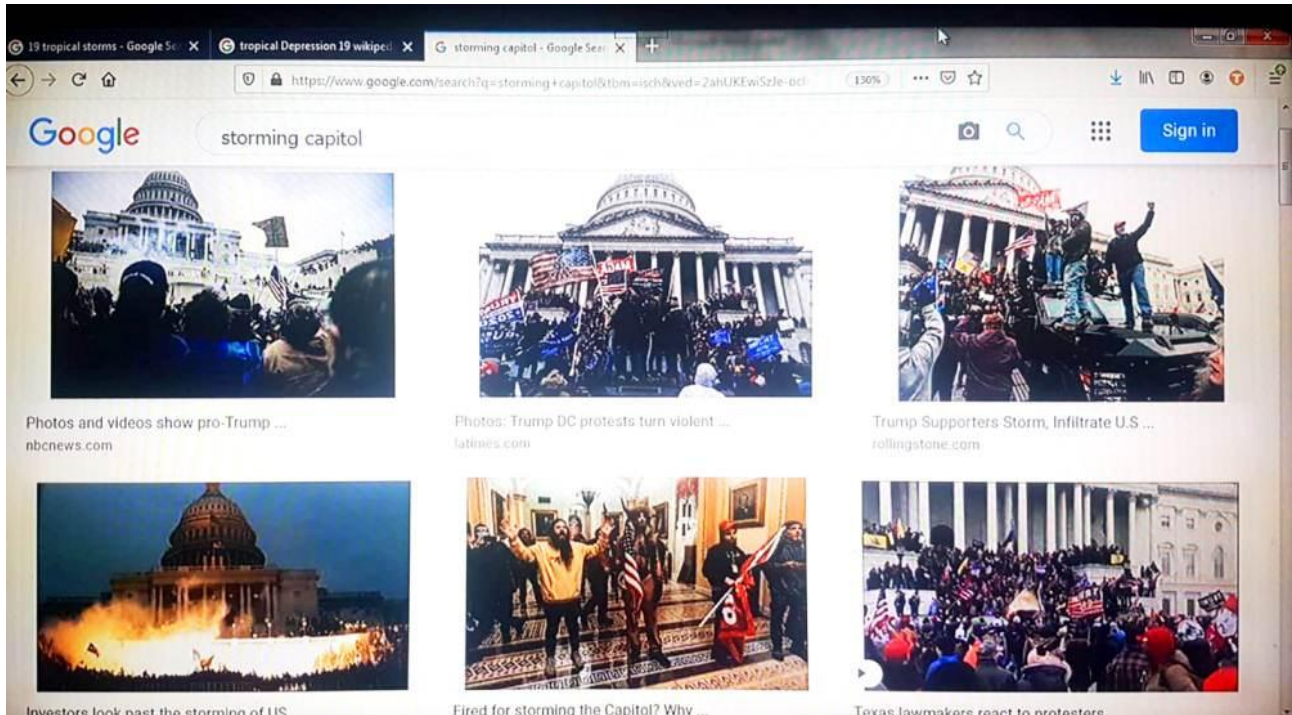

**Many educational centres around the world have joined the new world secular education system. Secular education basically means: - education without God**

**Many symbols of the previous world order are still used in our world today. Many people are not aware of Tartaria and the old world system, and they believe that the graduation clothes are a satanic symbol. The evidence does not show a relationship with Satan**

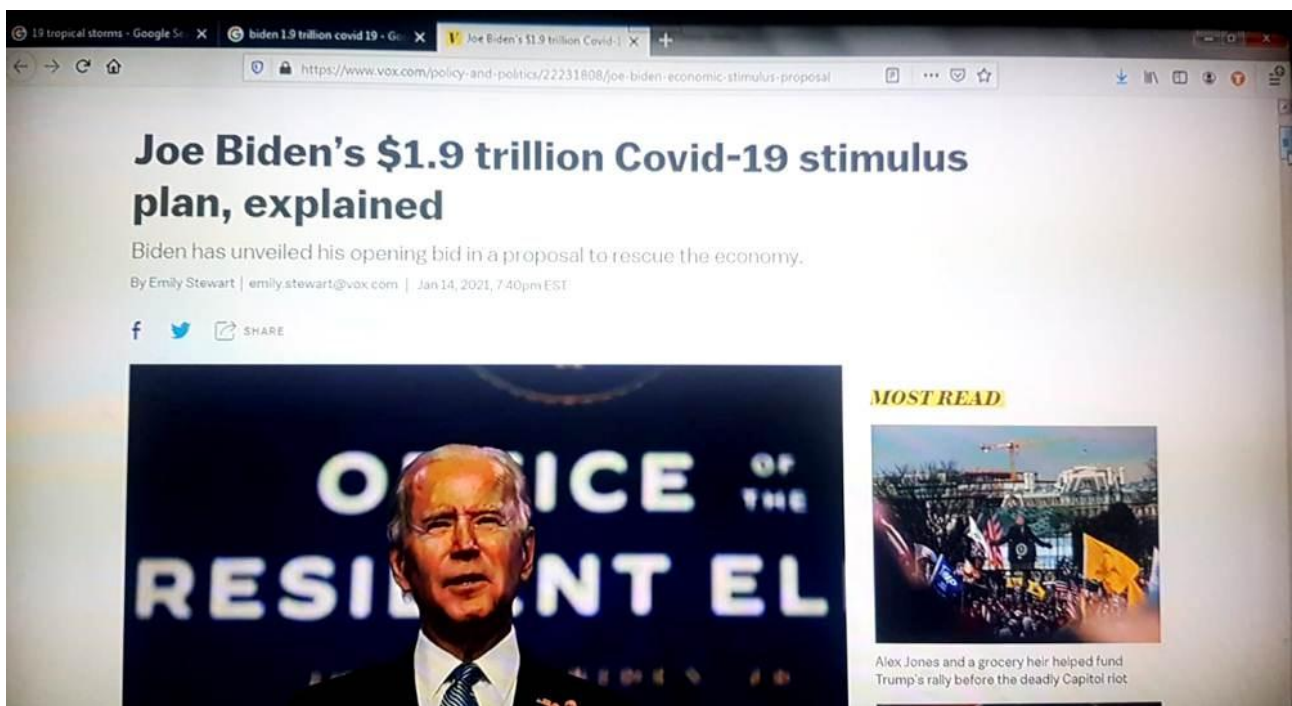

**The graduation clothes are an example of things that survived from the previous world order. The evidence shows that the clothes have not changed, but the education system changed. The education system we have today is teaching new world history and new world science. Researchers such as Anatoly Fomenko and others have shown that this new world history is full of lies**

**Researchers noted that it is of course a serious question why the graduation clothes were similar to the Muslim Kaaba. There is much evidence to show that Islam and Muslims played a greater role in Europe and America in the previous world order. That is another story which is too long to mention here**

**In the previous world order, geometry and astronomy was applied to many things, but this does not mean that the all people in the previous world order worshipped such things. Today we also apply such things**

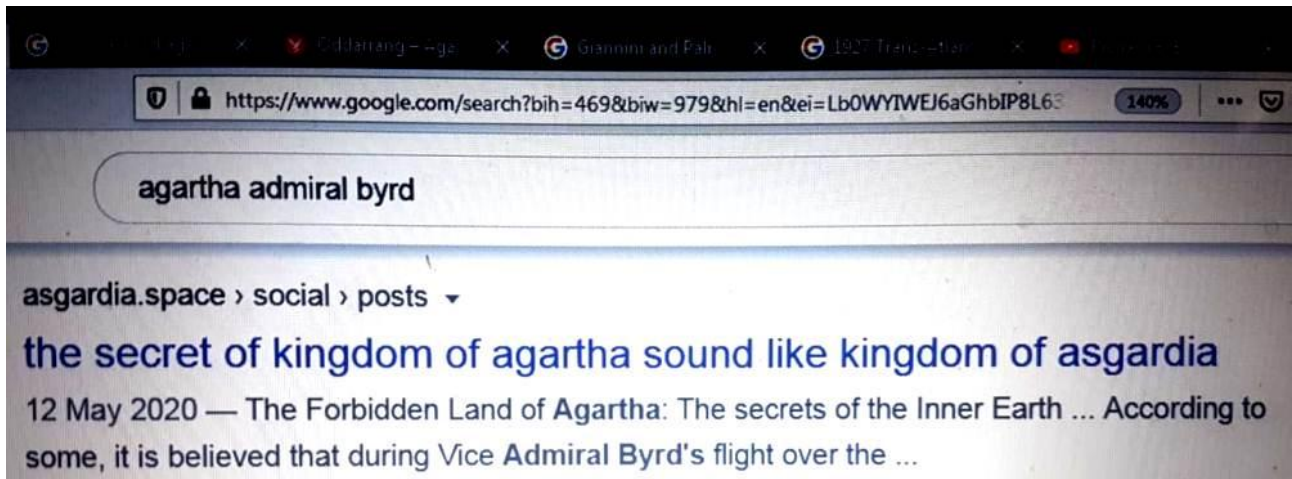

**After September 11 and Sandy Hook, many people woke up. But many people were distracted by fake protests leaders. These people spoke some truth and mixed it with other things. These so called heroes were created to distract people from greater truths**

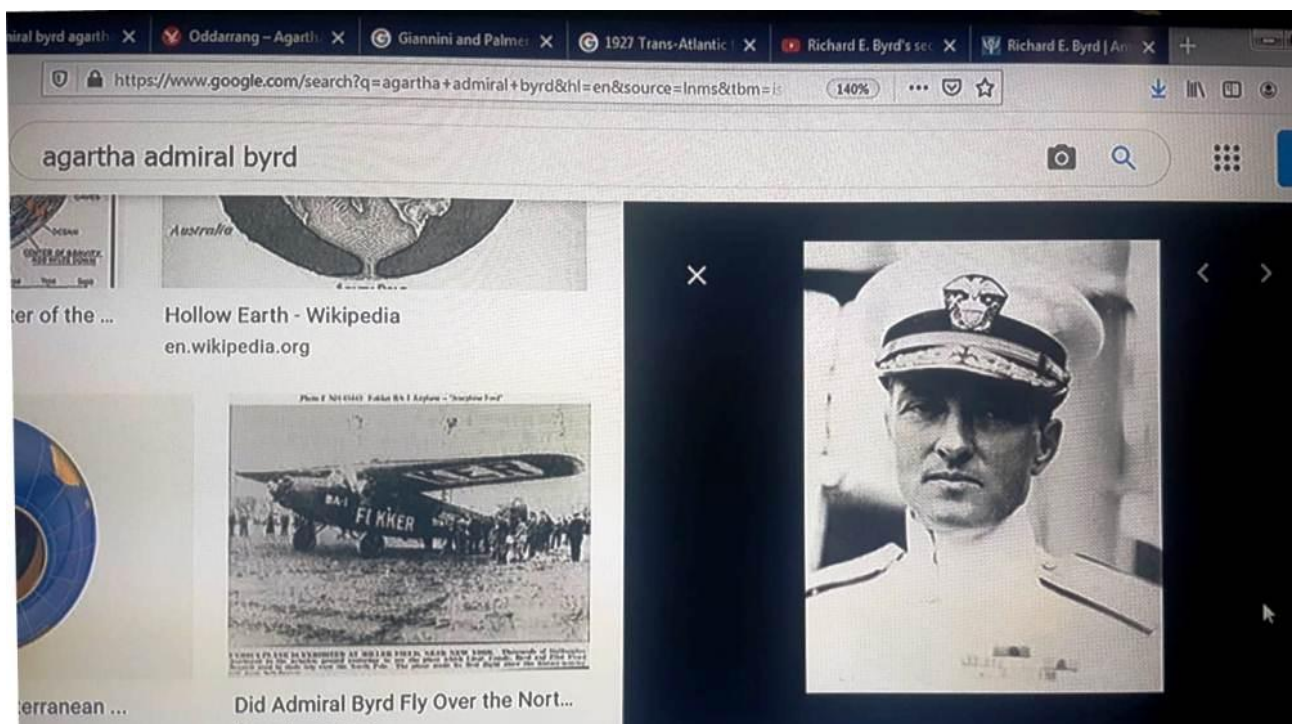

**Many people believe that Agartha is inside the earth or is underground. Many people state that you can go to Agartha by going to the North or South Pole**

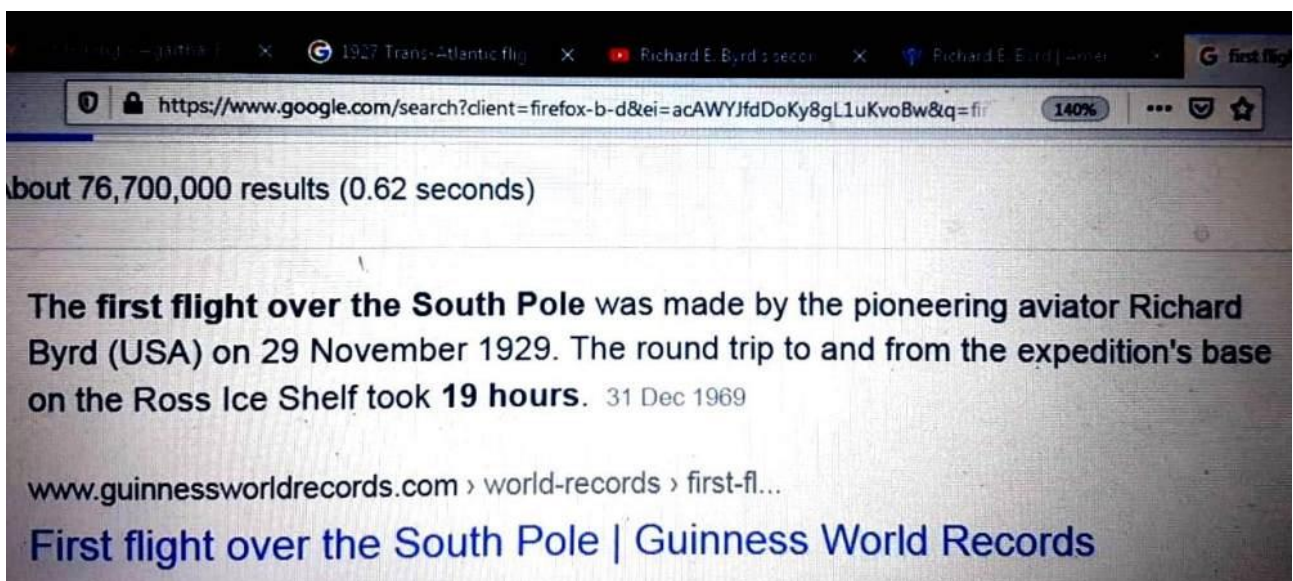

**Many people believe that a man named Admiral Byrd has been to Agartha**

**Historians state that Admiral Byrd was an American naval officer and explorer**

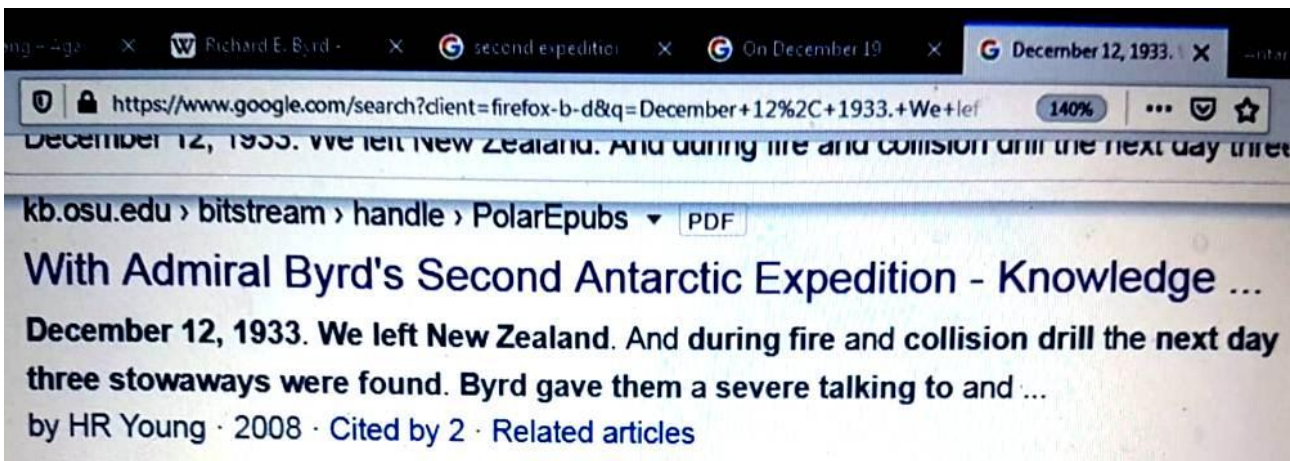

**Researchers found many problems with the events in the life of Admiral Byrd. His life story seems to have been falsified. The history of the world between 1900 and 1950 showed many lies which are too long to mention here.**

