What you got to worry about?  
Place trust in your love.  
Blue skies above ...

We all know that life doesn't change,  
Goes about its own way.  
Don't try to figure it out,

Minutes after they took I	C	Am
From the bottomless pit.	F	C Dm

But my 'and was made strong	C	Am
By the 'and of the Almighty.	F	C Dm
We forward in this generation	C	Am
Triumphantly.	F	G

Won't you help to sing	C
These songs of freedom?	F G C
'Cause all I ever have,	F G Am
Redemption songs,	F G C
Redemption songs.	F G C

Emancipate yourself from mental slavery,  
 None but our self can free our minds.  
 Have no fear for atomic energy,  
 'Cause none of them can stop the time.

How long shall they kill our prophets,  
 While we stand aside and look?  
 Some say it's just a part of it,  
 We've got to fulfill de book.

# Magic People

Music by Stephen Roush, Lyrics by Stephen & Julia

---

- Dm A
- v.1 Rainbow dreamer with your head in the clouds  
Bb7 A7 Dm  
Your feet barely touching the ground.  
You got your plans all worked out in your mind  
Bb7 A7 Dm  
But your life is leaving you behind.
- v.2 You got so much potential but what you gonna do?  
You know it's all up to you. (You got to...)  
Work a little harder, you got to do a little more,  
If you are gonna open that door.

## Chorus

Intro: ( C, Dm ) x 4

Gm Dm  
Chorus: We are a Magic People,  
C  
You can see it in our eyes  
Dm  
It's good to be alive.  
We are a Magic People,  
You can see it in our eyes,  
It's time to actualize the dream.  
(Whoa, whoa - yeah! yeah!) x 2

- v.3 Magic happens when you open up to it  
No matter what you know you can do it.  
Step by step come on take your inspiration  
Focus pocus and a little motivation.
- v.4 Live your dream, come on and live it  
Live your dream, come on and live it now.  
Live your dream, come on and live it  
Live your dream, come on and live it now.

(Intro & Chorus:)

## 59) "Don't Worry, Be Happy"

B C#m E B

Here's a little song I wrote  
You might want to sing it note for note  
Don't worry, be happy  
In every life we have some trouble  
When you worry you make it double  
Don't worry, be happy

Ooh...

Ain't got no place to lay your head  
Somebody came and took your bed  
Don't worry, be happy  
The land lord say your rent is late  
He may have to litigate  
Don't worry, be happy  
(Look at me I'm happy)

Ooh...

Ain't got no cash, ain't got no style  
Ain't got no gal to make you smile  
But don't worry, be happy  
'Cause when you worry  
Your face will frown  
And that will bring everybody down  
So don't worry, be happy  
Don't worry, be happy now

Pure, pure like the water, let it run forever more

polished in the depth of love and  
carried by the wings of grace on the wings of a dove.

So shine, shine as a diamond projects the light of One  
from the source we are sent through the center  
as the moon reflects the sun  
arise and awake from your slumber  
kindle the ancient flame  
as witness through the waves of what's to change  
though the essence remains the same

So if you feel like I feel, the Love of the Earth

I'm a warrior. how about you?)

**I'm a warrior, Earth Warrior  
True-born Pagan, yeah  
I'm a Warrior, nature soldier  
Fightin for the earth**

This is my home it's where I belong  
From the clouds in the sky to the roots and stones  
See the sun in the sky make me feel so high  
I see the full moon shine make me feel so fine  
Her river my blood her rock my bone  
Her earth my muscle her heart my soul  
Her children my children, their freedom my goal  
I'll be fightin' fightin' fightin' fightin' fightin for them all

**(refrain)**

People breed disassociation  
Industrialisation of elimination  
A million mutant monkeys making mutilation  
Deforestation from nation to nation  
The earth and her children know they cannot hide  
From pollution, confusion and genocide  
But I will protect them, yes I got the right  
Cos I am a soldier, I fight the good fight

## (Refrain)

We got to keep on fightin!  
For all the whales and the fishes in the sea  
We got to keep on fightin!  
For all the little birds and all our trees  
Because Mother Nature, she needs our help, you know she  
needs our help  
Her children my children, their freedom my goal  
I'll be fightin' fightin' fightin' fightin' fightin' for

## 110) Natural Mystic

Em Am Bm (tona moi)

There's a natural mystic blowing through the air;  
If you listen carefully now you will hear.  
This could be the first trumpet, might as well be the last:  
Many more will have to suffer,  
Many more will have to die - don't ask me why.

Things are not the way they used to be,  
I won't tell no lie;  
One and all have to face reality now.  
'Though I've tried to find the answer to all the questions they ask.  
'Though I know it's impossible to go livin' through the past -  
Don't tell no lie.

There's a natural mystic blowing through the air -  
Can't keep them down -  
If you listen carefully now you will hear.

There's a natural mystic blowing through the air.

This could be the first trumpet, might as well be the last:  
Many more will have to suffer,  
Many more will have to die - don't ask me why.

There's a natural mystic blowing through the air ...

Bm...

When I look into your eyes I can see the whole new world

When I hear your voice I hear the sound of my heart beat

When I walk beside you I can feel that I am

I can feel that I am that I am in heaven

When I look into your eyes I can see the whole new world

When I play with you I can shine again

When I look into me there is no you and and me

It's just a feeling Just a feeling Just a feeling

G# Fm G# Fm G#

G# Fm

Well, I heard there was a secret chord

G# Fm

That David played and it pleased the Lord

C# D# G# D#

But you don't really care for music, do you?

G# C# D#

Well it goes like this: The fourth, the fifth,

Fm C#

the minor fall and the major lift

D# C7 Fm

The baffled king composing Hallelujah

C# Fm C# G# D# G#

Hallelujah, Hallelujah, Hallelujah, Hallelujah...

Fm G# Fm

G# Fm

Well your faith was strong but you needed proof

G# Fm

You saw her bathing on the roof

C# D# G# D#

Her beauty and the moonlight overthrew ya

G# C# D#

She tied you to her kitchen chair

Fm C#

She broke your throne and she cut your hair

D# C7 Fm

And from your lips she drew the Hallelujah

C# Fm C# G# D# G#

Hallelujah, Hallelujah, Hallelujah, Hallelujah...

G# Fm

Baby, I've been here before

G# Fm

I've seen this room and I've walked this floor (you know)

C# D# G# D#

I used to live alone before I knew ya

G# C# D#

And I've seen your flag on the marble arch

Fm C#  
But love is not a victory march  
D# C7 Fm  
It's a cold and it's a broken Hallelujah

C# Fm C# G# D# G#  
Hallelujah, Hallelujah, Hallelujah, Hallelujah...

G# Fm  
There was a time when you let me know  
G# Fm  
What's really going on below

C# D# G# D#  
But now you never show that to me, do ya?

G# C# D#  
But remember when I moved in you

Fm C#  
And the holy dove was moving too  
D# C7 Fm  
And every breath we drew was Hallelujah

C# Fm C# G# D# G#  
Hallelujah, Hallelujah, Hallelujah, Hallelujah...

G# Fm  
Maybe there's a God above

G# Fm  
But all I've ever learned from love

C# D# G# D#  
Was how to shoot somebody who outdrew ya

G# C# D#  
And it's not a cry that you hear at night

Fm C#  
It's not somebody who's seen the light

D# C7 Fm  
It's a cold and it's a broken Hallelujah