**Historians state that Admiral Byrd was the first to fly over the South Pole in November 1929. This journey took 19 hours to complete**

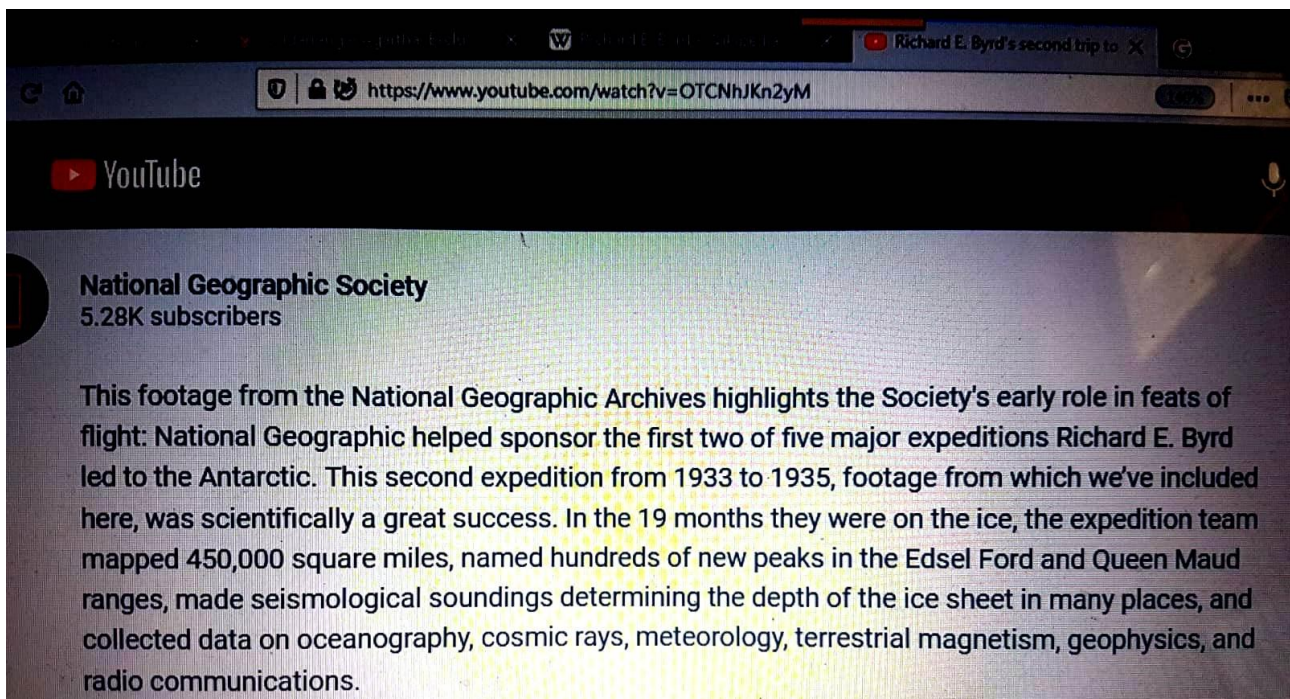

**Admiral Byrd made a Trans-Atlantic flight in 1927. When he returned to America, a celebration dinner was held on July 19**

**Admiral Byrd did his second expedition to Antarctica between 1933 and 1935. He left New Zealand on December 12, 1933**

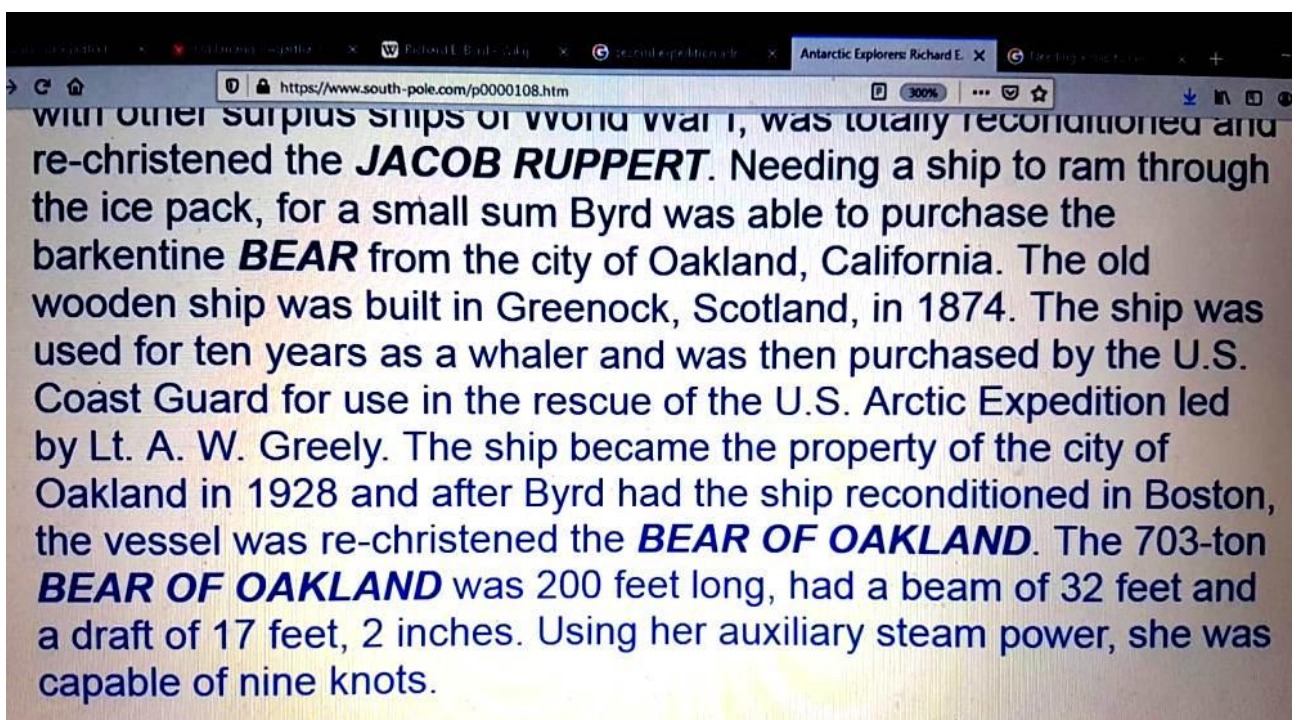

**Admiral Byrd and his team saw the first icebergs on the borders of Antarctica on December 19, 1933. That day was important because a baby calf was born “allegedly” among the cows that Byrd took with him to Antarctica**

**Admiral Byrd's team spent 19 months on the ice of Antarctica during this expedition**

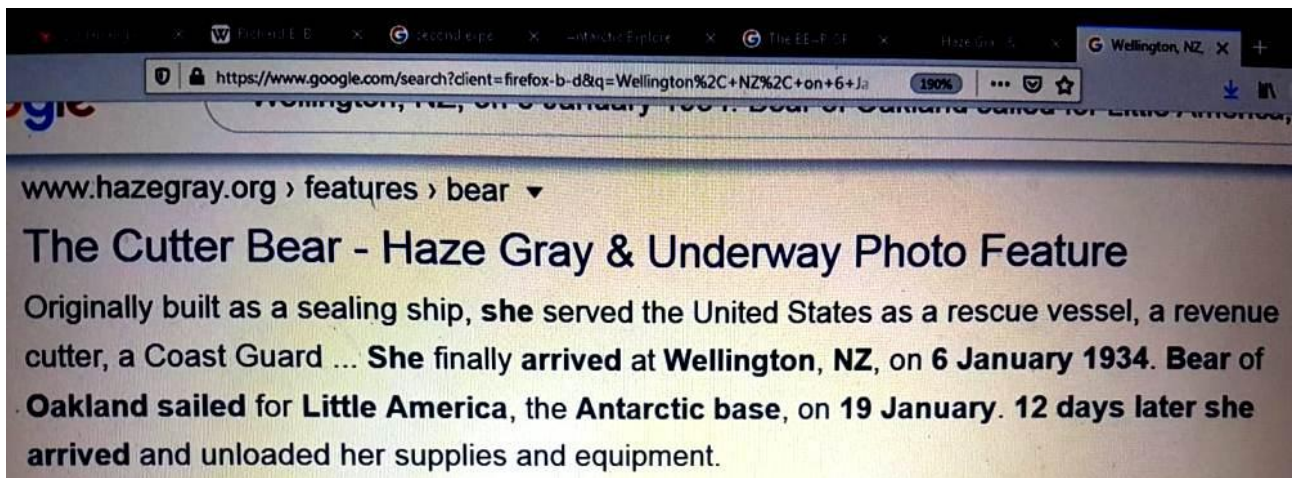

**The 1933 expedition to Antarctica for Admiral Byrd: - was his second expedition. His first expedition to Antarctica was in 1928. Different people were involved with Admiral Byrd on these 2 events. A total of 18 men took part in both events. Including Admiral Byrd, the estimated total is 19 men**

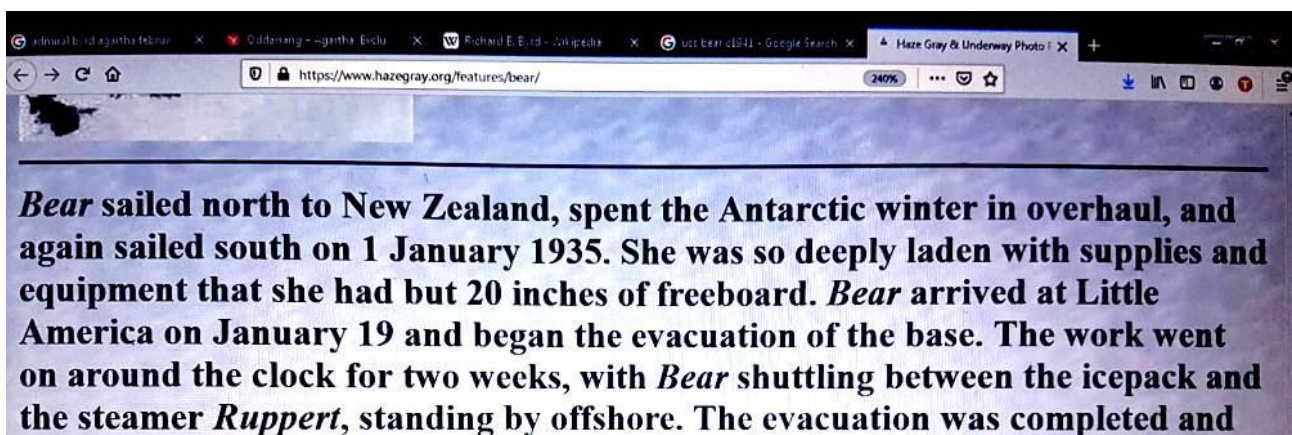

**Admiral Byrd bought a wooden ship to go through the ice for his Antarctica expedition. The ship was called**

**the USS Bear (Bear of Oakland). A wooden ship? To go through the ice? The ship was built in 18-74**

**The USS Bear (Bear of Oakland) left New Zealand to go to the Antarctic base to join the second expedition of Admiral Byrd on 19 January 1934. The ship then went back to New Zealand**

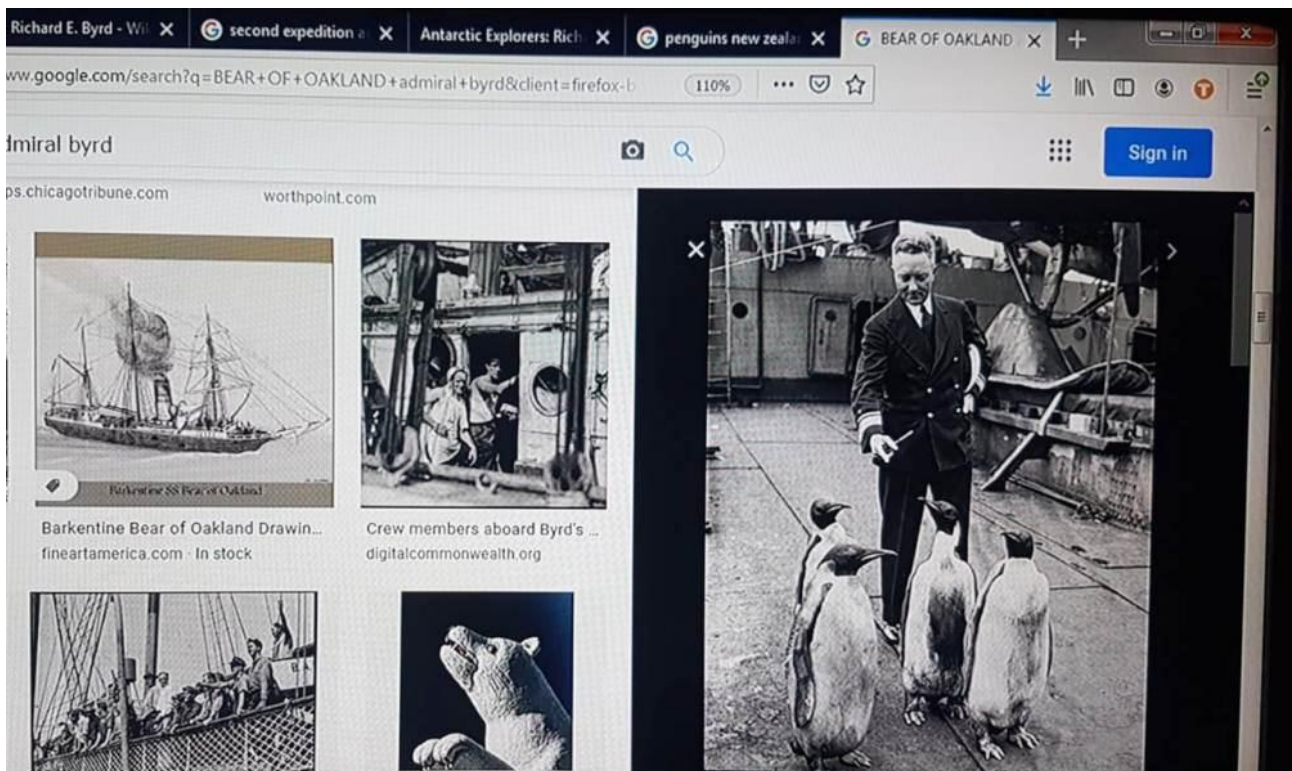

**The USS Bear (Bear of Oakland) left New Zealand again on January 1, 1935 to go to the Antarctic base. The ship arrived at the base on January 19, 1935**

**Above is a photo of the USS Bear (Bear of Oakland), during the 1939-1940 (third) Antarctic expedition of Admiral Byrd**

**The USS Bear - sank on 19 March 1963**

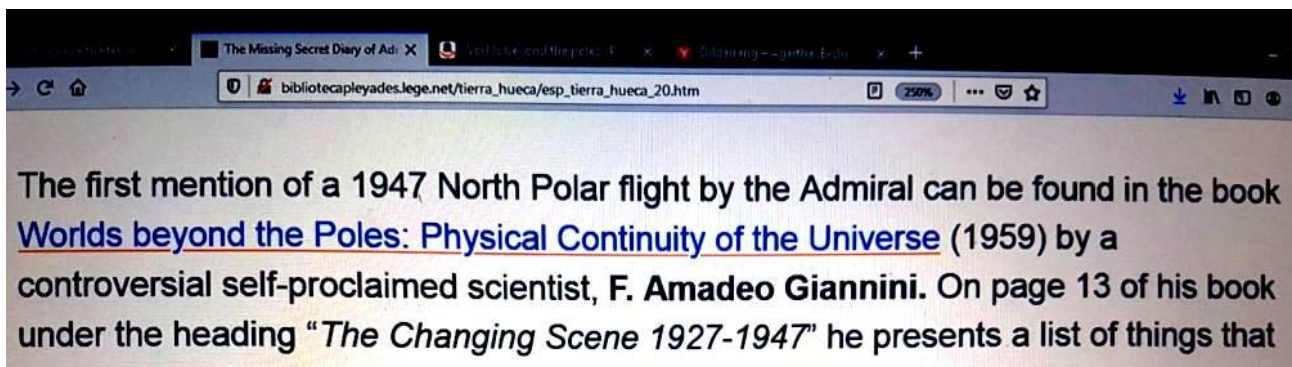

**Photo above- Admiral Byrd with some penguins**

**Admiral Byrd and his expeditions were big media shows at the time. Same like the moon landings were big media shows. Same like September 11 was a big media show. Same like elections are big media shows**

**Many researchers believe that the adventures of Admiral Byrd were falsified and they were nothing more than a media show for that time.**

**September 11 was big for the people of the world in 2001. The moon landings were big for people in 1969. Coronavirus was big for people in 2020. The Antarctica expeditions were big for that time. The media advertised all these events and made sure that they became big**

**Evidence showed that story of Admiral Byrd going to Agartha became famous around 1959. The story probably originated from the October 1947 National Geography Magazine. In that magazine, there was a story called: - "Our Navy Explores Antarctica". In this story Admiral Byrd speaks about the "Mystery Land beyond The Pole".**

**Regarding the story of Admiral Byrd: - the story claimed that he went to Agartha.**

**This story "claims" that: -Admiral Byrd supposedly found the entrance to the Hollow Earth or Agartha on 19 February, 1947**

**The number 19 and the number 74 seemed very suspicious to many researchers.**

**According to historians, Neil Armstrong was the first man to walk on the moon. He was an American man from the United States. The moon landings allegedly took place on July 20, 1969, a few years after Yuri Gagarin allegedly flew out into space. Yuri Gagarin was the first man in space and he was Russian**

**Photo above - Neil Armstrong and Yuri Gagarin  
Both men looked the same.**

**19 minutes after Neil Armstrong, - Buzz Aldrin was  
allegedly the second man on the moon**

**The moon landings allegedly took place on July 20, 1969. But what people do not realise is that historians state that Neil Armstrong and Buzz Aldrin arrived at the moon the day before.**

**According to historians, they entered the moons orbit on July 19, 1969**

**Michael Collins, was an astronaut, who was with Armstrong and Buzz Aldrin. Michael Collins said that that Buzz Aldrin had eaten oatmeal 19 times since they left earth. There was no reason to say this. It was almost like it was part of a plan**

**Four months after Neil Armstrong went to the moon. Another expedition went to the moon. The stories of going to the moon were very popular in the media same like the expeditions to Antarctica. This mission was called Apollo 12.**

**It was clear that the people who created the first moon landing were continuing the story while it was popular and in demand**

**Apollo 12 landed on the moon and Pete Conrad was the third man on the moon according to historians. This happened on the 19 November 1969**

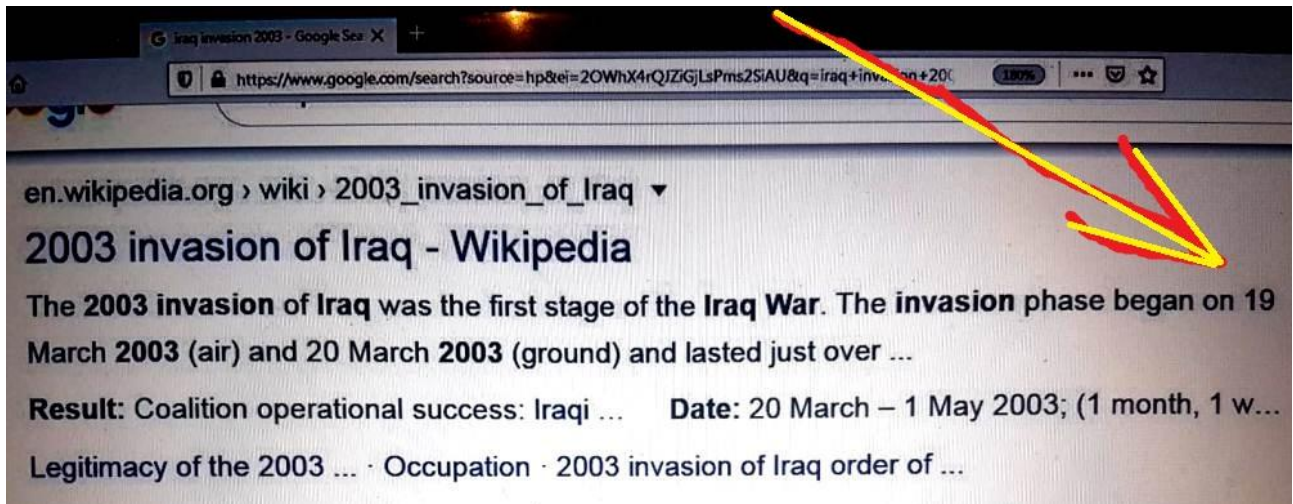

**On September 11, 2001, also known as 9/11, there were 4 incidents that took place in the United States of America.**

**Historians now state that 19 men carried out attacks on that day, who are alleged to be modern Muslims.**

**On 19 March 2003, the United States of America and its allies invaded Iraq**

**The air invasion started on 19 March and the ground invasion started the next day on 20 March, 2003.**

**On March 19, 2011, America and its European allies started the bombing campaign of Libya and this led to the death of Gaddafi.**

**Coronavirus, also known as COVID 19, was probably first noticed in December 2019**

**Coronavirus became a global matter throughout 2020, which was 19 years after September 11, 2001.**

$$A = 1$$

$$B = 2$$

$$C = 3$$

$$D = 4$$

$$E = 5$$

$$F = 6$$

$$G = 7$$

$$H = 8$$

$$I = 9$$

**Artificial Intelligence - AI = 19**

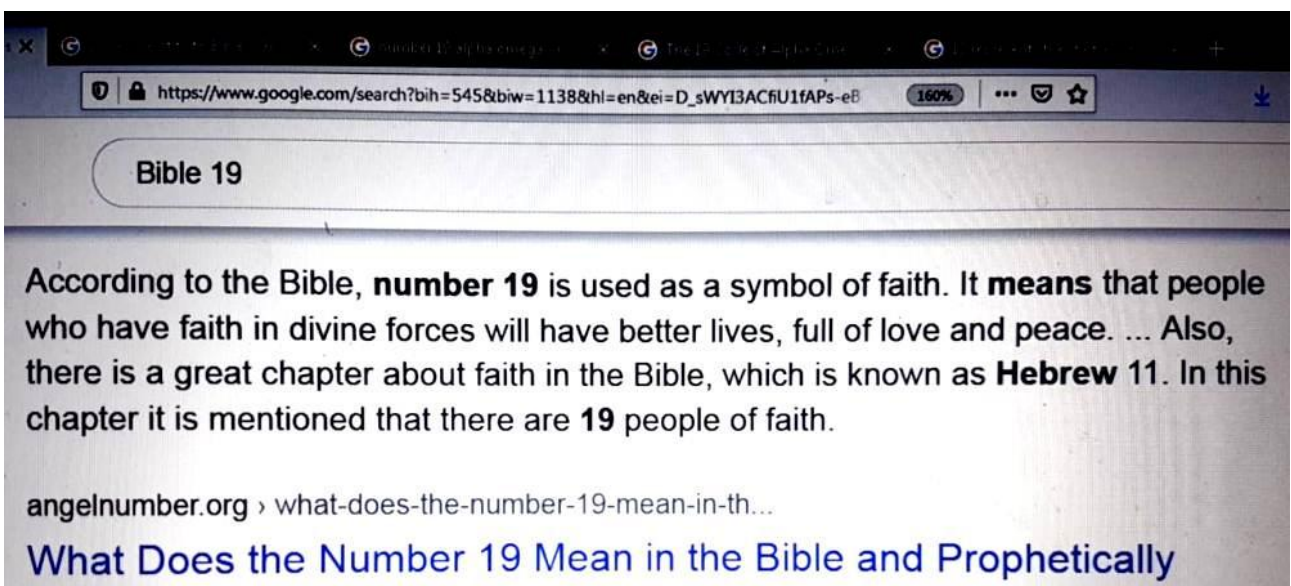

In the photo above, we can see what is the mathematical value of - AI - in numerical English gematria

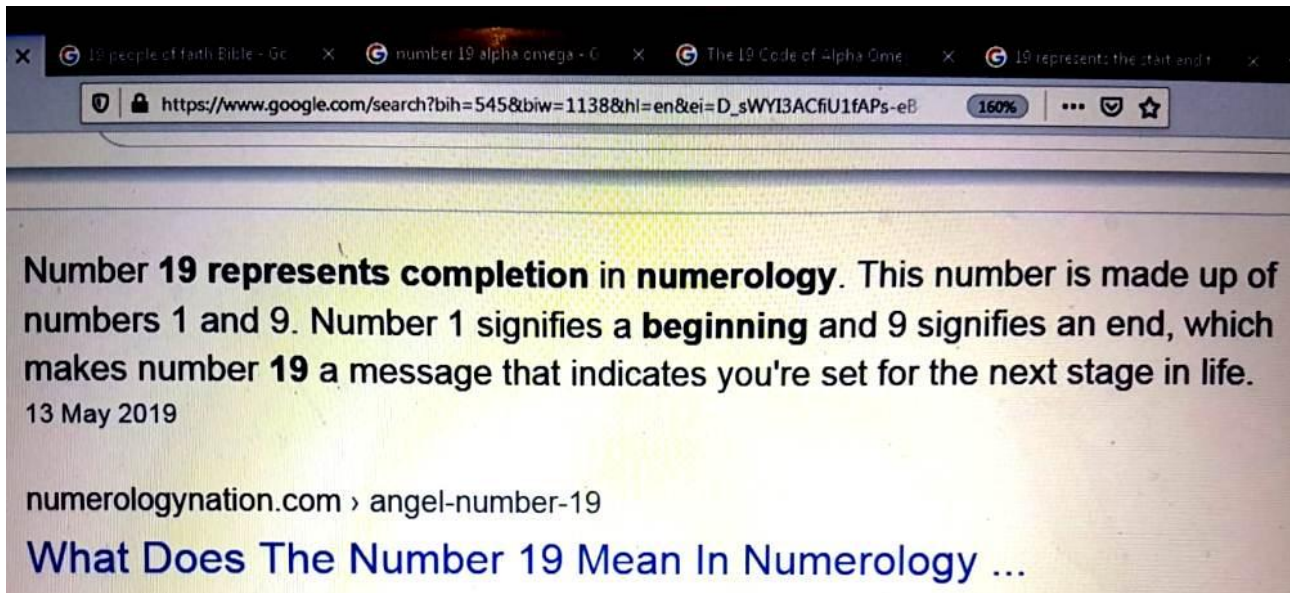

**Artificial Intelligence (AI = 19)**

What is the number 19?

**According to the Bible, the number 19 is a symbol of faith. Researchers noted that the Bible has been modified and took this into account**

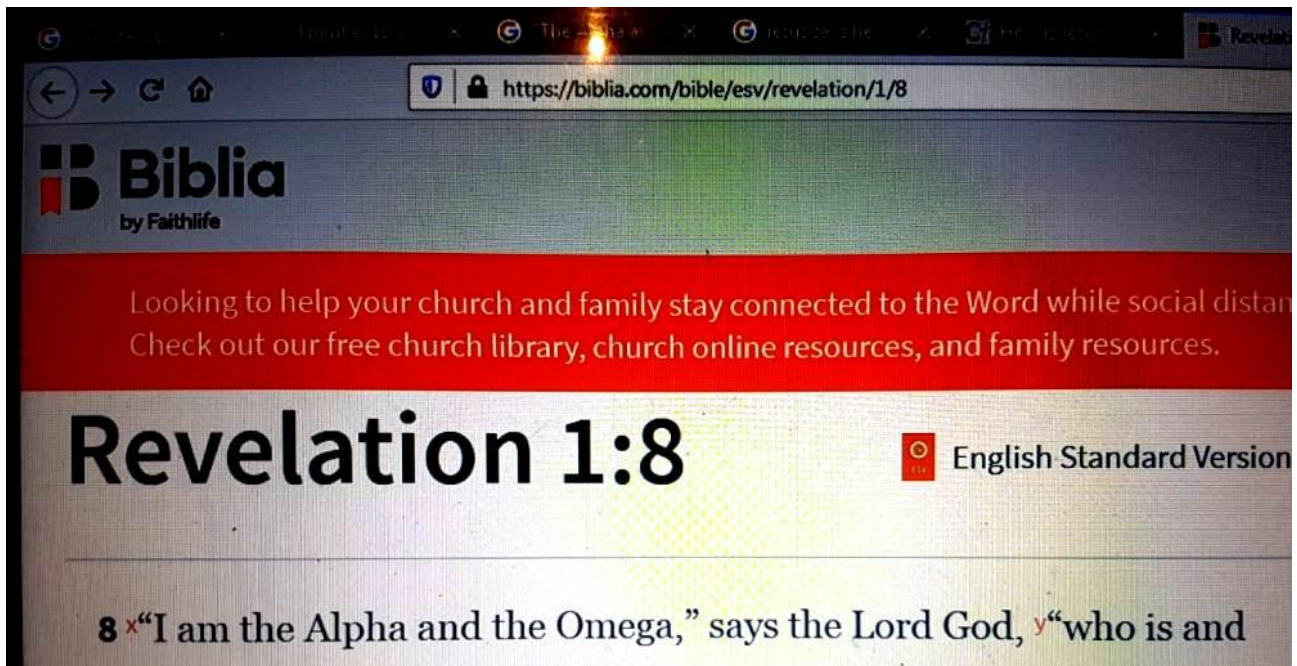

**In numerology it is said that 19 represents the beginning and the end. 1 is the beginning. 9 is the last or the end. It is the Alpha and the Omega.**

**In the Bible, in several places it states that God, the creator of heaven and earth is the Alpha and the Omega. The Bible and Christianity has been changed and modified. That is another subject which is too long to mention here.**

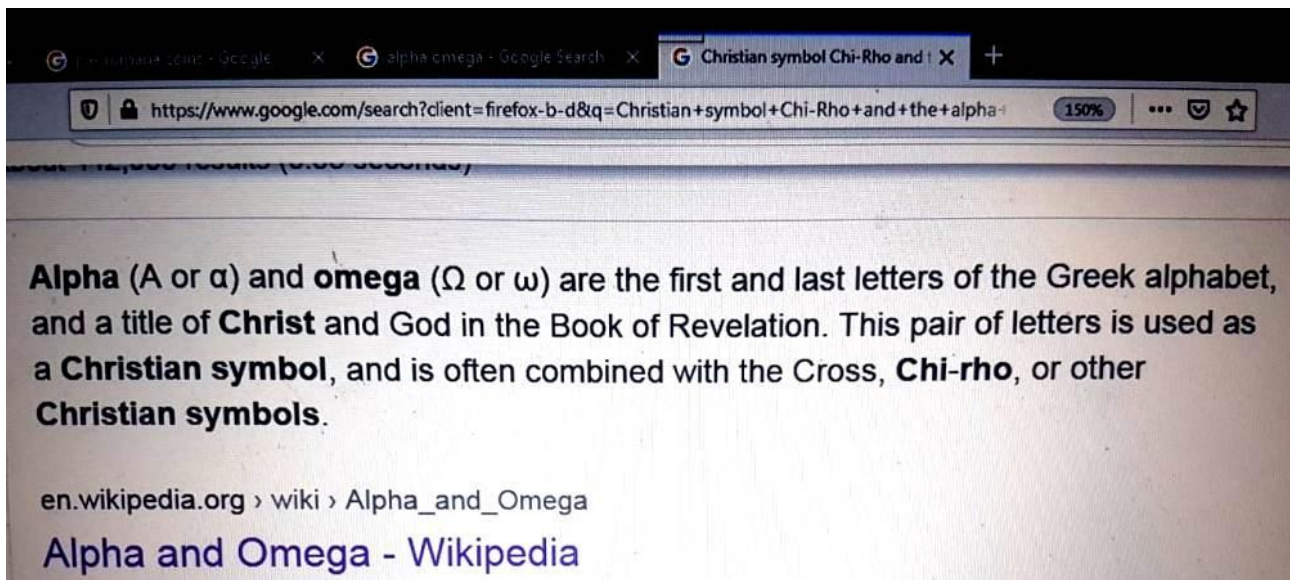

**God was known as the Alpha and the Omega, but many modern Christians now give this name to Jesus Christ also to match the Trinity. There is much evidence that researchers have shown, that the Trinity was not part of original Christianity and was created later for political purposes.**

**ALPHA**

**OMEGA**

The symbol in the photo above is a very famous Roman symbol found in many places and on many historical relics. It is known as Pax Romana (the Roman Peace). It looks like a P and X. There are 2 other characters in the photo, known as the Alpha and the Omega.

**The Romans were famous for using the symbols that are today known as the Alpha and the Omega.**

**Historians claim that they are Greek letters and claim that they are allegedly Christian symbols**

**What researchers found very strange was that the Alpha and the Omega in the Pax Romana look exactly like the symbol for Allah (God in Arabic). Alpha is known as Aleph in Arabic**

**Researchers concluded that the Pax Romana - was the Peace of Allah or the Peace of God**

**Pax means peace. Islam - or - Salam means peace.**

**Rahmana means merciful God in Arabic**

**Photo below - shows the letters for the Alpha and the Omega from Pax Romana, - and - it also shows the**

letters for the symbols used to write the word Allah in the Arabic language

**Omega**

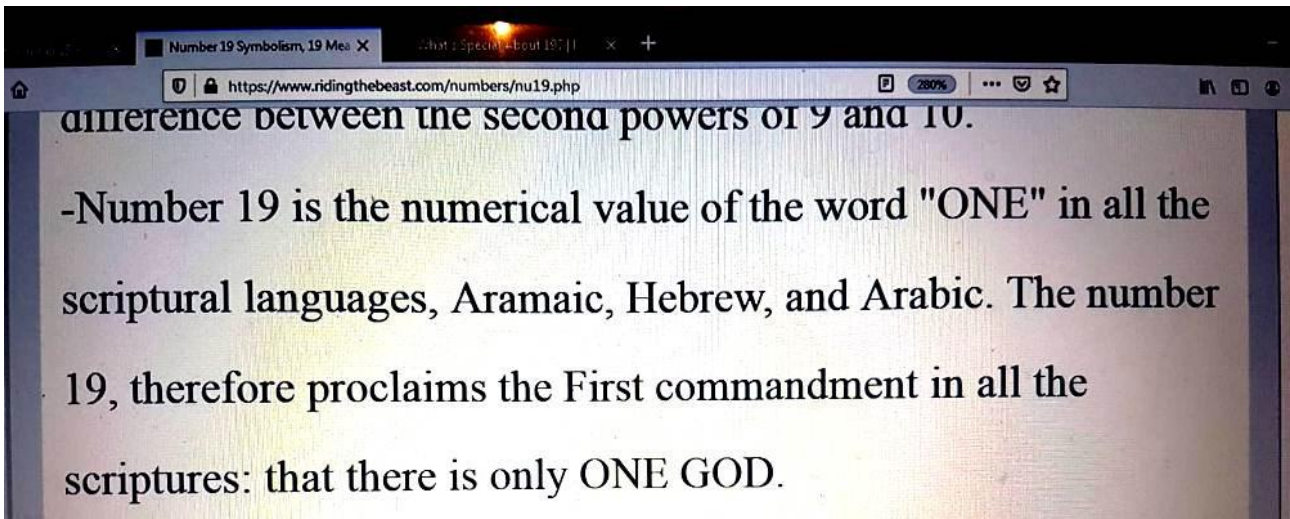

**Alpha**

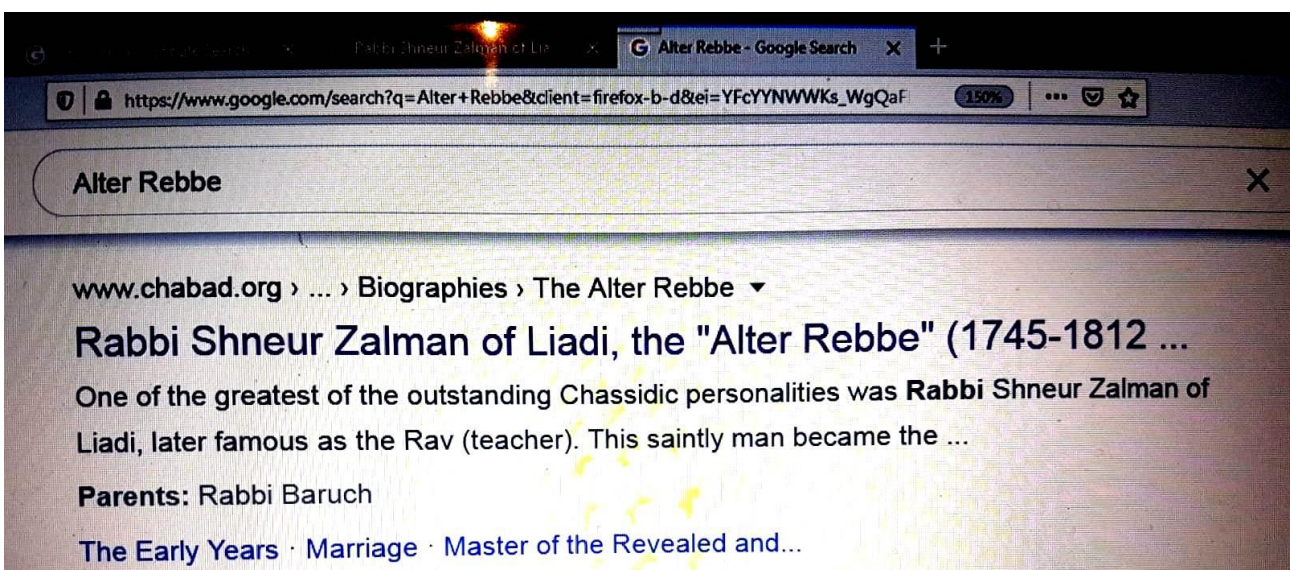

It is clear the Alpha and Omega form the symbol known as Allah. The original followers of Jesus Christ knew that God is the Alpha and the Omega. Many modern languages use A B C D E F G, for example English and French and German. The Greeks were not the only people to use the Alpha and Omega symbols. It is clear

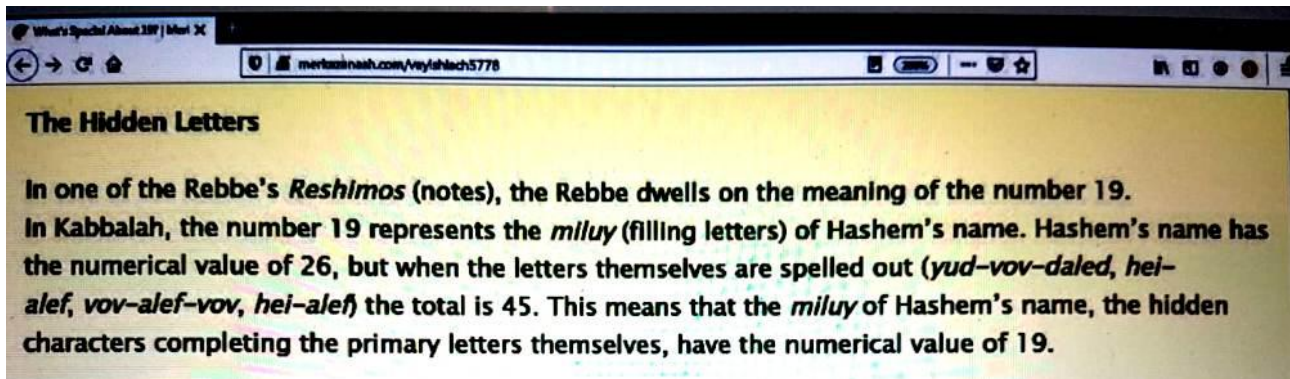

from evidence that the Romans used them. From the evidence in the photo above we can see that Alpha and Omega in Old Arabic means Allah. Allah also means the first and the last.

The Number 19 is the numerical value of the word "1" in the scriptural languages: - Aramaic, Hebrew, and Arabic. The number 19, also can mean that there is only "1" God

**Around the year 1800 there lived an important Jewish man in Eastern Europe called Rabbi Schneur Zalman. He was known as the Alter Rebbe**

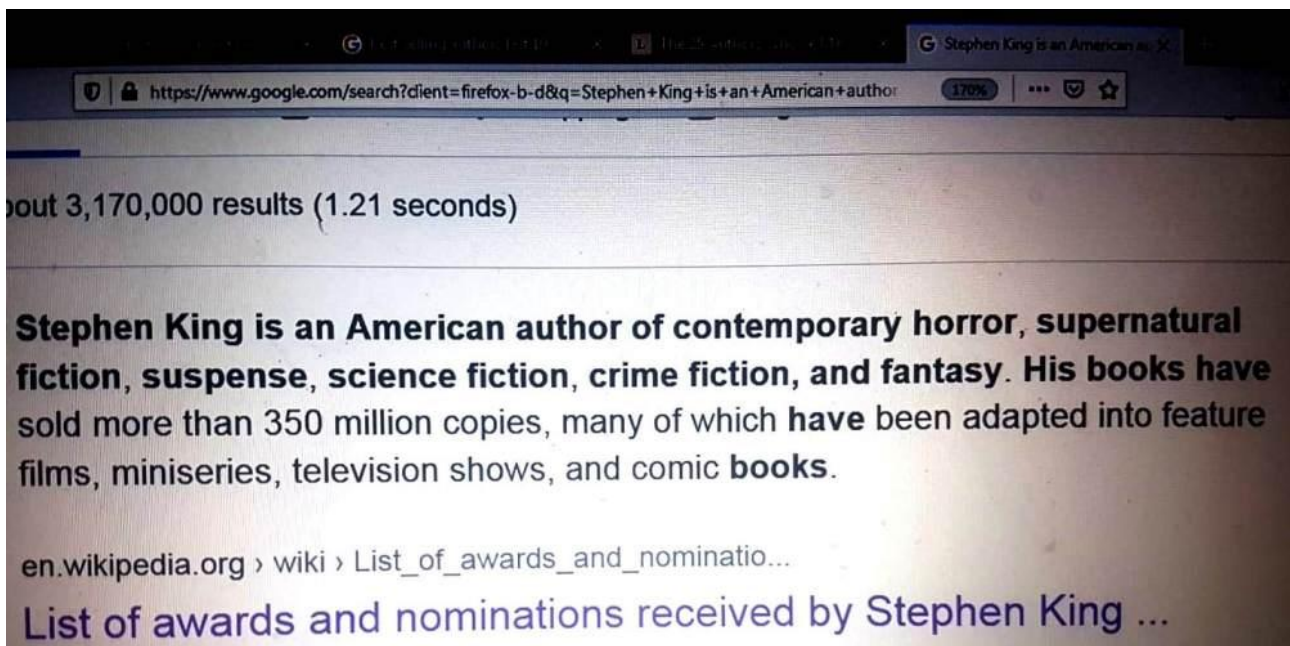

**The Alter Rebbe explained that in the Kabbalah, the number 19 represents the miluy (filling letters) of Hashem's name. The miluy of Hashem's name, the hidden characters completing the primary letters themselves, have the numerical value of 19.**

**In simple words, the number 19 was a representation of the name of God. Hashem is a Hebrew word which means: - God**

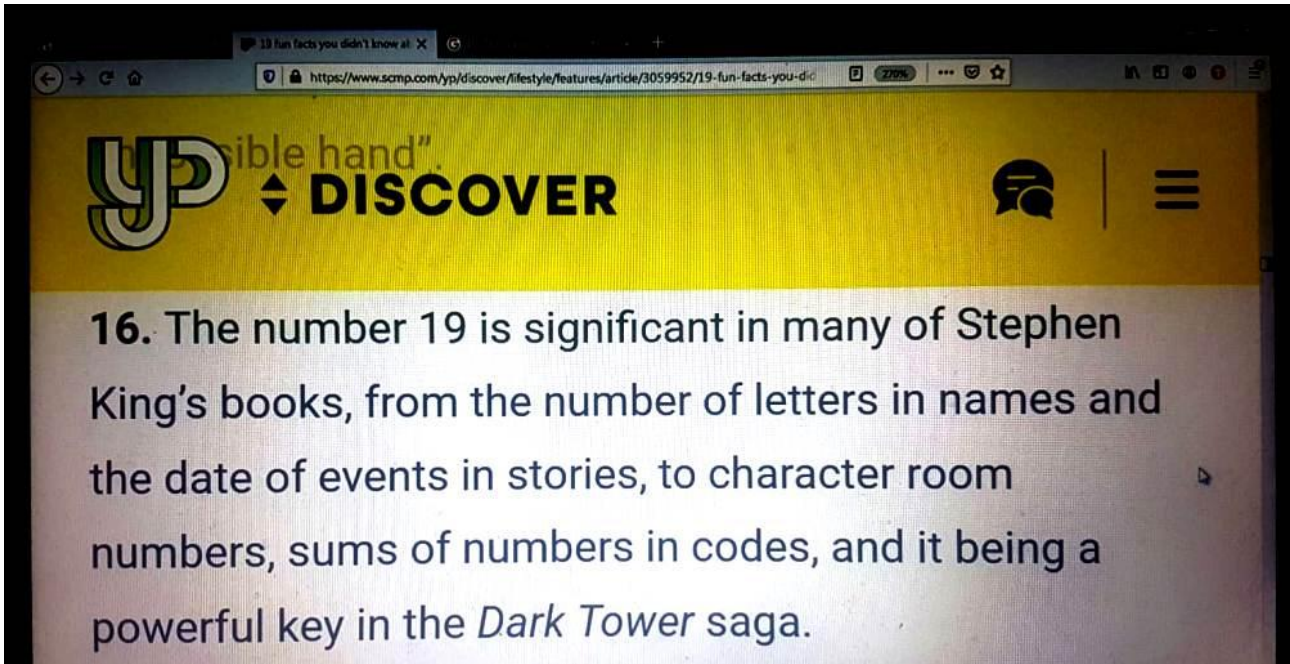

**Stephen King is one of the top 10 most famous writers in the last 50 years. He has been given so many awards, too many to list them here. The awards are given by organisations and institutions that are regulated by the world order.**

**If you write something they do not like: - no award**

**He has written many works and the global media like his works very much, - and they promote him and his writing. His writings were very good for the world order, and of course they will influence the people, in the way that the global order wishes.**

**Many researchers realised that this seemed to be totally organised. His work was advertised in a big way and many of them were turned into television shows and films and other things. The amount of success that he had was very suspicious to many people.**

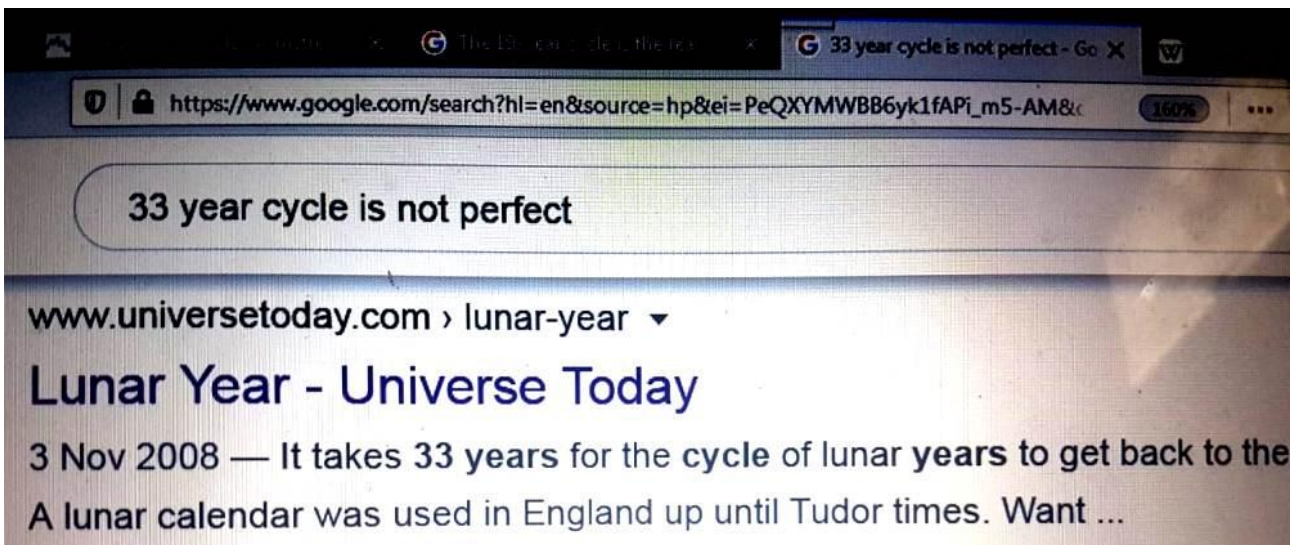

**There was much evidence to show that his work was organised by the world order.**

**The number 19 is important in many of Stephen King's books, in the number of letters in names, and the dates of events in stories, and in characters room numbers, and the totals of numbers in codes. The number 19 is also a powerful key in one of his works**

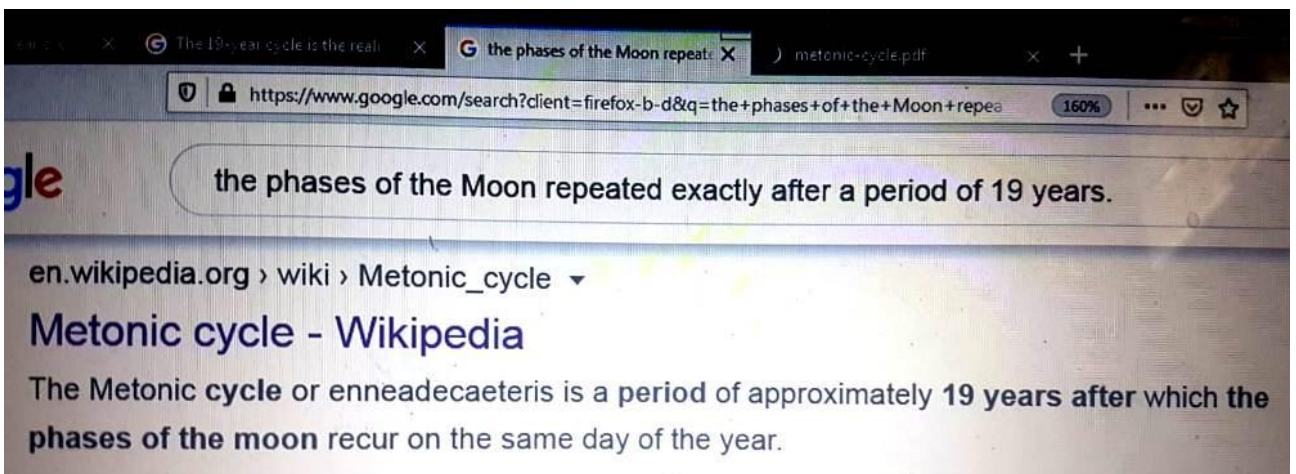

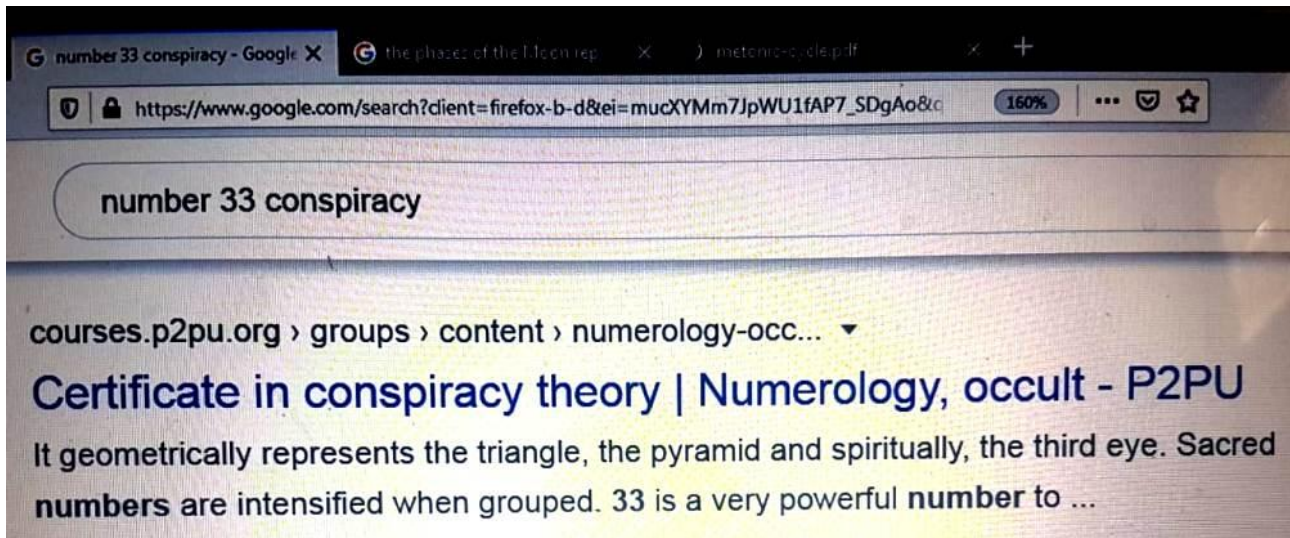

**The sun and the moon basically align every 33 years**

**300 years ago, European and American people used the lunar calendar, or a calendar linked to the moon. Slowly, as the new world system took over, the calendar was changed. This meant that festivals and important dates were changed and even forgotten. Many people are not aware that the world order has changed the languages of the people of the world and changed many other things also.**

**Every 19 years, the Moon returns to exactly the same place (at the same longitude and against the same constellation) in the sky with the same phase**

**Many people around the world have noticed that the number 33 is being used by the global order as a symbol and is found in many events.**

**What people have not realised is that evidence shows that many numbers are being used. The evidence from world history shows that people had knowledge about the sun and the moon and the number 19 and number 33, - many centuries ago.**

**The people in the old world did not have a secular education and their education system was different**

**Researchers did not find much information regarding the number 19 in many historical manuscripts. World history has been modified and changed, so historical manuscripts are not very reliable.**

**But one document from the old world order has survived without being modified. This historical manuscript is known as the Arabic Koran and it gives a serious message and warning to the people of the world today regarding the number 19**

**The Arabic Koran is book which has been ignored the world. There has been a war against this book for a long time, but that is another story too long to mention here**

**Researchers noticed that the number 19 and the number 74 was very common in many of the major events. There were many other numbers also, but the number 19 and the number 74 stood out more than other numbers. There are too many examples to show them here**

**Many people have concluded that the current world order has done much to deceive and tell lies to the world. It has done everything to hide the true world history of what is known as Tartaria. The current world order has done everything it can to make sure that no one will look in Arabic Koran**

**Many people feel that all the lies show that a war is going on. It is just a war to control the world? Or is the war something greater, a war between heaven and hell?**

**Researchers opened the Arabic Koran and went to Chapter 74. What they found in Chapter 74, was a big surprise waiting for them. Almost as if the Arabic Koran was awaiting them.**

**Chapter 74 had a message for humanity and an explanation about the meaning of the number 19 and also talks about people who were planning and plotting**

**Below is what it says in Chapter 74 of the Arabic Koran**

***In the name of God, the Gracious, the Merciful.***

- 1. O you Enrobed one.***
- 2. Go and warn the people.***
- 3. And praise and thank your Lord.***
- 4. And purify and clean your clothes.***
- 5. And give up bad things.***
- 6. And do not do good things, in order to gain something from it.***
- 7. And be patient and calm for your Lord.***
- 8. When the sound is made.***
- 9. That day will be a very difficult day.***
- 10. For the bad people, it will not be easy.***
  
- 11. Leave Me to deal with the person I created alone.  
(Me = God)***
- 12. I gave him great wealth.***
- 13. And I gave him children as a gift.***

**14. And I made life easy and beautiful for him.**  
**15. But he wants Me to give him more!**  
**16. No way! He was ignorant towards the signs of God.**  
**17. Soon I will punish him with a serious punishment.**  
**18. He thought and plotted and planned.**  
**19. May he be destroyed, how he plotted and planned.**  
**20. Again: may he be destroyed, how he plotted and planned.**

**21. Then he looked.**  
**22. Then he frowned and scowled.**  
**23. Then he turned back and was proud of himself.**  
**24. And said, "This is nothing but an illusion and a fake.**  
**25. This is nothing but the words of a man."**

**26. I will make him burn.**  
**27. But what will explain to you what this burning is?**  
**28. Nothing can survive it, nothing can escape it.**  
**29. It burns the flesh.**  
**30. Over it are Nineteen. (19)**

**31. We have appointed only angels to be guardians of the fire,**  
**and have made their number to be a trial and a test for those who do not believe,**  
**so that those people who were given the previous Scriptures (such as the Torah and the Book of Christ and the Book of David),**  
**so that they may know for sure what is the truth,**  
**and those who believe may have more faith,**

***and those who were given the previous Scriptures and the believers will have no doubts.***

***And those people whose hearts have a disease, and the people who do not believe, will say, - "What is God trying to teach us?"***

***God leaves in error, whoever God wishes, - and God guides to the truth, whoever God chooses. No one knows the forces of God, except God himself. This is nothing but a warning and reminder for mankind.***

***32. No! By the moon.***

***33. And the night as it ends.***

***34. And the morning as comes.***

***35+36. This is one of the greatest warnings to mankind.***

***37. Whoever wishes to move forward and change, or whoever wishes to stay behind.***

***38. Every person is responsible for what they did.***

***39. Except for the righteous people.***

***40. Who will be in the beautiful Gardens of Paradise, talking about people who did bad things.***

***41. They will ask the criminals***

***42. "Why did you end up burning?"***

***43. They will reply - We did not wish or hope or pray to God.***

***44. Nor did we feed the poor people of the world.***

***45. And we used to say bad things with those who talked in vain.***

***46. And we did not believe that the Day of Justice for mankind will ever come. (Day of Judgement)***

***47. Until it happened.***

***48. Nothing and no one will be able to help these people.***

***49. What is wrong with them that they are ignoring this reminder?***

***50. As if they were frightened donkeys.***

***51. Fleeing from a lion?***

***52. Each one of these people wishes to receive a personal letter from God.***

***53. No way! They are not scared of what will happen after they die.***

***54. Indeed, this is a reminder.***

***55. So if you choose, accept this warning.***

***56. But no one will pay attention, except for those chosen by God. God is the only one to be feared. Only God can forgive you and no one else.***

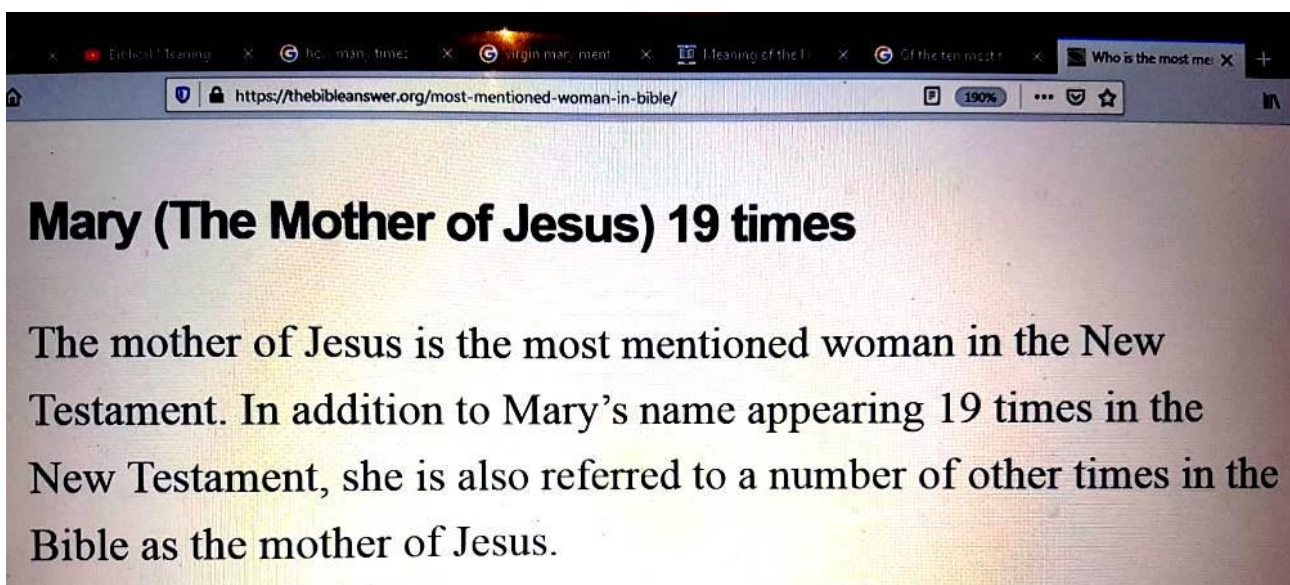

## **THE END OF CHAPTER 74**

**Many researchers noticed that this chapter in the Arabic Koran amazingly showed much similarity as to what was going on in the world.**

**One must remember that the warning in the Arabic Koran was written centuries ago. The Arabic Koran says that this is one of the greatest warnings to mankind. The message of the Arabic Koran is too long to write here**

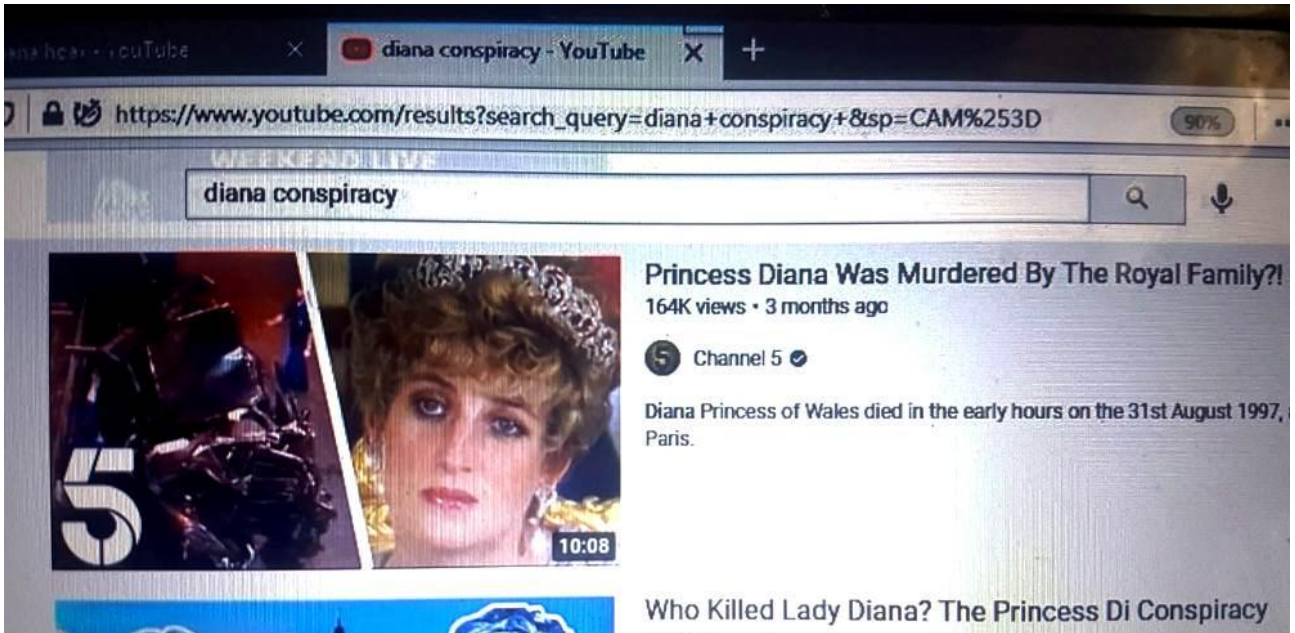

**Chapter 19 of the Arabic Koran is called Mary. It is named after the Virgin Mary**

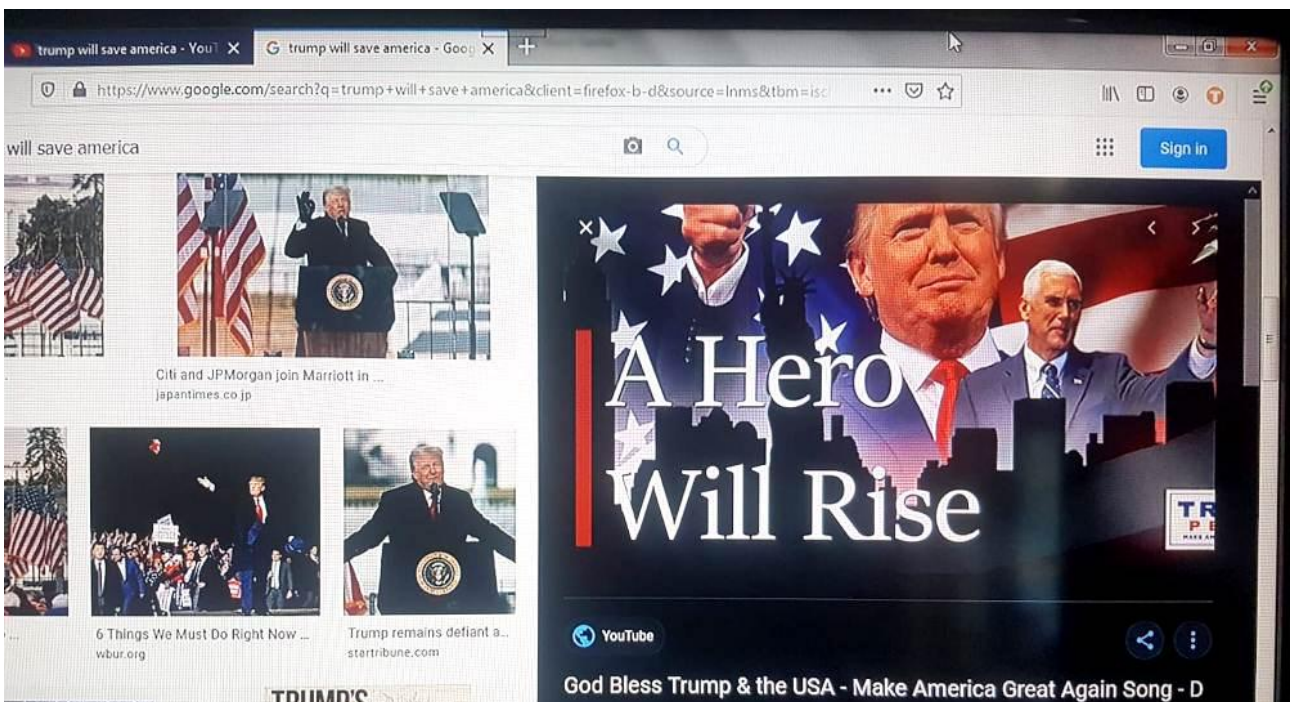

**The Virgin Mary is mentioned by her name in the New Testament of the Bible, 19 times**

**Many researchers are now investigating the relationship between the number 19 and the Virgin Mary and Jesus Christ, but that is another story that is too long to mention here**

**Millions of people are spending time investigating fake people and fake events**

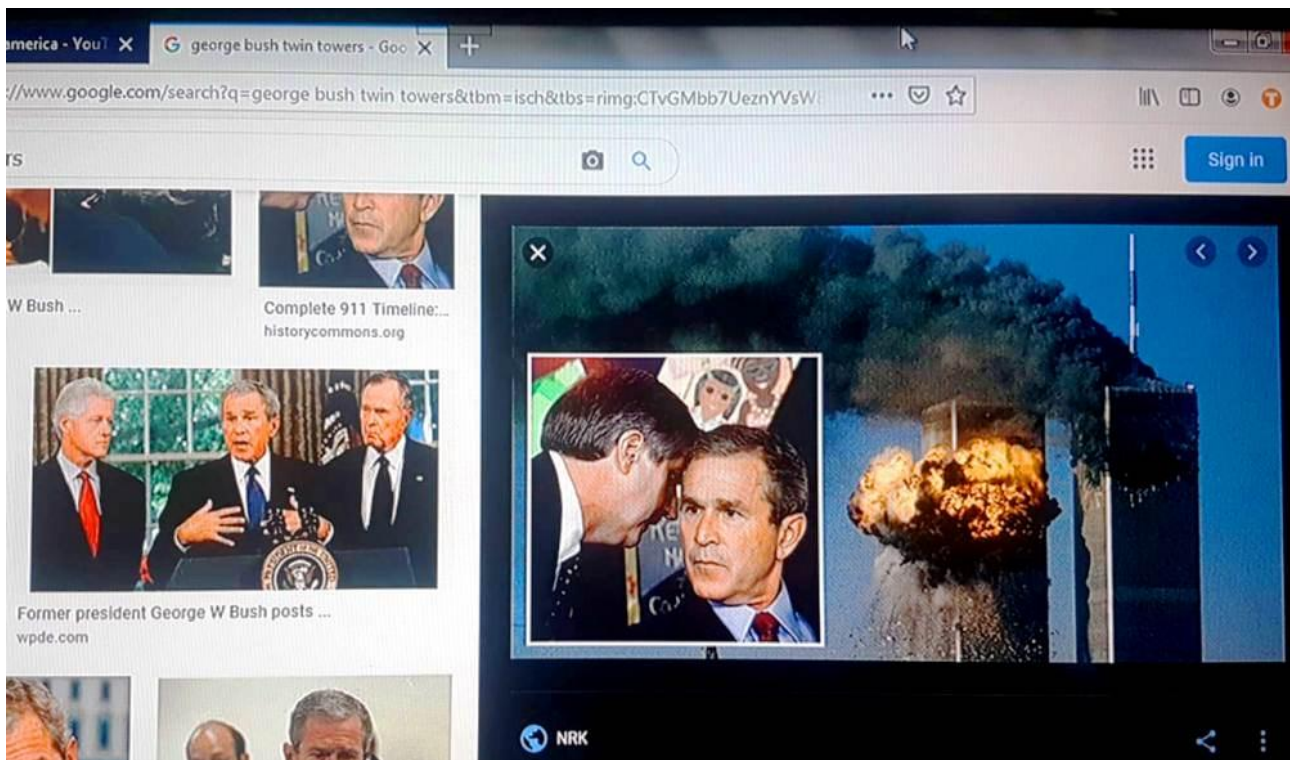

**Millions of people are spending time following fake heroes, who are created to speak and do nothing. These**

**fake heroes are part of the show to keep people busy so that the world order slowly takes over**

**Whose side are you on? Who to believe? What to believe? Hero's, leaders and speakers come out of very often. Who finances them? It all seemed to be part of a global plan and part of the global show**

**Who do you support? What do you believe? This is correct. This is the truth. That is a lie.**

**One of the biggest achievements of the global order and global media is to make many people get attached to their electronic media devices. It does not matter if you trust the mainstream channels or not.**

**Many people now trust the opposition, who are also part of the show. They have been prepared in advance by the global order.**

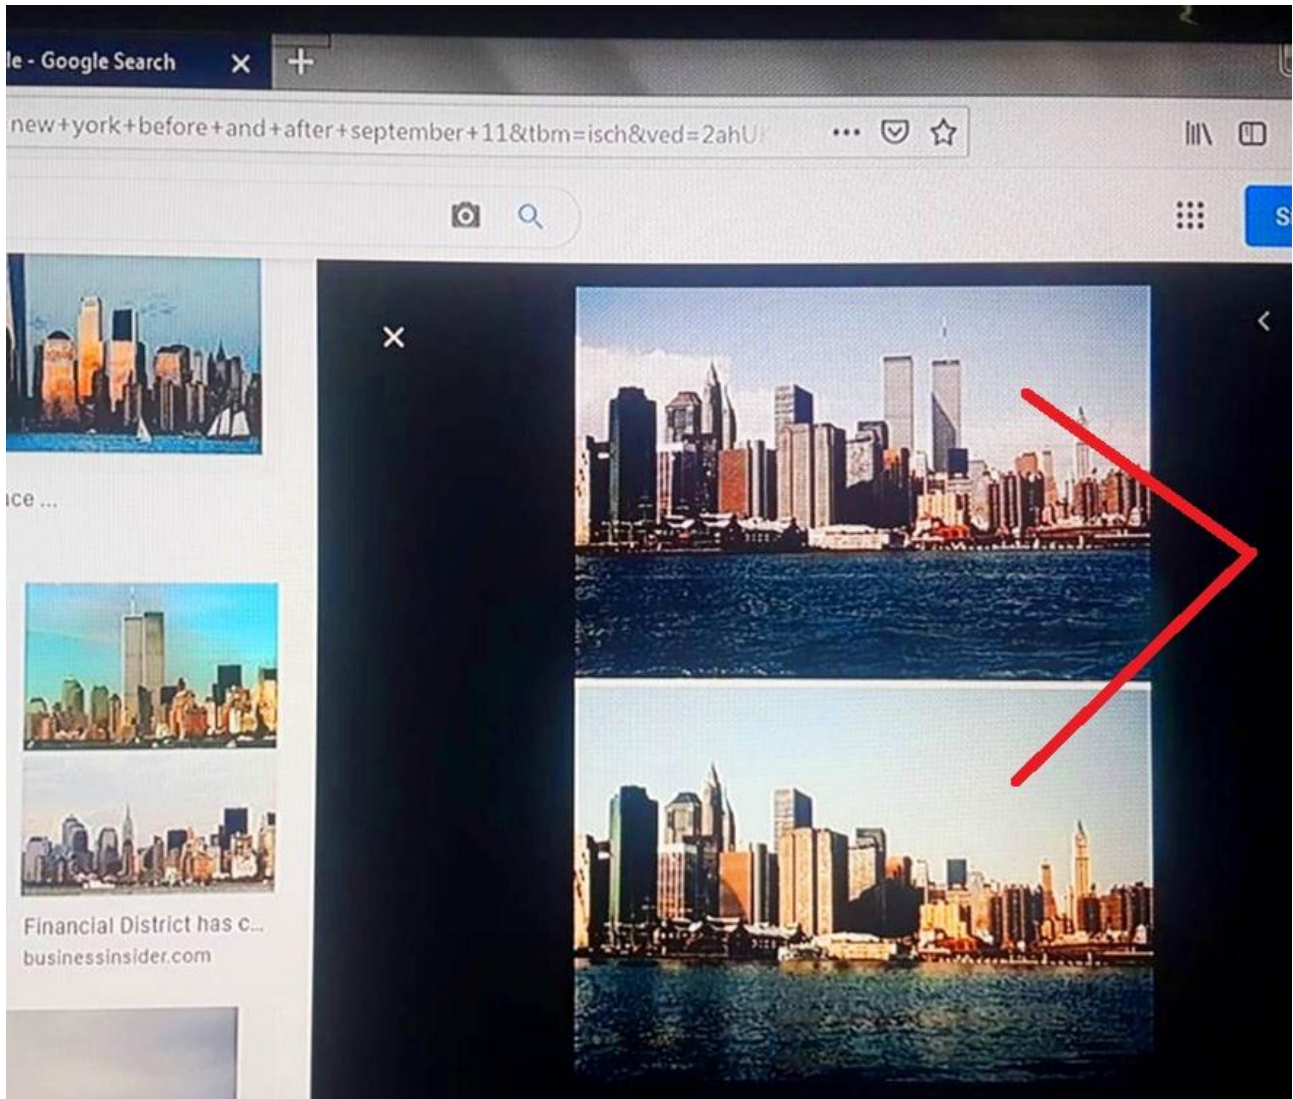

**It is clear that the current world order is trying to take over after the fall of Tartaria or the old world order, and it is keeping people busy**

**Did we go to the moon? Yes we did. No we did not.**

**September 11 was an inside job. No it was not**

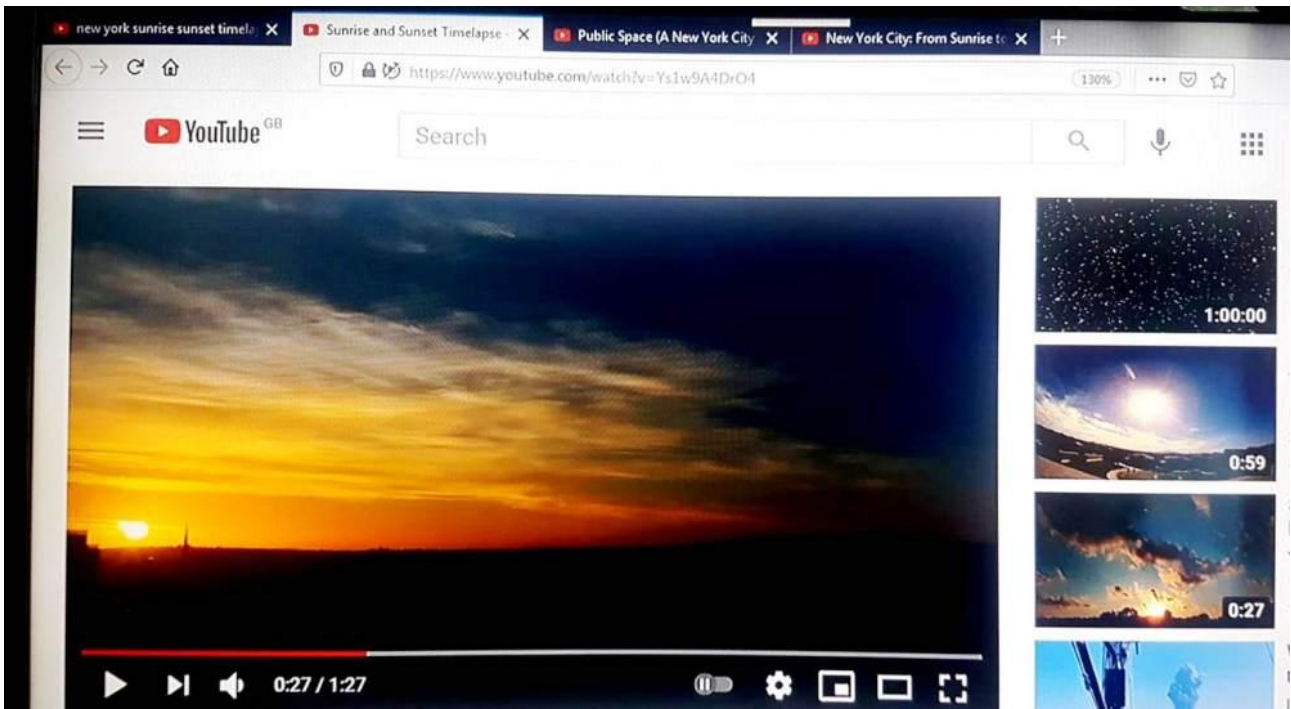

**Diana was murdered. No, she is still alive**

**The game continues**

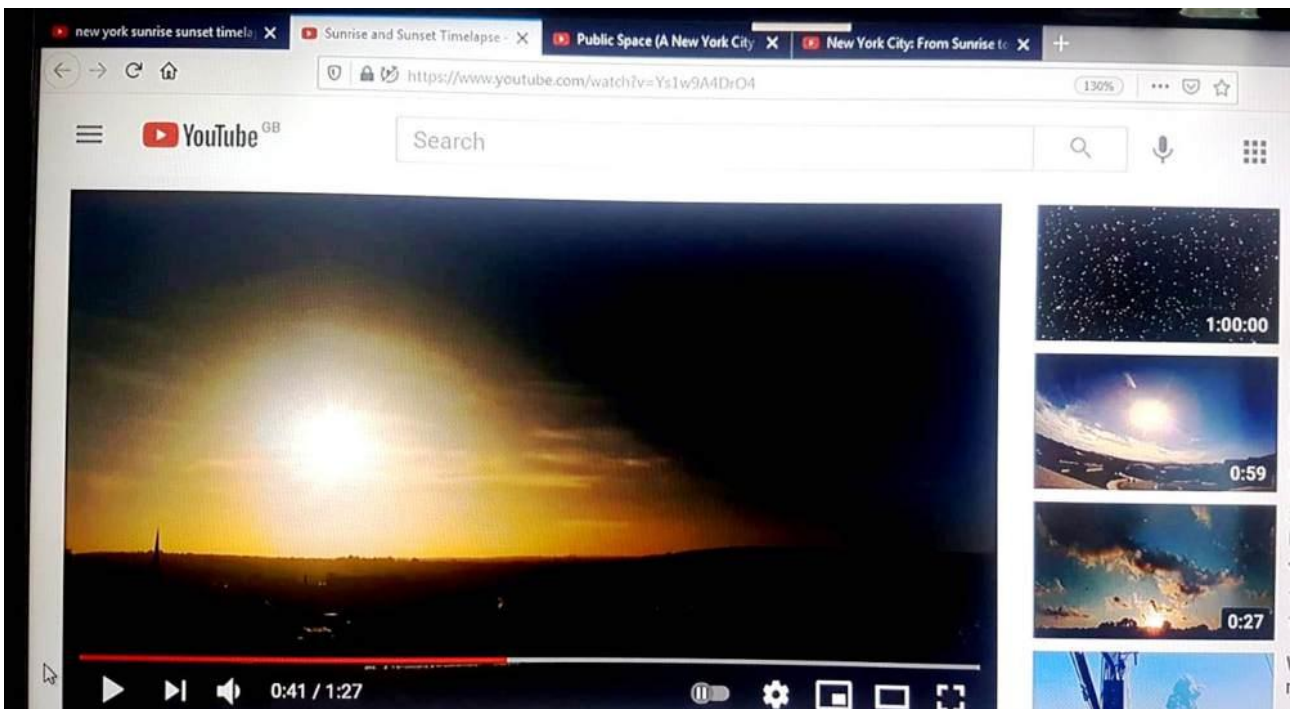

**The average human is intelligent enough to ask - Where did the 2 buildings go?**

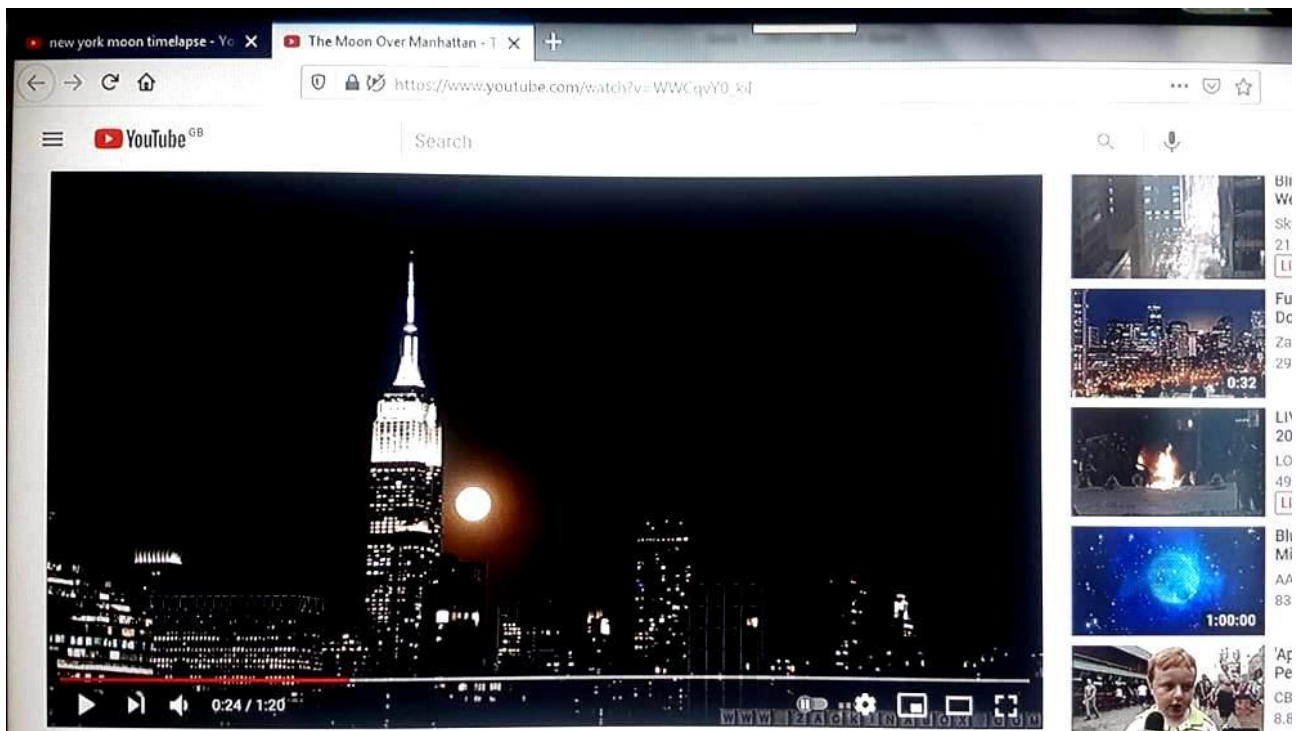

**No one moved them - Did they go away by themselves?**

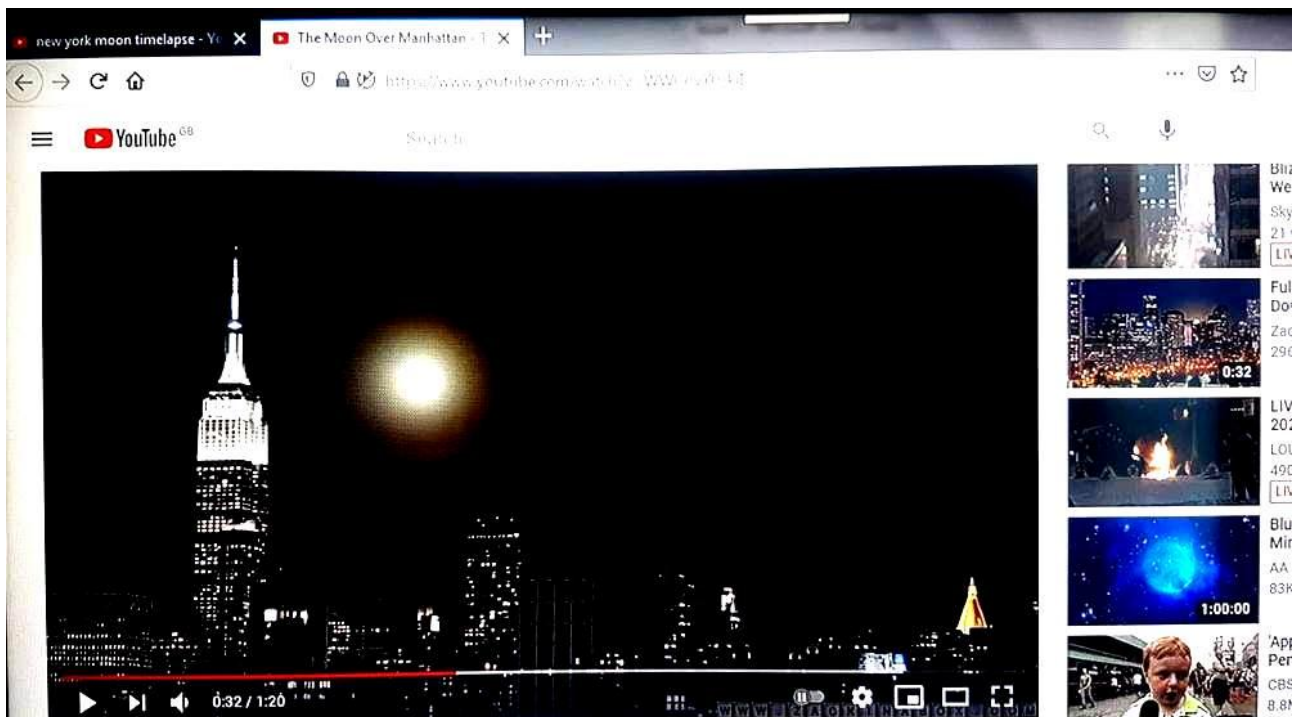

**Here is the sun in the early morning**

**A few moments later, you can see that the sun has moved**

**Here is the moon and it is rising**

**A few moments later, you can see that the moon has moved**

## **This is the problem**

**The world order has made people in the world busy and has told many lies. People are too busy and now they are so confused.**

**Who moved the sun? Who moved the moon?**

**We went to school. Science has the answer. Schools controlled by the world system, teach you what they want you to know.**

**It is normal, the sun and the moon always move like that. There are forces in the universe that make these movements. Really? Is that so? Yes**

**People in the world are intelligent to see that the Twin Towers are no longer there today. People are intelligent to know that something happened and this is why they are gone**

**Are people intelligent to realise that the sun and the moon are moving? Are people intelligent to realise that something happened and this is why the sun and the moon are moving in order?**

**Science explains the forces and the movement. Really?**

**Who built the Twin Towers? No one. That is not true.  
Someone built them. People are intelligent to realise  
this**

**Who made the sun and moon and put them in order?  
Are people intelligent to realise this?**

**People have been so distracted from reality. People are  
now spending much time on many things in life that are  
useless and have no real value. People are alive and  
people have forgotten why they are alive.**

**Nothing moved the Twin Towers?**

**Nothing is moving the sun?**

**Nothing is moving the moon?**

**Are these questions a joke?**

**The world order has created so many ideas and  
opinions that people have become lost and confused**

**Life is a dream. Ok, who made this dream?**

**Life is a matrix. Ok, who made this matrix?**

**Life is a game. Ok, who made this game?**

**It is a fact that we will not stay in this world forever. The  
sun and the moon each have a purpose and a function.  
The rain has a function and so does the wind.**

**What is the function of humans? People are so  
distracted and do not think about such things, but a day  
will come when every person will go.**

**If people want to know the truth, they have to be realistic. The truth is not hard to find. It is clear that a war is going on between truth and lies. The truth is simple and clear. If people do not wish to accept it, that is their choice. No one will live forever.**

**The sun and the moon obey order and they know their function. Humanity must also accept its function.**

**It is clear that someone built the Twin Towers and someone destroyed them**

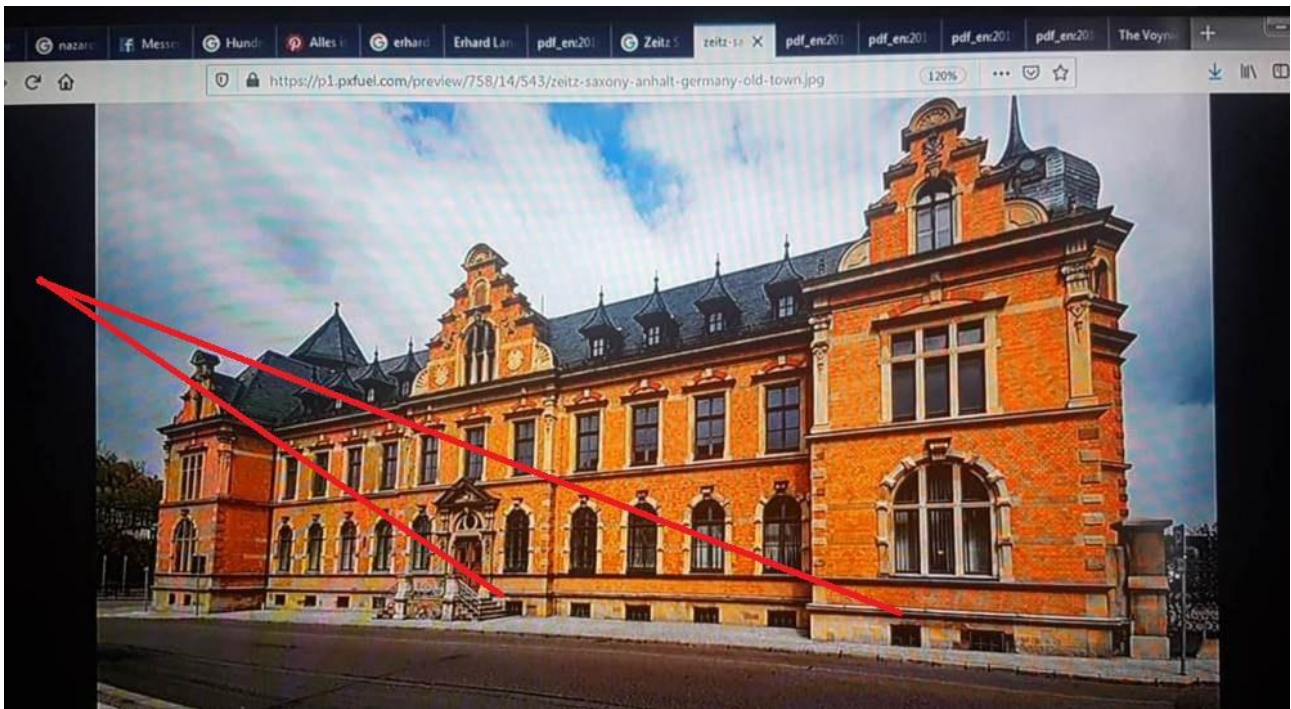

**It is clear that the sun and moon follow a universal order. Anyone who wishes to understand the truth must recognize and accept the universal order.**

**The truth is everywhere and not hidden. People are distracted because they accepted to believe in lies and wasted a lot of their valuable time in life**

**Buildings buried all over the world should make people think carefully. People should look at the world again.**

**The history of the world should show them what happened to the people that lived on earth in the past.**

**In the history of the world, they will find many more answers about the world today**

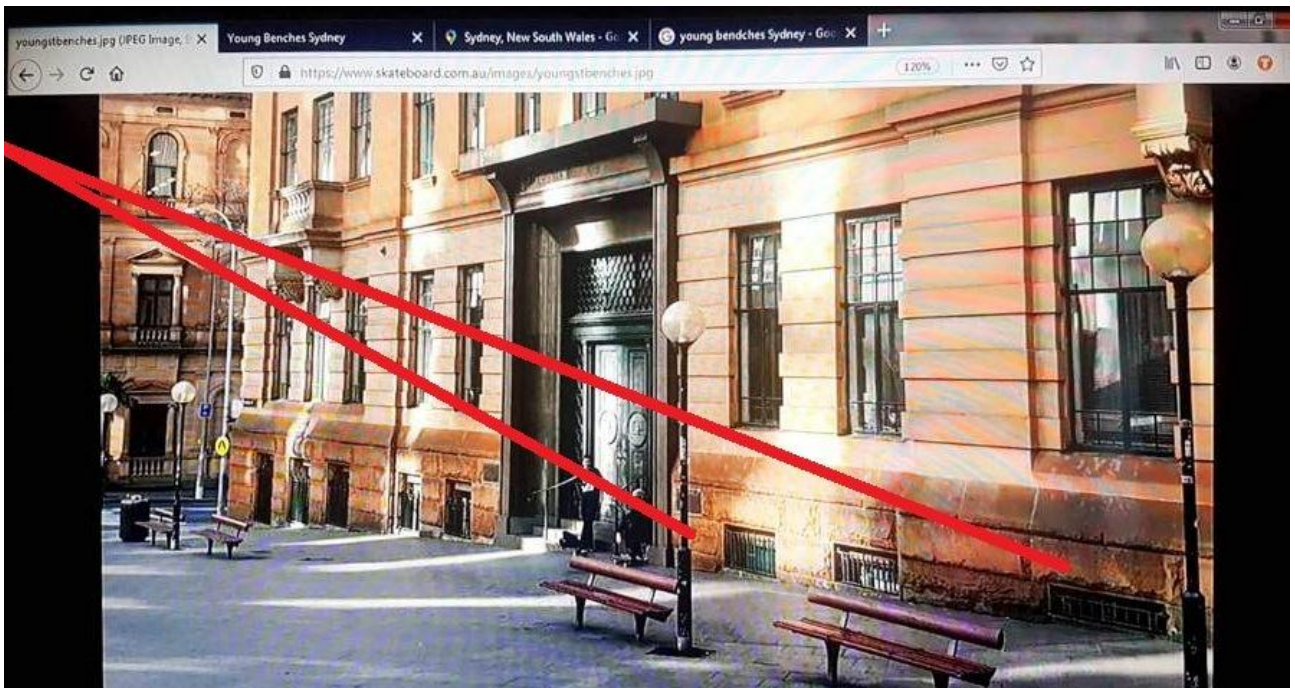

## **Zeitz, Saxony-Anhalt, Germany**

**There are many reports from all over the world that people have found buildings with windows and doors underground. Much evidence has been presented by researchers that show many monuments and buildings are buried all over the world**

**The world can pretend to be blind, but many buildings seem to be buried all over the world. Many people in the world are ignoring it. The people who built these buildings are not here today. We will also be gone one day**

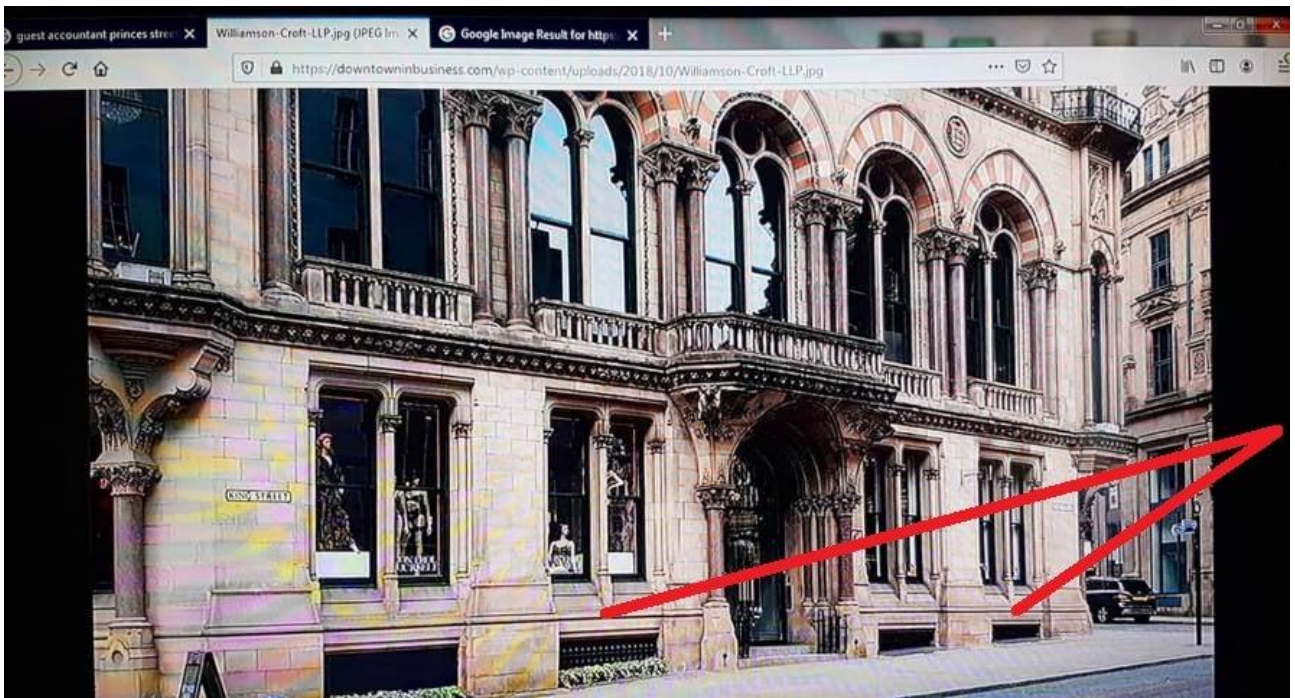

**Walsh McLean House, Dupont Circle Washington, D.C,  
United States of America**

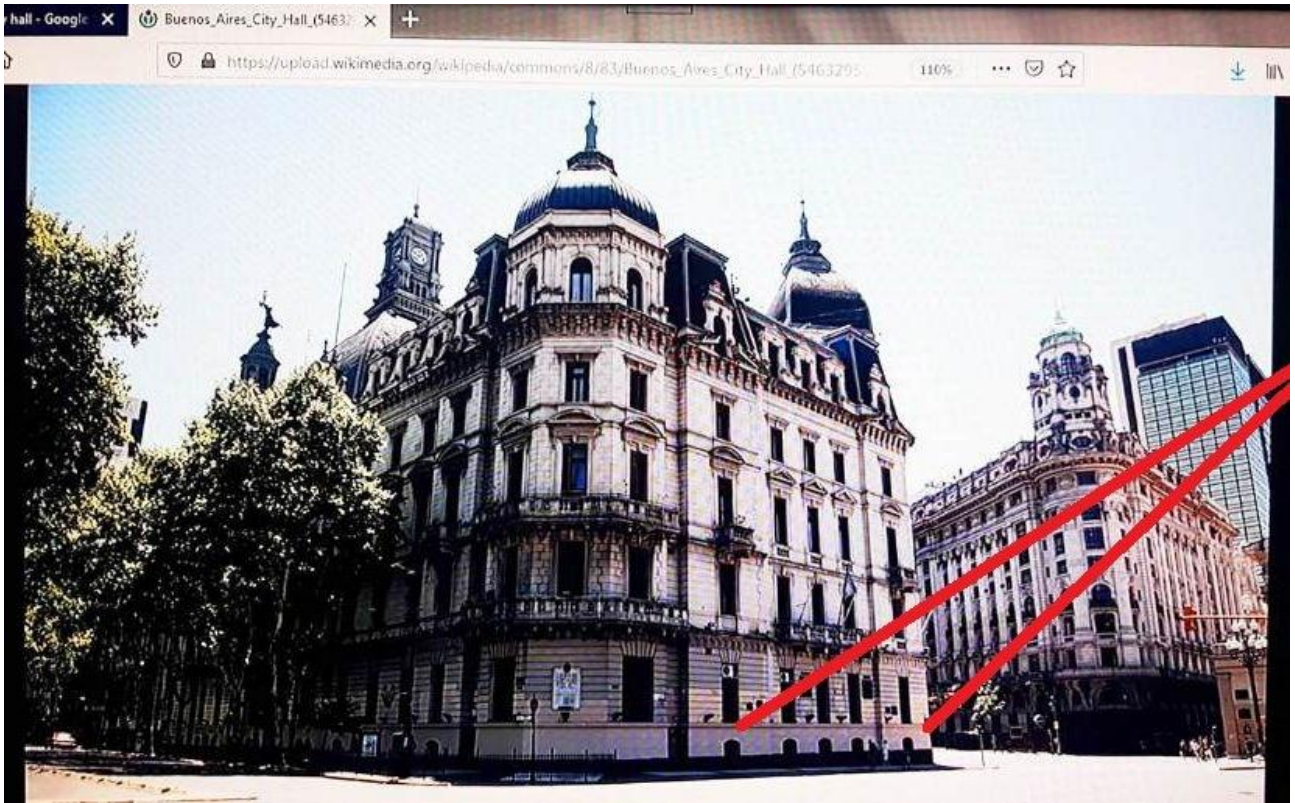

**Young Street and Bent Street in Sydney, Australia**

**The Bund, Shanghai, China**

**King Street, Manchester, England**

**City Hall, Av de Mayo, Buenos Aires, Argentina**

**Bombay House, Homi Modi Street, Mumbai, Maharashtra, India**

**Ivane Machabeli Street, Tbilisi, Georgia, Caucasus**

**Why do these buildings look buried? Did a disaster happen to make them become like this?**

**Something went wrong in the old world order.  
Something went wrong in Tartaria. How did it fall? Why did it fall?**

**If people ignore to investigate the past, they will not understand the future. Why is the past important?  
Those people are not here anymore. Why is this important?**

**Because we know that one day we will also be gone, and this is why we must know what happened, so that we can prepare our future. That is the reason why**

**The serious point is that: - people want to know who we are and why we exist.**

**All these subjects regarding world history has now become known to researchers as the subject of Tartaria. Researchers have concluded that world history is a lie and are now trying to understand true world history.**

**Good luck if you wish to know more about these subjects. Below are books about these topics**

**Tartaria - Ancient Egypt**

**Tartaria - Hitler**

**Tartaria - History is a Lie**

**Tartaria - Atlantis**

**Tartaria - Mud Flood**

**Tartaria - Coronavirus**
